Preface .....	ix
Acknowledgments .....	xi

## **Part I: Preoperative Assessment**

1 Physiologic Adaptation to Pregnancy: The Healthy Parturient .....	1
2 Preoperative Evaluation of the Parturient with Coexisting Disease: Cardiac, Hematologic, and Renal Disease .....	25
3 Preoperative Evaluation of the Parturient with Coexisting Disease: Pulmonary and Neuromuscular Disease, Acquired Immunodeficiency Syndrome, and Substance Abuse .....	66
4 Pathophysiology and Obstetric Management of Preeclampsia .....	104
5 Diabetes Mellitus in Pregnancy .....	120
6 Perinatal Physiology and Pharmacology .....	133

## **Part II: Intraoperative Management**

7 Surgery during Pregnancy .....	153
8 Mechanisms of Labor Pain .....	173
9 Alternatives to Conduction Analgesia .....	184
10 Anatomy of the Epidural Space .....	213
11 Neuraxial Analgesia for Labor: Techniques .....	230
12 Neuraxial Analgesia for Labor: Intrathecal Drugs ....	250
13 Neuraxial Analgesia for Labor: Epidural Drugs .....	262
14 General Anesthesia for Cesarean Delivery .....	274
15 Epidural Anesthesia for Cesarean Delivery .....	292
16 Spinal Anesthesia for Cesarean Delivery .....	307
17 Anesthesia and Cardiac Disease .....	325
18 Anesthesia and Hematologic Disease .....	345

19	Anesthesia and Coexisting Maternal Disease: Diabetes Mellitus, Obesity, Pulmonary, and Neurologic Disease .....	363
20	Anesthesia and Maternal Substance Abuse .....	387
21	Anesthesia and Preeclampsia/Eclampsia .....	395
22	Vaginal Birth after Cesarean Section .....	418
23	Intraamniotic Infection .....	429
24	Peripartum Hemorrhage and Maternal Resuscitation .....	439
25	Amniotic Fluid Embolism .....	456
26	Intraoperative Anesthetic Complications .....	466
27	Anesthesia and the Compromised Fetus .....	485
28	The Premature Fetus .....	501
29	Fetal Malpresentation and Multiple Birth .....	512
30	Neonatal Resuscitation .....	521

### **Part III: After Delivery**

31	Anesthesia for Postpartum Sterilization .....	530
32	Postoperative Analgesia .....	536
33	Postoperative Complications Associated with Regional Anesthesia in the Parturient .....	546
	Index .....	565
