Janet W. Lerner

CONTENTS

List of Snapshots viii

Preface ix

1 Reading Ability and Disability 1

Introduction 2
Reading Problems: A National Dilemma 3
Factors Associated with Reading Problems 6
What Is Reading? 9
Components of the Reading Process 13
Overview of This Book 19
Summary 20

2 Obtaining Background Information 22

Introduction 23
Information about the Environment 23
Information about the Individual 31
Methods of Collecting Information 36
Summary 39

3 Assessing Reading Achievement: Overview and Informal Measures 55

Introduction 56
General Diagnostic Questions: An Overview 56
Overview of Formal Assessment Measures 59
Overview of Informal Assessment Measures 60
Informal Reading Inventory 61
Summary 85

4 Overview of Instruction 87

Introduction 88
Components of Effective Reading Instruction 88
Principles of Teaching Students with Reading Problems 95
Building Rapport 98
Delivering Instruction 100
Creating a Community of Readers and Writers 105
Using Computers to Help Students Read 109
Summary 113

5 Emergent Literacy 117

Introduction 117
Emergent Literacy Concepts 118
Strategies to Develop Early Literacy Concepts 124
Summary 133

6 Improving Word Recognition Accuracy 135

Introduction 136
Stages of Word Recognition Development 136
Assessing Phonics Strategies 137
Teaching Phonics Strategies 139
Assessing Structural Analysis Strategies 154
Teaching Structural Analysis Strategies 155
Assessing Context Strategies 156
Teaching Context Strategies 158
Summary 159

7 Improving Word Recognition Fluency 161

Introduction 162
Role of Fluency in the Reading Process 162
Assessing Word Recognition Fluency 162
Strategies for Developing Fluency in Context 164

Strategies for Developing Sight Words in Isolation 177
Combining Contextual Reading with a Focus on Words 184
Summary 187

8 Improving Comprehension of Narrative Text 189

Introduction 190
General Features of Effective Reading Comprehension 190
Comprehending Narrative Materials 193
Assessing Abilities with Narrative Text 195
Strategies for Improving Comprehension before Reading 197
Strategies for Improving Comprehension during Reading 199
Strategies for Improving Comprehension after Reading 205
Connecting the Literacy Experience 211
Summary 214

9 Improving Comprehension of Expository Text 216

Introduction 217
Nature of Expository Text 217
Assessing Abilities with Expository Text 218
Strategies for Helping Students Read Expository Text 220
Summary 239

10 Improving Language Abilities: Listening Comprehension and Meaning Vocabulary 241

Introduction 242
Importance of Language to Reading 242
Causes of Problems with Language 242
Assessing Language Abilities 244
Conditions that Foster Language Learning 245
Strategies for Fostering Language: Listening Comprehension 247
Strategies for Fostering Language: Meaning Vocabulary 251
Using Poetry to Develop Language 262
Summary 264

11 Reading and Writing 265

Introduction 266
Importance of Teaching Writing 266
Writing Instruction 267
Strategies for Integrating Reading and Writing 272
Writing with Poetry 280
Computers and Writing 283
Developing the Ability to Spell 284
Handwriting 289
Summary 290

12 Reading Intervention Programs 292

Introduction 293
First-Grade Intervention Programs 294
Intervention beyond First-Grade 298
Total Classroom Interventions 299
Comparing Intervention Programs 300
Application of Common Intervention Elements to Program Design 302
Summary 304

13 Literacy in a Diverse Society 305

Introduction 306
Teaching in a Multicultural Society 306
Limited English Proficiency 310
Role of Parents in Fostering Literacy 319
Adolescents with Reading Problems 321
Adults with Reading Problems 323
Summary 325

14 Correlates of Reading Disability 327

Introduction 328
