**Scientists find new use for stem cell treatment**

*The Nation*

**A SUCCESSFUL CURE** for chronic hoarseness using stem cells is in full swing at Ramathibodi Hospital and will be made public soon, Thailand (NSTC) secretary-general Prof Anont Bunyaratavej said yesterday.

Among said the treatment people with careers that depend on their voices – such as teachers – was a world first.

He said six people suffering from hoarseness were recovered after receiving stem cells over the past year.

**The treatment for people with careers that depend on their voices – such as teachers – was a world first. Six people suffering**
