

FOURTH EDITION

RICHARD A. BATTAGLIA

HANDBOOK OF LIVESTOCK MANAGEMENT

| CONTENTS |

Preface	xiii
Acknowledgments	xiii
About the Author	xiv

Chapter 1 Livestock Restraint Techniques

1.1 Introduction	1
1.2 Types of Restraint	2
1.3 Working with Rope	3
1.4 Cattle Restraint	27
1.5 Swine Restraint	36
1.6 Horse Restraint	41
1.7 Sheep Restraint	50
1.8 Goat Restraint	57

Chapter 2 Beef Cattle Management Techniques

2.1 Introduction	63
2.2 Identification	65
2.3 Orphan Calf Care	71
2.4 Milking	73
2.5 Implanting	73
2.6 Pasture Breeding	76
2.7 Sorting	79
2.8 Castration	81
2.9 Weighing	87
2.10 Weaning	89
2.11 Branding	91
2.12 Clipping	95
2.13 Body Condition Scoring	98
2.14 Beef Quality Assurance	102

Chapter 3 Cattle Management Techniques

3.1 Introduction	109
3.2 Approaching, Catching, and Haltering	110

3.3 Training (Breaking) to Lead	112
3.4 Washing	114
3.5 Moving Cattle	116
3.6 Loading and Transporting	118
3.7 Heat Detection	121
3.8 Artificial Insemination	128
3.9 Estrus Synchronization	133
3.10 Pregnancy Examination	138
3.11 Normal Calving	143
3.12 Abnormal (Assisted) Calving	146
3.13 Neonatal Care	153
3.14 Stomach Tubing	157
3.15 Treatment of Bloat	160
3.16 Dehorning	163
3.17 Bolusing and Drenching	167
3.18 Control of Internal Parasites	169
3.19 Control of External Parasites	173
3.20 Treatment of Ringworm	177
3.21 Treatment of Pinkeye	177
3.22 Hoof Trimming	179
3.23 Control of Foot Rot	186

Chapter 4 Dairy Cattle Management Techniques

4.1 Introduction	189
4.2 Identification	191
4.3 Natural Breeding	195
4.4 Dry Cow Care	197
4.5 Care of the Young Dairy Calf	199
4.6 Clipping	202
4.7 Training to Milk	205
4.8 Milking	207
4.9 Mastitis Treatment	210
4.10 Mastitis Prevention	212
4.11 Downer Cows	214
4.12 Euthanasia	216
4.13 Removal of Supernumerary Teats	218

