

Capturing the Image

your guide to creating digital images

Digital Imaging

1.0

JOE FALOUT

Contents

01 Introduction

- 16 Digital imaging & you
- 16 Acquisition
- 17 Manipulation
- 17 Output
- 17 Presentation

- 18 What's in the book and who is it for?
- 19 Capturing the image

- 20 The internet
- 21 One step beyond

02 Getting started

- 24 Three kinds of digital imagers
- 24 Beginner
- 24 Intermediate
- 24 Advanced

- 26 Hardware
- 26 Central processing unit
- 26 Hard disk
- 26 Random-access memory

- 28 Software
- 29 Acquiring images
- 29 Using the open command

- 30 Using software
- 30 Using plug-ins
- 30 Import
- 30 Format

03 Pix into pixels

- 34 Understanding image resolution
- 34 Bits and pieces
- 36 What is image resolution?
- 37 Dots per inch

- 38 Comparing resolution

- 40 Resolution and hardware
- 42 Is it real or is it interpolated?
- 42 Riding the resolution carousel

- 44 Matching resolution to output

04 Digital cameras

- 48 Classes of digital cameras

- 50 What to look for when shopping
- 50 Make a resolution
- 50 Capturing the image

- 52 Buying a digital camera
- 52 Other considerations

- 54 The bottom line

04 Working with
digital cameras

- 58 Learning to see like
your digital camera
- 58 Composing for the
chip or the print
- 58 Freehand cropping
- 58 Restrained cropping

60 Lens considerations

63 Avoiding backlighting

- 64 Manual control
- 64 Average, matrix, and
spot

- 66 Flash
- 66 External flash units

65 Digital film

71 Digital film formats

41 Digital film readers

76 Toward the future

68 Maximizing your
digital camera's
capabilities

- 80 Rules of thumb
- 82 A digital solution
- 84 Tips on how to improve
your digital images

67 Digitizing with
scanners

90 Scanning the horizon

92 Making comparisons

94 Types of scanners

- 96 Film scanners
- 96 Do you need a film
scanner?

99 Software can make a
difference

100 Connections and
connectors

66 Digitizing services

104 Let someone else do it

106 Kodak Photo CD

108 Kodak Photo CD
acquire module

111 Acquisition alternatives

112 Kodak Picture CD

114 Differences between
Picture CD and Photo
CD

114 Kodak Picture Disk

116 Digitizing service
alternatives
