Contributors	viii	9	Ram infertility	65
Foreword to the Third Edition	xi		<i>A. Greig</i>	
Preface	xiii	10	Prolapse and hernia	71
List of abbreviations	xiv		<i>B. D. Hosie</i>	
Part I: Introduction		11	Mastitis and contagious agalactia	75
1 Sheep: a world-wide resource	3		<i>J. E. T. Jones and G. H. Watkins</i>	
<i>J. M. M. Cunningham</i>		12	Chlamydial abortion	81
2a Sheep welfare: standards and practices	9		<i>I. D. Aitken</i>	
<i>A. C. Winter</i>		13	Toxoplasmosis and neosporosis	86
2b Sheep welfare: castration and tail docking	14		<i>D. Buxton</i>	
<i>V. Molony</i>		14	Border disease	95
2c Sheep welfare: transport of sheep	18		<i>P. F. Nettleton</i>	
<i>J. Earl</i>		15	<i>Salmonella abortus ovis</i> infection	102
			<i>L. Gonzalez</i>	
Part II: Reproductive physiology		16	Other infectious causes of abortion	107
3 The reproductive cycle and its manipulation	25		<i>K. A. Linklater</i>	
<i>D. C. Henderson and J. J. Robinson</i>		17	<i>Brucella melitensis</i> infection	114
4 Management and care of rams	34		<i>G. Castrucci</i>	
<i>J. Vipond and A. Greig</i>		18	Ulcerative balanitis and vulvitis	119
5 Ewe management for reproduction	38		<i>A. Greig</i>	
<i>L. A. Stubbings</i>				
6 The perinatal period	44	Part IV: Diseases of the alimentary system		
<i>D. J. Mellor and J. C. Hodgson</i>		19	Diseases of the oral cavity	125
Part III: Reproductive diseases			<i>D. M. West and J. A. Spence</i>	
7 Genital abnormalities, obstetrical problems and birth injuries	53	20	Clostridial diseases	131
<i>J. C. Hindson and A. C. Winter</i>			<i>C. J. Lewis</i>	
8 Neonatal conditions	58	21	Mycobacterial infections	143
<i>D. C. Henderson</i>			<i>J. M. Sharp</i>	
		22	Other enteric conditions	148
			<i>R. C. Gumbrell</i>	

23	Cryptosporidiosis and coccidiosis <i>R. L. Coop and S. E. Wright</i>	153	38	Foot-and-mouth disease <i>A. I. Donaldson and R. F. Sellers</i>	254
24	Gastrointestinal helminthosis <i>R. L. Coop and F. Jackson</i>	159	Part VIII: Diseases of skin, wool and eyes		
25	Liver fluke <i>J. Armour</i>	168	39	Orf <i>H. W. Reid</i>	261
Part V: Diseases of the respiratory system			40	Sheep pox <i>R. P. Kitching</i>	266
26	Acute respiratory virus infections <i>J. M. Sharp and P. F. Nettleton</i>	177	41	Caseous lymphadenitis <i>J. J. Pekelder</i>	270
27	Contagious respiratory tumours <i>J. M. Sharp and M. De las Heras</i>	181	42	Pyodermas <i>W. B. Martin</i>	274
28	Maedi-visna <i>G. C. Pritchard and M. Dawson</i>	187	43	Bacterial and fungal infections of the skin and wool <i>J. Plant</i>	276
29	Pasteurellosis <i>W. Donachie</i>	191	44	Sheep scab <i>P. Bates</i>	281
30	Mycoplasma respiratory infections <i>W. B. Martin and I. D. Aitken (editors)</i>	198	45	Ectoparasites <i>P. Bates</i>	286
31	Parasitic bronchitis and pneumonia <i>F. E. Malone</i>	202	46	Photosensitization <i>A. Flåøyen</i>	296
Part VI: Diseases of the nervous system			47	Ocular diseases <i>B. D. Hosie</i>	301
32	Scrapie in sheep and goats, and related diseases <i>H. Fraser</i>	207	48	Tick-borne diseases of sheep <i>K. Sumption</i>	305
33	Louping-ill <i>H. W. Reid</i>	218	Part IX: Metabolic and mineral disorders		
34	Listeriosis <i>J. C. Low</i>	224	49	Pregnancy toxæmia <i>M. J. Clarkson</i>	315
35	Other nervous diseases <i>P. R. Scott</i>	228	50	Deficiency of mineral macro-elements <i>A. R. Sykes and A. J. F. Russel</i>	318
Part VII: Diseases of legs and feet			51	Micronutrient imbalance <i>N. F. Suttle and D. G. Jones</i>	332
36	Foot-rot and other foot conditions <i>J. R. Egerton</i>	243	52	Diseases of the urinary system <i>K. W. Angus</i>	344
37	Arthritis <i>G. H. Watkins</i>	249			

Part X: Poisons		63	Australia	426
53	Plant poisoning in Britain and Ireland <i>K. W. Angus</i>	355	<i>J. Plant</i>	
54	Inorganic and organic poisons <i>K. W. Angus</i>	368	64 New Zealand <i>N. D. Sargison and D. M. West</i>	431
Part XI: Tumours		65	North America <i>C. Wolf</i>	440
55	Tumours <i>K. W. Head and R. Munro</i>	381	66a South America; pampas areas <i>L. A. O. Ribeiro</i>	446
Part XII: Other diseases of importance		66b	South America; Andean highlands <i>R. Rosadio</i>	449
56	Sarcocystiosis <i>A. Ugglä</i>	389	Part XIV: Technical section	
57	Bluetongue <i>B. I. Osburn</i>	393	67 Flock health programmes <i>R. N. Spedding and J. C. Hindson</i>	457
58	Peste des petits ruminants and rinderpest <i>G. R. Scott</i>	398	68 Pharmacology and therapeutics <i>Q. A. McKellar</i>	463
59	Rift Valley fever <i>G. F. Bath</i>	402	69 Anaesthesia and common surgical procedures <i>E. W. Scott</i>	473
60	Akabane disease <i>E. Rapoport</i>	406	70 Necropsy and sampling techniques <i>F. Howie</i>	480
Part XIII: Regional problems		Part XV: Appendices		
61	Near East <i>E. Rapoport</i>	413	71 Appendix A	499
62	Southern Africa <i>G. F. Bath</i>	421	72 Appendix B	500
			73 Appendix C	502
			Index	503
