Preface  xix

PART 1:  ANTICIPATING CHANGE    1

CHAPTER 1  Organization Development and Reinventing the Organization    1

The Challenge for Organizations    2

What Is Organization Development?    3

The Characteristics of Organization Development    4

Why Organization Development?    6

The Emergence of OD    7

The Only Constant Is Change    7

The Organization of the Future    7

The Evolution of Organization Development    9

NTL Laboratory-Training Methods    9

Survey Research and Feedback    10

The Extent of OD Applications    10

Who Does Organization Development?    10

The Organization Culture    11

The Socialization Process    12

New Employee Expectations    12

Encounter Organization’s Culture    13

Adjustment to Cultural Norms    13

Results    13

Psychological Contracts    14

A Model for Organizational Development    14

Stage One: Anticipate a Need for Change    15

Stage Two: Develop the Practitioner-Client Relationship    15

Stage Three: The Diagnostic Phase    16

Stage Four: Action Plans, Strategies, and Techniques    16

Stage Five: Self-Renewal, Monitor, and Stabilize    16

Continuous Improvement    17

Summary    17
Understanding Corporate Culture 68
  What Is Corporate Culture? 69
  The Corporate Culture and Success 71
  The Impact of Key Factors 72
Cultural Resistance to Change 73
Tools for Change 74
  Information 74
  Support 75
  Resources 75
The Goals and Values of OD 76
  OD Professional Values and Ethics 77
  OD Implementation Issues 77
  Compatibility of Values 78
  Imposed Change 78
  Determining the Priority of the Goals 79
Summary 79
Review Questions 80
Key Words and Concepts 80
OD Skills Simulation 3.1 81
  Downsizing: A Consensus-Seeking Activity
Case: The Dim Lighting Co. 89
Chapter 3 Endnotes 92

PART 2: UNDERSTANDING THE OD PROCESS 95

CHAPTER 4  Role and Style of the OD Practitioner 95
Haphazard versus Planned Change 96
External and Internal Practitioners 97
  The External Practitioner 97
  The Internal Practitioner 98
  The External/Internal Practitioner Team 99
OD Practitioner Styles 100
  The Stabilizer Style 100
  The Cheerleader Style 100
  The Analyzer Style 101
  The Persuader Style 101
  The Pathfinder Style 101
The Intervention Process 103
  The Readiness of the Organization for OD 103
  The Intervention 103
  Who Is the Client? 104
  The OD Practitioner Role in the Intervention 104
  OD Practitioner Skills and Activities 105
Forming the Practitioner-Client Relationship 106
  Initial Perceptions 107
CHAPTER 5 The Diagnostic Process

Diagnosing Problem Areas

What Is Diagnosis?

The Process

The Performance Gap

The Data Collection Process

The Definition of Objectives

The Selection of Key Factors

The Selection of a Data-Gathering Method

The Implementation of Data Collection

The Analysis of Data

Evaluating the Effectiveness of Data Collection

Diagnostic Models

The Analytical Model

The Emergent-Group Behavior Model

The Management Practitioner Model

The Sociotechnical Systems Model

Cause Maps and Social Network Analysis Model

The Force-Field Analysis Model

Red Flags in the Diagnosis

Confidentiality

The Over-Diagnosis

The Crisis Diagnosis

The Threatening and Overwhelming Diagnosis

The Practitioner’s Favorite Diagnosis

The Diagnosis of Symptoms
CHAPTER 6  Overcoming Resistance to Change  155

Change and Reinvent  156

The Life Cycle of Resistance to Change  157

Phase 1  157
Phase 2  157
Phase 3  157
Phase 4  157
Phase 5  157

Leading Change  159

Advocates of Change  159
Degree of Change  159
Time Frame  159
Impact on Culture  160
Evaluation of Change  160

A Change Model  160

Driving Forces toward Acceptance of a Change Program  161

Dissatisfaction with the Present Situation  161
External Pressures toward Change  161
Momentum toward Change  163
Motivation by Management  163

Restraining Forces Blocking Implementation of Change Programs  163

Uncertainty Regarding Change: "The Comfort Zone"  163
Fear of the Unknown  164
Disruption of Routine  164
Loss of Existing Benefits: "What's in It for Me?"  164
Threat to Security  164
Threat to Position Power  164
Redistribution of Power  165
Disturb Existing Social Networks  165
Conformity to Norms and Culture  165
Driving Forces and Restraining Forces Act in Tandem  165

