## SECTION I

Understanding Substance Abuse 1

### CHAPTER 1 *Etiology: A Better Understanding of Models of Drug Dependence and Addiction 2*

#### Chapter in Brief 2

#### Why Do People Abuse Alcohol/Drugs? 3

*Our Innate Drive to Alter Consciousness 3*

*Drug Use as a Passive Activity 4*

#### Models of Alcohol/Drug Dependence and Addiction 4

*Disease Model of Alcoholism 5*

*Genetic Model of Alcoholism 5*

*Adoption Studies 5*

*Twin Studies 6*

*Personality and Substance Abuse 6*

*Addictive Personality 6*

*Self-Medication Motive for Drug Use 7*

*Personality Traits 7*

*Personality Disorders 8*

*Risk-Taking Behavior—Impulsivity/Disinhibition 8*

*Mood and Affect (Feeling) Disorders 9*

*Feelings of Hopelessness 9*

*Some Feelings That Contribute to Drug Abuse 9*

*Pessimism 11*

*Poor Future Orientation 13*

*Tension-Reduction Models 14*

*Conditioning and Substance Abuse 18*

*Attention Deficit Hyperactivity Disorder (ADHD) 20*

*Psychoanalytic Models 21*

*Psychoanalytic Meaning 21*

*Alcohol/Drugs as Power 21*

*Alcohol/Drugs as Self-Destruction 22*

*Alcohol/Drugs in Seduction and Sexuality 22*

*Family Model 24*

*Family 25*

*Self-Concept 25*

*Adolescence 26*

*Psychosocial Models—Social Learning Theory 26*

*Sociocultural Models 28*

#### References 28

### CHAPTER 2 *Alcohol/Drugs in Our American Society—Major Problems and Perspectives 31*

#### Chapter in Review 31

#### Major Problems 31

*Alcohol Abuse and Alcoholism 31*

*Binge Drinking on College Campuses 32*

*Alcohol and Violence 34*

*Intimate Partner Violence 34*

*Alcohol—Drinking and Driving 35*

*Tobacco—The Most Deadly Drug 36*

#### Risk Factors for Problems with Alcohol/Drugs 39

*Denial of Family Problems—Parental Alcoholism and Addiction 39*

*Academic Failure—a Risk Factor 39*

#### Systemic Problems 40

*Emphasis on the Supply Side and Neglect of the Demand Side of the Drug Problem in the United States 40*

- Neglect of the Alcohol/Drug Treatment Needs of People of Color* 41
- Academic Failure and the Failure of the U.S. Educational System to Motivate and Educate Young People to Strive for Productive Lives* 43
- Socioeconomic Inequities That Undermine the American Dream* 44
- The Major Perspectives on Alcohol/Drug Use** 44
- The Moral-Legal Perspective* 44
- The Medical-Health Perspective* 45
- The Psychosocial Perspective* 45
- The Social-Cultural Perspective* 45
- The Fifth Perspective—Your Perspective* 46
- Personal Perspective* 46
- A Perspective of Hope* 47
- References** 48
- CHAPTER 3 Drug-Specific Information—Drugs on the Street Where You Live** 49
- Chapter in Review** 49
- Drugs in Our Society** 50
- Drug Update—In the New Millennium** 51
- MDMA (Ecstasy)* 51
- OxyContin Abuse: A Prescription Addiction* 53
- Rohypnol* 53
- Nicotine—Cigar Use* 54
- Crystal Methamphetamine* 54
- LSD* 55
- Heroin* 56
- Marijuana* 57
- Inhalants* 57
- Definitions of Terms** 57
- Physical Dependence* 57
- Withdrawal* 57
- Psychological Dependence (Formerly Habituation)* 57
- Routes of Administration* 57
- Set and Setting* 58
- Tolerance* 58
- Cross-Tolerance* 58
- Synergism* 59
- Antagonism* 59
- Definition of Addiction** 59
- Classification of Drugs** 60
- Narcotic Analgesics** 60
- Definition* 60
- Heroin* 61
- Brief History of Narcotic Analgesics* 61
- Routes of Administration* 62
- Major Effects* 62
- Hazards* 63
- Tolerance* 63
- Withdrawal* 63
- Opiates and Pregnancy* 64
- Central Nervous System Depressants** 64
- Alcohol* 64
- Barbiturates* 69
- Tranquilizers* 73
- Central Nervous System Stimulants** 76
- Amphetamines* 76
- Cocaine* 78
- Tobacco* 82
- Hallucinogens** 83
- Definition* 83
- LSD* 84
- Brief History of LSD and Other Hallucinogens** 85
- Estimates of Use* 86
- Routes of Administration* 86
- Major Effects* 86
- Adverse Effects* 86
- Tolerance and Dependence* 87
- Cannabis Sativa** 87
- Street Names* 88
- Brief History of Marijuana* 88
- Estimates of Use* 89
- Medical Uses* 89
- Routes of Administration* 89
- Major Effects* 89
- Increased Potency of Marijuana* 90
- Adverse Effects* 91
- Damage to the Respiratory System* 91
- Immune System Effects* 91

