Executives Out of Touch with Their Infrastructure	20
How Can the Infrastructure Catch Up Quickly?	22
Lack of Time and Resource	23
Assure That Your IT Budget Provides for RAS	23
Marketing and Selling IT Services	25
Duplication of Efforts	26

Chapter 4

Case Studies	29
The Problems Short-Listed	34
Current Organizational Structures	34

Chapter 5

The Problems Short-Listed	51
The Top Three Missing or Broken Processes	52
The Other Issues	61
Internal Support Agreement	68

Chapter 6

Learn from the Past to Build the Future	71
The Organization	73
Processes	80

Chapter 7

Building a Worldclass Infrastructure	83
Start Simple	84
Designing and Adhering to Your Key Methodologies	87
Know That Success Equals the Change You Manage	93

Chapter 8

The New Order	95
Splitting the Technologies	97
Who's in Charge?	98

Chapter 9

The Organization for the Twenty-First Century	101
Enterprise Services	102
Mission-Critical vs. Non-Mission-Critical	103
Structuring Technical Staff	104
Functional Responsibilities	105

Epilogue

The “Worldclass” Infrastructure	123
---------------------------------	-----

Appendix A

Frequently-Asked Questions	125
----------------------------	-----

General	125
People	128
Process	130
Technology	133

Appendix B

Infrastructure Assessment Program	137
-----------------------------------	-----

The Industry Problem	137
People Issues	138
Process Issues	138
Technology Issues	138
The Program	139
Customer Requirements	139
The Deliverable	140
The Cost	140

Appendix C

Service Level Agreements	141
--------------------------	-----

Information Systems Services Cost Options Definitions	141
---	-----

Appendix D

Internal Support Agreement	149
Root Authority	149
Server Availability Hours	150
Backups	150
Support Responsibility	150

Appendix E

Marketing Materials for an Internal Audience	153
Enterprise Center	153
Systems Management	153
Quality Assurance	154
Customized reports	154
Data storage	154
Mission	155
Enterprise Center Tours	155
High-Tech Equipment	155
Information Technology Survey	155
Consulting Services	156
 Bibliography	 163
Index	169