Strategies to Lessen Resistance  165

Education and Communication  166
Create a Vision  167
Participation of Members in the Change Program  168
Facilitation and Support  168
Negotiation, Agreement, and Politics  168
Leadership 169
Reward Systems 169
Explicit and Implicit Coercion 170
Climate Conducive to Communications 170
Power Strategies 170
Summary 170
Review Questions 171
Key Words and Concepts 171
OD Skills Simulation 6.1 Downsizing in the Enigma Company 172
OD Skills Simulation 6.2 Driving and Restraining Forces 177
OD Skills Simulation 6.3 Strategies for Change 179
Case: The Hexadecimal Company 180
Chapter 6 Endnotes 183

PART 3: DEVELOPING EXCELLENCE IN INDIVIDUALS 185

CHAPTER 7 Process Intervention Skills 185
A New Paradigm 186
Process Interventions 187
Group Process 187
Communications 188
Member Roles and Functions 188
Problem-Solving and Decision-Making 189
Group Norms and Growth 189
Leadership and Authority 190
Types of Process Interventions 191
Clarifying and Summarizing 191
Synthesizing and Generalizing 191
Probing and Questioning 192
Listening 192
Reflecting Feelings 192
Providing Support, Coaching, and Counseling 192
Modeling 192
Setting the Agenda 192
Feeding Back Observations 193
Structural Suggestions 193
Results of Process Interventions 194
Summary 194
Review Questions 195
Key Words and Concepts 195
OD Skills Simulation 7.1 Apex Oil Spill 196
OD Skills Simulation 7.2 Trust Building 203
OD Skills Simulation 7.3 Process Interventions 208
Case: The OD Letters 210
Chapter 7 Endnotes 213
CHAPTER 8  OD Intervention Strategies  214
Organizational Change  215
Basic Strategies to Change  215
The Integration of Change Strategies  219
Stream Analysis  221
Selecting an OD Intervention  223
The Major OD Intervention Techniques: An Overview  225
Summary  226
Review Questions  227
Key Words and Concepts  227
OD Skills Simulation 8.1  The Franklin Company  228
Case: The Farm Bank  235
Chapter 8 Endnotes  238

CHAPTER 9  Employee Empowerment and Interpersonal Interventions  240
Empowering the Individual  241
Employee Empowerment  241
Laboratory Learning  242
  The Objectives of Laboratory Learning  243
  The Use of Laboratory Learning in OD Programs  243
  Results of Laboratory Learning  243
Interpersonal Style: The Johari Window Model  244
  The Public Area  244
  The Blind Area  244
  The Closed Area  245
  The Unknown Area  245
Transactional Analysis  246
  Structural Analysis  246
  Transactional Theory  247
  Psychological Positions and Scripts  249
  Authentic Communication and Relationships  249
Career Life Planning Interventions  250
  Steps in a Typical Career Life Planning Program  250
  The Results of Career Life Planning  251
Stress Management and Burnout  251
  Major Sources of Stress  252
  Job Burnout  254
  Stress Management Interventions and Coping with Stress  254
  Wellness Programs  254
  Relaxation Techniques  256
  Career Life Planning  257
  Stress Management Training  257
  Seminars on Job Burnout  257
  Results of Stress Management Interventions  257
PART 4: DEVELOPING HIGH PERFORMANCE IN TEAMS 281

CHAPTER 10 Team Development Interventions 281
Organizing around Teams 281
The Team Approach 282
The Need for Team Development 284
   Categories of Team Interaction 285
   Operating Problems of Work Teams 286
Cohesiveness and Groupthink 288
The Purpose of Team Development 289
The Team Development Process 290
   Step 1: Initiating the Team Development Meeting 291
   Step 2: Setting Objectives 291
   Step 3: Collecting Data 291
   Step 4: Planning the Meeting 291
   Step 5: Conducting the Meeting 291
   Step 6: Evaluating the Team Development Process 292
Results of Team Development Meetings 292
Outdoor Experiential Laboratory Training 294
   The Outdoor Lab Process 295
   Cautions When Using Outdoor Labs 296
   Results of Outdoor Labs 296
Role Negotiation 297
Role Analysis 297
Summary 298
Review Questions 299
Key Words and Concepts 299
OD Skills Simulation 10.1 Organization Task and Process 300
OD Skills Simulation 10.2A Team Development 306
OD Skills Simulation 10.2B Role Analysis Team Development 309
Case: Steele Enterprises 310
Chapter 10 Endnotes 313

CHAPTER 11 Intergroup Development Interventions 315
Changing Relationships 316
Collaboration and Conflict 317
CHAPTER 12  Goal Setting for Effective Organizations  345