4.14 Weaning and Training to Drink and Eat220

4.15 Body Condition Scoring of Dairy Cows222

Chapter 5 Swine Management Techniques

5.1 Characteristics of Swine229

5.2 Housing of Swine230

5.3 Heat Detection: Test Mating231

5.4 Diagnosis of Pregnancy234

5.5 Farrowing235

5.6 Navel Cord Care240

5.7 Clipping Needle Teeth241

5.8 Tail Docking243

5.9 Iron Injections244

5.10 Ear Notching246

5.11 Ear Tagging249

5.12 Branding250

5.13 Tattooing251

5.14 Castration253

5.15 Washing Swine and Equipment256

5.16 Ringing258

5.17 Removal of Tusks from Boars259

5.18 Cooling Swine261

5.19 Internal and External Parasite Control264

5.20 Training, Grooming, and Exhibiting Swine267

5.21 Weighing Pigs270

5.22 Moving or Transporting Pigs on the Farm272

5.23 Transporting Pigs off the Farm275

5.24 Backfat and Loin Muscle Determinations277

5.25 Artificial Insemination in Swine280

5.26 Assuring Quality Pork282

Chapter 6 Horse Management Techniques

6.1 Introduction285

6.2 Approaching, Catching, and Haltering287

6.3 Leading290

6.4 Tying291

6.5 Grooming295

6.6 Picking Up and Cleaning Feet299

6.7 Thinning and Shortening Manes and Tails302

6.8 Clipping306

6.9 Bathing313

6.10 Sheath and Genital Cleaning314

6.11 Wrapping the Tail315

6.12 Wrapping Legs317

6.13 Trimming Hooves319

6.14 Shoe Removal323

6.15 Emergency Shoe Replacement325

6.16 Aging Horses by Their Teeth329

6.17 Tooth Care330

6.18 Measuring Height338

6.19 Identification339

6.20 Taking the Horse's Temperature, Pulse, and Respiration342

6.21 Passing the Stomach Tube344

6.22 Saddling346

6.23 Bridling348

6.24 Cleaning and Preservation of Leather351

6.25 Loading353

6.26 Trailering (Hauling) Horses357

6.27 Breeding Horses359

6.28 Foaling363

6.29 Resuscitating the Asphyxiated Foal370

6.30 Care of the Newborn Foal371

6.31 Castration377

6.32 Parasite Control Program377

6.33 Fly Control380

6.34 Body Condition Scoring381

Chapter 7 Sheep Management Techniques

7.1 Introduction385

7.2 Breeding388

7.3 Diagnosis of Pregnancy390

7.4 Lambing393

7.5 Neonatal Care395

7.6 Docking397

7.7 Castration401

7.8 Identification404

7.9 Fostering Lambs409

7.10 Weaning and Mastitis Control410

7.11 Artificial Rearing412

7.12 Worming to Control Internal Parasites414

7.13	Control of External Parasites	417
7.14	Foot Trimming	418
7.15	Treatment of Foot Rot	420
7.16	Treatment of Bloat	422
7.17	Age Determination	423
7.18	Preparing for Sale or Exhibition	425
7.19	Catching, Handling, Moving, and Weighing	427
7.20	Shearing	429
7.21	Annual Management Calendar	437

Chapter 8 Goat Management Techniques

8.1	Introduction	441
8.2	Catching, Handling, and Controlling Goats	445
8.3	Grooming and Clipping	450
8.4	Breeding	452
8.5	Kidding	456
8.6	Neonatal Care	460
8.7	Milking	464
8.8	Disbudding	467
8.9	Deodorizing	470
8.10	Castration	471
8.11	Identification	475
8.12	Dehorning	478
8.13	Foot Trimming	480
8.14	Treatment of Foot Rot	483
8.15	Wattle Removal	485
8.16	Age Determination	486
8.17	Maintaining Herd Health	487
8.18	Harnessing Your Goat	492
8.19	Packing Your Goat	493

Chapter 9 Poultry Management Techniques

9.1	Introduction	499
9.2	Parts of the Fowl	501
9.3	Catching, Holding, and Carrying Poultry	503
9.4	Identification	507
9.5	Inspecting for Defects, Abnormalities, External Parasites, and Molt	512
9.6	Producing and Incubating Fertile Eggs	515
9.7	Brooding Chicks	520
9.8	Dubbing and Dewattling Chickens	523

9.9	Desnooding of Turkey Poults	525
9.10	Toe Clipping	526
9.11	Debeaking	526
9.12	Caponizing	530
9.13	Processing Poultry for Food	534
9.14	Processing Eggs for Food	539
9.15	Planning Poultry Health Programs	541

Chapter 10 Animal Health Management

10.1	Introduction	545
10.2	Concepts of Health and Disease	546
10.3	Sanitation	548
10.4	Drugs	551
10.5	Administering Pharmaceuticals and Biologicals	555
10.6	The Vital Signs: Temperature, Pulse, and Respiration	561
10.7	Recognizing the Healthy Animal	563
10.8	Recognizing the Abnormal or Sick Animal	564
10.9	Management Aids for Protecting the Herd from Infections	565
10.10	Evaluating Herd Health	566
10.11	Wounds	567
10.12	First Aid Techniques	569
10.13	First Aid Kits and Medicine Chest	572
10.14	Commonly Used Veterinary Medical Abbreviations	575
10.15	Establishing and Managing the Herd Health Program	577

Appendices

Appendix A	External Parts of the Cow	580
Appendix B	Skeleton of the Cow	581
Appendix C	External Parts of the Pig	582
Appendix D	Skeleton of the Pig	583
Appendix E	External Parts of the Horse	584
Appendix F	Skeleton of the Horse	585
Appendix G	External Parts of the Sheep	586
Appendix H	Skeleton of the Sheep	587
Appendix I	External Parts of the Goat	588

xii *Contents*

Appendix J	Skeleton of the Goat	589	Appendix S	Common Diseases of Domestic Livestock and Their Symptoms	606
Appendix K	Parts of the Rooster and Hen	590	Appendix T	Useful Abbreviations, Conversion Factors, and Mathematical Formulae . . .	610
Appendix L	Skeleton of the Fowl	591	Appendix U	Nutrient Functions and Deficiency Symptoms	616
Appendix M	Parts of the Turkey Tom and Hen	592	Appendix V	Male, Female, Castrate Livestock Terminology	618
Appendix N	Age-Weight Relationships for Domestic Livestock	593	Appendix W	Digestive System Sizes and Capacities	619
Appendix O	Gestation and Incubation Table	598	Glossary	621	
Appendix P	Normal Range of Reproductive Behavior	600	Index	635	
Appendix Q	Absorptive Capacities of Various Bedding Materials	601			
Appendix R	Diseases of and Immunizing Agents for Domestic Livestock	602
