

LWW Massage Therapy & Bodywork Educational Series

Aromatherapy for Massage Practitioners

Ingrid Martin

Lippincott Williams & Wilkins
a Wolters Kluwer business

Contents

Chapter 1: An Introduction to Aromatherapy 1

Part I: The Essential Oils 9

Chapter 2: Extracting Essential Oils
From Plants 9

Chapter 3: Buying and Storing Essential Oils 18

Chapter 4: The Effects of Essential Oils on the
Body 26

Chapter 5: Essential Oil Chemistry 33

Chapter 6: Essential Oil Profiles 46

Part II: Practical Matters: How to Use Essential Oils 135

Chapter 7: Applications Suitable for the Massage
Room 135

Chapter 8: Measurements and Dilutions 143

Chapter 9: Carriers 149

Chapter 10: Essential Oil Safety 159

Chapter 11: Blending 169

Part III: The Aromatherapy Massage 175

Chapter 12: Supplies and Equipment for
Aromatherapy Massage 175

Chapter 13: The Aromatherapy Consultation and
Treatment 181

Chapter 14: Sending Aromatherapy Home With the
Client 191

Part IV: Client Issues 197

Chapter 15: Stress 197

Chapter 16: The Musculoskeletal System 206

Chapter 17: The Cardiovascular System 217

Chapter 18: The Lymphatic System 225

Chapter 19: The Nervous System 230

Chapter 20: The Immune System 240

Chapter 21: The Integumentary System 249

Chapter 22: The Female Reproductive System 256

Chapter 23: The Respiratory System 264

Chapter 24: The Digestive System 272

Part V: Special Considerations 279

Chapter 25: Elderly Care 279

Chapter 26: End-of-Life Care 286

Answers to Review Questions 291

Appendix A: Therapeutic Guide to Ailments and
Essential Oils 297

Appendix B: Suppliers 301

Appendix C: Training Courses in
Aromatherapy 303

Appendix D: Research Resources 304

Glossary 305

Index 310

Expanded Contents

Chapter 1: An Introduction to Aromatherapy 1

Defining Aromatherapy 2

Herbalism and Aromatherapy 2

Healing Effects 2

Different Forms of Aromatherapy 3

Holistic Aromatherapy 3

Medical Aromatherapy 3

Clinical Aromatherapy 4

Merging Traditions 4

Historical Perspectives 4

Combining Massage and Aromatherapy 5

The Scope of Practice 6

Part I: The Essential Oils 9

Chapter 2: Extracting Essential Oils from Plants 9

The Function of Essential Oils in Aromatic Plants 10

Growing and Harvesting 10

Methods of Extraction 11

Distillation 11

Solvent Extraction 12

Carbon Dioxide Extraction 13

Cold Expression 13

Enfleurage 14

Maceration 14

Hydrosols 15

Chapter 3: Buying and Storing Essential Oils 18

Guidelines for Smart Purchasing 19

Finding a Reputable Supplier 19

Checking the Basic Information 20

Learning the Vocabulary 21

Questioning Your Supplier 22

Using Your Senses 23

Guidelines for Storage 23

Why Essential Oils Deteriorate 23

Keeping Your Essential Oils Fresh 24

Chapter 4: The Effects of Essential Oils on the Body 26

Inhalation: Smell and the Olfactory System 27

Olfactory Pathways 27

The Effects of Smell on the Brain 27

The Effects of Smell on Hormones 28

Olfaction and Emotion 28

The Absorption of Essential Oils Through the Skin 29

Factors That Affect Absorption 29

Chapter 5: Essential Oil Chemistry 33

Understanding Chemical Compounds 34

The Production and Composition of Chemical Compounds in Plants 34

Carbon Compounds 34

Chemical Groups in Essential Oils 35

Hydrocarbons 36

Alcohols 37

Phenols 38

Aldehydes 38

Ketones 39

Esters 39

Lactones 40

Ethers 40

Oxides 40

Chapter 6: Essential Oil Profiles 46

Part II: Practical Matters: How to Use Essential Oils 135

Chapter 7: Applications Suitable for the Massage Room 135

Topical Application 136

Relaxation Massage 136

Treatment Massage 136

Sports Massage 137

Manual Lymphatic Drainage 137

<i>Polarity and Energy Work</i>	137
<i>Hot Stone Massage</i>	137
<i>Acupressure and Reflexology</i>	138
<i>Facial Massage</i>	138
Preblended or Custom Formulas	138
Other Methods of Use	138
<i>Compresses</i>	138
<i>Foot Baths and Hand Baths</i>	139
<i>Diffusers</i>	140
<i>Spritzers</i>	141

<i>Stress Levels and Emotional Issues</i>	182
<i>Scent Preferences</i>	183
Taking a Case History	183
Selecting Essential Oils for Treatment	183
<i>Guidelines for Selection</i>	183