Goal Setting Can Drive the Bottom Line  346

Goal-Setting Theory  346

More Difficult Goals Produce Better Performance  347
Specific Hard Goals Are Better Than “Do Your Best” Goals  347
People May Abandon Goals If They Become Too Hard  347
Participation in Setting Goals Increases Commitment and Attainment of Goals  347
Feedback and Goals Improve Performance  347
Individual Differences Tend Not to Affect Goal Setting  347
Goal Setting in Teams Deserves Special Consideration  348
Managerial Support Is Critical  348

A Model for Goal Setting  349
Results of Goal Setting  350

Management by Objectives  350
The Purposes of MBO Programs  351
The MBO Process  351
Criticisms of MBO  353
The Results of MBO  354

Summary  355
Review Questions  355
Key Words and Concepts  355
OD Skills Simulation 12.1 Organization Goal Setting  356
OD Skills Simulation 12.2 Managing by Objectives  362
CHAPTER 13 Work Team Development 368
Continuous Improvement Processes 369
Job Design 370
  Job Enrichment Theory 370
  Job Characteristics Theory 371
  Results of Job Design Programs 373
Total Quality Management (TQM) 374
  The Characteristics of TQM 374
  Quality 375
  Malcolm Baldrige National Quality Award 375
  Compatibility of TQM and OD 377
Self-Managed Work Teams 377
  The Characteristics of Self-Managed Work Teams 378
  The Design of Jobs 379
  New Organizational Structures 380
  Management and Leadership Behavior 381
  The Reward System 382
  Role of Labor Unions 383
  Red Flags 383
  Results of Self-Managed Teams 383
Summary 384
Review Questions 385
Key Words and Concepts 385
OD Skills Simulation 13.1 Paper House Production 386
OD Skills Simulation 13.2 TQM in the University Setting 392
Case: Wengart Aircraft 395
Chapter 13 Endnotes 398

PART 5: DEVELOPING SUCCESS IN ORGANIZATIONS 401
CHAPTER 14 High-Performing Systems and the Learning Organization 401
System-Wide Interventions 402
Survey Research and Feedback 402
  The Steps in Survey Feedback 403
  The Results of Survey Research and Feedback 404
The Learning Organizations 404
  Learning Organizations Are Pragmatic 404
  Core Values 406
  Characteristics of Learning Organizations 406
Reengineering: A Radical Redesign 407
System 4 Management 408
High-Performing Systems (HPS) 410
HPS Criteria 410
HPS Characteristics 410

The Grid OD Program 411

Phase 1: Grid Seminars 411
Phase 2: Teamwork Development 412
Phase 3: Intergroup Development 412
Phase 4: Development of an Ideal Strategic Model 412
Phase 5: Implementing the Ideal Strategic Model 412
Phase 6: Systematic Critique 413

The Results of Grid OD Programs 413

The Third-Wave Organization XXX

Flexibility 413
Creativity 413
Innovation 414

Summary 415

Review Questions 416

Key Words and Concepts 416

OD Skills Simulation 14.1 The Brentwood Division 417
Case: Tucker Knox Corporation 423

Chapter 14 Endnotes 429

CHAPTER 15  Organization Transformation and Strategic Change 431

Strategy and Transformation 432
Organization Transformation 433
Directing Approaches to Change 433
Strategies of Change 434

The Corporate Culture 436
The Strategy–Culture Fit 436
Culture: A Definition 437
Sharing the Vision 438
Strong versus Weak Cultures 439
The Strategy–Culture Matrix 439

Strategic Change Management 443
Changing the Corporate Culture 444

Summary 445

Review Questions 445

Key Words and Concepts 445

OD Skills Simulation 15.1 The Gentech Company 446
Case: The Space Electronics Corporation 445

Chapter 15 Endnotes 457

CHAPTER 16  The Challenge and the Future for Organizations 458

The Organizations of the Future 459
Monitor and Stabilize Action Programs 460
Feedback of Information 461
Stabilization of Change  461
Evaluation of OD Programs  462
Termination of the Practitioner-Client Relationship  462
Developing a Self-Renewal Capacity  463
Termination and Disengagement from the Client System  463
Some Conditions for Success of OD Efforts  464
Emerging Issues and Values  467
OD: Fad or Discipline?  467
The Role of Values  468
Future Trends in Organization Development  469
Macrosystem Trends  470
Interpersonal Trends  470
Individual Trends  471
The Future of OD  471
Summary  473
Review Questions  474
Key Words and Concepts  474
OD Skills Simulation 16.1  OD Practitioner Behavior Profile II  475
OD Skills Simulation 16.2  The OD Practitioner  482
The Bob Knowlton Case  483
Chapter 16 Endnotes  490

Index  493