*Reproductive System Effects* 92  
*Brain System Effects* 92  
*Impairment of Maturation Process* 92  
*Marijuana and Driving* 92

### **Inhalants 93**

*Brief History* 93  
*Route of Administration* 93  
*Available Forms of Inhalants* 94  
*Major Effects* 94  
*Tolerance and Dependence* 95  
*Acute Adverse Effects* 95  
*Long-Term Effects* 95

### **Phencyclidine 96**

*Street Names for PCP* 96  
*Estimates of Use* 96  
*Routes of Administration* 96  
*Major Effects* 96  
*Adverse Effects* 97  
*Accidents* 97  
*Violence* 97  
*Tolerance and Dependence* 98

### **Athletes and Drugs 98**

*Caffeine* 98  
*Chewing Tobacco* 99  
*Amphetamines* 100  
**Steroids 101**  
*Brief History* 101  
*Terminology* 101  
*Major Effects* 102  
*Adverse Effects* 102  
*Other Drugs/Alcohol in Sports* 103

### **References 103**

## **CHAPTER 4 *Screening and Assessment of Alcohol/Drug Problems* 105**

### **Chapter in Review 105**

### **Definition of Addiction 105**

### **Stages of Alcohol and Drug Use 107**

*Nonuse of Alcohol/Drugs by Children* 107  
*Nonuse of Alcohol/Drugs by Adolescents* 107  
*Initial Contact with Alcohol/Drugs* 108

***Alcohol/Drug Use—A Progressive Disease* 108**  
*Experimentation* 109  
*Integrated Use* 110  
*Excessive Use* 111  
*Addiction* 111

### **Jellinek's Types of Alcoholics 112**

### **Diagnostic Categories 114**

*Substance Abuse* 115  
*Substance Dependence* 116  
*Substance Withdrawal* 116  
*Substance Intoxication* 117

### **Vulnerability to Relapse 117**

### **The Family and Recovery 117**

*Alcohol/Drug History* 117  
*Individual Vulnerability to Alcohol/Drugs* 119

### **Consequences of Alcohol/Drug Use 119**

### **Denial—Problems in Accurate Assessment 121**

### **Identification of Adolescent Alcohol/Drug Problems 121**

### **Alcohol/Drugs and Suicide 123**

### **Alcohol/Drug Screening Inventories 127**

*Michigan Alcohol Screening Test (MAST) and Drug Use Screening Inventory (DUSI)* 127  
*Marijuana and Cocaine Screening Questionnaires* 128

### **Assessment 128**

*Adult Substance Use Survey (ASUS)* 128

### **References 129**

## **SECTION II Family 149**

## **CHAPTER 5 *Substance Abuse and Family Systems* 150**

### **Chapter in Review 150**

### **Families as Systems 150**

### **Family Rules 152**

### **Imbalance vs. Dysfunctional 152**

*Rigid Family Systems* 153  
*Ambiguous Family Systems* 153

- Overextended Family Systems* 153  
*Distorted Family Systems* 154
- Satir's Family Patterns of Communication** 154
- Family System Roles** 155  
*Wegscheider-Cruse's Alcoholic/Addict Family System Survival Roles* 155  
*Family Roles Played Out at the Dinner Table* 158  
*Five Styles of Managing Anxiety* 158  
*Enabling Behavior* 158
- Stages in Family Recovery from Substance-Abuse Problems** 162  
*Denial* 162  
*Anger* 163  
*Bargaining* 164  
*Feeling* 166  
*Acceptance* 166
- References** 167
- CHAPTER 6 Parenting—Impact on Alcohol/Drug Use and Abuse** 168
- Chapter in Review** 168
- Parent-Child Bonding** 169  
*Abandonment Depression* 171  
*Impact of Early Abandonment on Adult Interpersonal Relationships* 172
- Child's Temperament** 173
- Parenting Styles and the Quality of the Parent-Child Relationship** 174  
*Parenting Styles that Shame Children* 175  
*Parents' Shame* 177  
*Shame and Feelings* 178  
*Adolescent Sexual Identity and Shame* 178  
*Sexual Violation and Shame* 179  
*Drugs, Sex, and Shame* 179
- Additional Characteristics of Shame and Abandonment** 179  
*Rejection Sensitivity* 179  
*Fear and Difficulty Making Decisions* 180
- Poor Frustration Tolerance* 180  
*Other Reactions and Defenses* 180
- Parental Imbalance and Boundary Setting** 180  
*Boundary Inadequacy* 182  
*Boundary Ambiguity* 182  
*Triangulation—Another Boundary Issue* 183
- Parents' Use/Abuse of Alcohol and Drugs** 183
- Other Family System Variables** 183
- Imbalanced Life Cycles of Families** 186  
*Relationships Between Families and the Joining of Families* 187  
*Family and the Young Child* 187  
*Family and the Adolescent* 187  
*Launching of Children* 188  
*Later Life* 188
- Fathers of Alcoholics/Addicts—Dealing with Resistance** 189
- Noble Ascriptions to Counteract Defensiveness** 189
- References** 190
- CHAPTER 7 Growing Up in an Alcoholic Family System** 192
- Chapter in Review** 192
- The Adult Children of Alcoholics Movement** 192
- Characteristics of Adult Children of Alcoholics** 194
- Growing Up in an Alcoholic Home as Post-Traumatic Stress Disorder** 194
- Childhood in an Alcoholic Home** 197
- Identification of Children of Alcoholic Families** 198
- Denial of Feelings in an Alcoholic Family** 199
- Perspective of the Child in an Alcoholic Family** 200

