Preface / vii
Acknowledgments / ix
Reviewers / xi

PART I INTRODUCTION TO THERAPEUTIC MASSAGE IN ATHLETICS / i

- 1 Introduction to Massage Therapy / 3**
 - Terminology / 4
 - Benefits and Physiologic Effects of Massage / 4
 - Guidelines for Selecting Massage
 - Equipment and Supplies / 8
 - Application Guidelines for All Massage / 13
 - Massage Techniques Most Beneficial to Athletes / 17
- 2 Sports Massage / 22**
 - Categories of Sports Massage / 23
 - What Is Basic Sports Massage? / 24
 - Basic Sports Massage Strokes / 24

PART II ANATOMY AND PHYSIOLOGY FOR MASSAGE IN ATHLETICS / 43

- 3 Cardiovascular and Lymphatic Systems / 45**
 - Cardiovascular Circulation / 45
 - Overview of the Lymphatic System / 50
 - The Lymph Vessel Network / 53
 - Mechanisms of Lymph Formation and Movement / 56
 - Direction of Lymph Flow / 59
 - Types of Edema / 62

- 4 The Neuromuscular System / 66**
 - Skeletal Muscle Contraction / 67
 - Types of Muscle Contraction / 68
 - Functions of Skeletal Muscles / 69
 - Basic Muscle Reflexes / 70
 - Skeletal Muscle Response to Abnormal Stress / 73
 - Theories of Pain Reduction / 78
- 5 The Myofascial Network / 84**
 - Connective Tissue / 84
 - Skeletal Muscle Architecture / 87
 - The Fascial Network / 88
 - The Functional Myofascial Chains / 96
- 6 The Physiology of Healing / 100**
 - The Acute Stage / 101
 - The Subacute Stage / 103
 - The Maturation Stage / 103
 - Signs and Symptoms of Healing / 104
 - Therapeutic Goals for Each Stage of the Healing Cycle / 105

PART III THERAPEUTIC MASSAGE TECHNIQUES FOR SPORTS HEALTH CARE / 109

- 7 Lymphatic Facilitation Techniques / 111**
 - The Development of Lymphatic Massage / 112
 - Lymphatic Considerations for Standard Care of Injuries / 112
 - Contraindications for Lymphatic Facilitation / 113
 - Body Mechanics and Other Considerations / 113
 - Lymphatic Facilitation Strokes for Use With Traumatic Edema / 114
 - Three General Stages of Lymphatic Facilitation Sequences / 119
 - Treatment Sequences for Traumatic Edema / 124
 - Lymphatic Facilitation for Recovery from Exercise / 124

- 8 Neuromuscular Techniques / 130**
 - What Is Neuromuscular Release? / 130
 - Indications and Contraindications for Neuromuscular Release / 131
 - Proprioceptive Techniques / 131
 - Trigger Point Techniques / 135
 - Positional Release Techniques / 139
 - Guidelines for Combining Proprioceptive Techniques / 147
 - Neuromuscular Release for Specific Muscles / 148
- 9 Myofascial Techniques / 153**
 - The Myofascial Techniques / 154
 - Indications and Contraindications / 154
 - Assessing Myofascial Restrictions / 155
 - Site-Specific Myofascial Techniques / 157
 - Broad Plane Myofascial Techniques / 165
- PART IV PROTOCOLS FOR MASSAGE USED IN ATHLETICS / 177**
- 10 Massage for Sports Events / 179**
 - Goals of Event Massage / 179
 - Stroke Combinations and Massage Focus / 181
 - Timing, Pace, and Duration for Event Massage / 182
 - Massage Interviews / 183
 - Post-Event First Aid / 183
 - Examples of Event Massage Sequences / 187
- 11 Maintenance Massage / 208**
 - Goals and Benefits of Maintenance Massage / 209
 - Guidelines for Maintenance Massage / 209
 - Maintenance Massage for the Lower Body / 210
 - Maintenance Massage for the Upper Body / 217
- 12 Evaluation: Identifying Problems and Assessing Needs / 225**
 - The Purpose of Evaluation / 225
 - The Evaluation Process / 227
- 13 Treatment Massage / 243**
 - Treatment Massage Goals and Plans / 244
 - Acute Sprains and Strains / 245
 - Chronic Sprains and Strains / 246
 - Hematomas and Acute Bursitis / 249
 - Neurovascular Compression or Tension Syndromes / 252
 - Miscellaneous: Stitches and Cricks / 255
 - Treatment and Rehabilitation: Two Different Processes / 256
- 14 Common Therapeutic Modalities in Sports Health Care / 261**
 - Hydrotherapy / 261
 - Compression Pumps and Short-Stretch Wraps / 264
- Appendix A: Massage Categories and Common Brand Names / 268**
- Appendix B: Muscle Focus for Massage by Sport / 269**
- Appendix C: A Quick Reference for Distinguishing Sign and Symptoms by Body Region / 272**
- Appendix D: Selected Special Tests / 282**
- Appendix E: Answers to Chapter Review Questions / 291**
- Glossary / 296**
- Index / 301**