The Treatment 188

Selecting a Treatment Method 188

Time Management 188

Charging for Aromatherapy 189

Chapter 14: Sending Aromatherapy Home With the Client 191

Giving Remedies to the Client 192

Applications for Home Use 192

Instructions for Clients 193

Part IV: Client Issues 197

Chapter 15: Stress 197

What Is Stress? 198

The Effects of Stress 198

Alarm: The Short-Term Effects 198

Adaptation and Exhaustion: The Long-Term Effects 199

Managing Stress 199

Alleviating the Symptoms 199

Case Study 15.1: Adrenal Burnout 200

Reducing Stress Levels 200

Strengthening the Nervous and Immune Systems 201

Specific Problems Related to Stress 201

Insomnia 201

Chronic Pain 202

Emotional Issues 202

Case Study 15.2: Panic Attacks 203

Unhealthy Coping Behaviors 203

Chapter 16: The Musculoskeletal System 206

An Overview of the Musculoskeletal System 207

Risk Factors 207

How Aromatherapy Affects the Musculoskeletal System 207

Common Problems of the Musculoskeletal System 207

LEVELS OF INFLAMMATION 208

SUDDEN INJURIES 208

Post-Exercise Muscle Soreness 209

Strains, Sprains, and Dislocations 209

Case Study 16.1: Achilles Tendon Rupture 210

Fractures 210

Prolapsed or Herniated Disc 210

OVERUSE INJURIES 211

Friction and Chronic Inflammation 211

Low-Back Pain 211

HYPERTONIC MUSCLES 211

Tension Headaches 212

Temporomandibular Joint Dysfunction 212

ARTHRITIS 212

Rheumatoid Arthritis 212

Case Study 16.2: Rheumatoid Arthritis 213

Osteoarthritis 213

Gout 213

Scleroderma 214

OTHER MUSCULOSKELETAL PROBLEMS 214

Fibromyalgia 214

Cramps and Spasms 215

Chapter 17: The Cardiovascular System 217

An Overview of the Cardiovascular System 218

Risk Factors 218

How Aromatherapy Affects the Cardiovascular System 219

Common Problems of the Cardiovascular System 219

Hypertension 219

Angina Pectoris 220

Arrhythmia and Tachycardia 220

Impaired Circulation 220

Case Study 17.1: Impaired Circulation 221

Arteriosclerosis 221

Varicose Veins 221

Case Study 17.2: Varicose Veins 222

Bruising 222

Chapter 18: The Lymphatic System 225

An Overview of the Lymphatic System 226

Risk Factors 227

How Aromatherapy Affects the Lymphatic System 227

Common Problems of the Lymphatic System 227

Edema 227

Case Study 18.1: Edema 228

Cellulite 228

Chapter 19: The Nervous System 230

An Overview of the Nervous System 231

Risk Factors 231

How Aromatherapy Affects the Nervous System 232

Common Problems of the Nervous System 233

Nerve Pain 233

Shingles 234

Case Study 19.1: Shingles 234
Paralysis 234
Case Study 19.2: Bell's Palsy 235
Migraine Headache 235
Epilepsy 236
Parkinson's Disease 236
Alzheimer's Disease 236
Multiple Sclerosis 237

Chapter 20: The Immune System 240

An Overview of the Immune System 241
Risk Factors 241
How Aromatherapy Affects the Immune System 242
Common Problems of the Immune System 243
Depressed Immunity 243
Case Study 20.1: Depressed Immunity 244
Autoimmune Diseases 244
Chronic Fatigue Syndrome 245
Allergies 245
Candidiasis 246
Viral Infections 246

Chapter 21: The Integumentary System 249

An Overview of the Integumentary System 250
Risk Factors 250
How Aromatherapy Affects the Integumentary System 250
Common Problems of the Integumentary System 251
Scars 252
Burns 252
Case Study 21.1: Mature Scar Tissue 253
Dermatitis/Eczema 253
Psoriasis 253
Case Study 21.2: Psoriasis 254

Chapter 22: The Female Reproductive System 256

An Overview of the Female Reproductive System 257
Risk Factors 258
How Aromatherapy Affects the Female Reproductive System 258
Common Problems of the Female Reproductive System 259
Dysmenorrhea 259
Premenstrual Syndrome 259

Issues During Pregnancy 259
Case Study 22.1: PMS 260
Issues During Menopause 261

Chapter 23: The Respiratory System 264

An Overview of the Respiratory System 265
Risk Factors 265
How Aromatherapy Affects the Respiratory System 265
Common Problems of the Respiratory System 267
Sinusitis 267
Respiratory Allergies (Hay Fever) 267
Case Study 23.1: Hay Fever 268
Asthma 268
Case Study 23.2: Asthma 269
Chronic Obstructive Pulmonary Disease 269
Cystic Fibrosis 270

Chapter 24: The Digestive System 272

An Overview of the Digestive System 273
Risk Factors 274
How Aromatherapy Affects the Digestive System 274
Common Problems of the Digestive System 274
Irritable Bowel Syndrome 274
Case Study 24.1: Irritable Bowel Syndrome 275
Inflammatory Bowel Disease 276
Constipation 276

Part V: Special Considerations 279

Chapter 25: Elderly Care 279

The Effects of Aging 280
Premature Aging 280
How Aromatherapy Affects Older Adults 281
Common Problems of Aging 281
Injury and Slow Healing 281
Urinary Tract Infections 282
Diabetes 282
Digestive Disorders 283
Case Study 25.1: Constipation 283
Case Study 25.2: Fatigue 283
Fatigue 284

Chapter 26: End-of-Life Care 286

Aromatherapy in End-of-Life Care 287
Pressure Sores 287
Nausea and Loss of Appetite 288

xvi Expanded Contents

Case Study 26.1: Nausea 288

Unpleasant Odors 288

Skin Problems 288

Emotional Issues 289

Case Study 26.2: Depression 289