### **SECTION III** Prevention, Intervention, and Treatment 219

#### **CHAPTER 8** *Prevention of Substance-Abuse Problems* 220

##### **Chapter in Review** 220

##### **Early Prevention Approaches** 221

##### **Alternative Activities as a Prevention Approach** 222

- Alternatives Are Actively Pursued by the Individual* 223
- Alternatives Are Acceptable, Attractive, and Attainable* 223
- Alternatives Use Mentors and Role Models* 224
- Alternatives Integrate Self-Concepts* 224

##### **Prevention Approaches of the 1980s** 224

##### **School-Based Prevention Curricula—Examples** 228

- Here's Looking at You—Kindergarten Through Senior High School* 228
- Counseling Leadership Against Smoking Pressure (CLASP)* 229
- Cognitive-Behavioral Skills Training* 229
- Cognitive Interpersonal Skills Training* 229
- Life Skills Training* 229
- Law-Related Education* 230
- Skills for Adolescence* 230
- Skills for Living* 230
- Prevention Skills in Decision Making* 230
- Empowerment* 231
- Goal Setting* 231
- Capability Development* 231

##### **The 10 Cs of Capability** 232

##### **Key Components of a Prevention Program** 232

- Address Community Needs* 232
- Include Youth in Prevention Planning* 232
- Develop a Long-Term Perspective* 232

##### **Social Stress Model** 233

- Abuse Track* 234
- Coping Track* 234

##### **Programs Aimed at At-Risk Youth** 235

##### **Risk Factors for Substance Abuse** 236

##### **Resiliency** 237

##### **Emotional Intelligence** 240

##### **Domains of Prevention** 240

##### **Prevention Programs and Prevention Emphasis in the New Millennium** 240

- Developmental Assets Model* 240
- School-Based Programs* 241
  - The Personal Growth Class* 241
  - Jump Start* 243
  - Iowa Strengthening Families Program (ISFP)* 243
  - Comprehensive Community Prevention Programs* 244

**Resolving Conflict Creatively Program  
(RCCP) 244**

**Community Partnership Program  
(1990–96) 245**

**Healthy People 2010 245**

**High-Risk Youth and CSAPs 245**

**Prevention and Special Populations 246**

*People of Color and Other Minorities 246*

*Older Adults 246*

*Young Older-Adults, Older Adults 247*

*College Students 248*

*Prevention and the Family 248*

**References 248**

**CHAPTER 9 *Motivation and Intervention for  
Substance-Abuse Problems 250***

**Chapter in Review 250**

**Motivational Interviewing 250**

*Client-Centered Motivational Interviewing 252*

*Effective Motivational Strategies 252*

*Active Ingredients of Effective Brief  
Counseling 257*

**Change 258**

**Intervention 259**

*Interventions at Various Stages of the  
Alcohol/Drug Use Continuum 260*

*Stage 1—Nonuse Interventions 261*

*Stage 2—Initial Contact Interventions 261*

*Stage 3—Experimentation Interventions 262*

*Stage 4—Interventions at the Integrated  
Stage 262*

*Stages 5 and 6—Interventions at the Excessive  
Use and Addiction Stages 262*

*Obstacles to Interventions 264*

*The Olympic Story 264*

*Intervention Services 267*

*Intervention Approaches 267*

*Professional Intervention Assistance 267*

*Intervention as a Caring Response 268*

*Goals of Intervention 268*

*Family Interventions 268*

*Candidates for Intervention 268*

*Stages of Formal Intervention 269*

*Assessment 269*

*Preintervention 270*

*Intervention 273*

*Postintervention 277*

**References 277**

**CHAPTER 10 *Disorders Co-occurring  
with Substance Abuse 278***

**Chapter in Review 278**

**Definition of a Co-occurring Disorder 278**

**Affective (Feeling) Disorders and  
Substance-Use Disorders 279**

*The Difference Between a Depressive Mood and a  
Depressive Disorder 279*

*Denial and Depression 280*

*Categories of Mood Disorders 281*

*Major Depression 282*

*Dysthymic Disorder 284*

*Atypical Depression 285*

*Organic Depression 286*

*Bipolar Disorder 288*

*Mood-Cycling Disorder 290*

**Personality Disorders and Substance-Use  
Disorders 291**

*Personality Traits vs. Personality Disorder 291*

*Personality Disorder vs. Chemical Dependency  
Disorder 292*

*Antisocial Personality Disorder 293*

*Antisocial Personality Disorder and Chemical  
Dependency 293*

*Childhood Precursors of Antisocial Personality  
Disorder 294*

*Denial, Alcohol/Drugs, and Antisocial Personality  
Disorder 294*
