<i>Joanne Borg-Stein, Sheila A. Dugan and Jennifer L. Solomon</i>	
9. Special Considerations in the Older Athlete	103
<i>Roy J. Shephard</i>	
10. Special Considerations in the Disabled Athlete	117
<i>David M. Crandell</i>	
11. Special Considerations for Patients with Chronic Illness or Disease	131
<i>Wayne E. Derman</i>	

Section 2 • Principles of Injury Care and Rehabilitation

12. Pre-Participation Evaluation	149
<i>Thomas D. Rizzo, Jr</i>	
13. Field Evaluation of the Injured Athlete	167
<i>Kai-Ming Chan, Joseph Jeremy Hsi-Tse Chang and Fiona Chui-Yan Wong</i>	
14. Laboratory Tests and Diagnostic Imaging	179
<i>William Micheo, Eduardo Amy and José Correa</i>	
15. Prescribing Medications for Pain and Inflammation	193
<i>Julio A. Martinez-Silvestrini</i>	
16. Physical Modalities	207
<i>Joel M. Press and Deborah A. Bergfeld</i>	
17. Exercise in the Rehabilitation of the Athlete	227
<i>Sheila A. Dugan</i>	
18. Proprioception and Coordination	237
<i>Emin Ergen and Bülent Ulkar</i>	
19. Aquatic Rehabilitation	257
<i>Anton Wicker</i>	
20. Functional Restoration: Return to Training and Competition	273
<i>W. Ben Kibler and Christopher J. Standaert</i>	
21. Common Injections in the Injured Athlete	285
<i>Ted A. Lennard</i>	
22. Orthotics Devices for Injury Prevention and Rehabilitation	299
<i>Karl B. Fields and Katherine M. Walker</i>	
23. Complementary and Alternative Medicine and the Athlete	307
<i>Joseph F. Audette and Allison Bailey</i>	

Section 3 • Specific Injuries by Anatomical Location

24. Athletic Head Injuries	323
<i>Robert V. Cantu and Robert C. Cantu</i>	
25. Neck Injuries	331
<i>Mark R. Proctor and Robert C. Cantu</i>	
26. Shoulder Injuries	343
<i>Jason H. Nielson and Peter Gerbino</i>	
27. Hand and Wrist Injuries	351
<i>Brandon E. Earp and Peter M. Waters</i>	
28. Mid- and Low-back Injuries	375
<i>Pierre A. d'Hemecourt</i>	
29. Hip and Pelvis Injuries	391
<i>Mininder S. Kocher and Rachael Tucker</i>	
30. Thigh Injuries	411
<i>Gian Corrado and Pierre A. d'Hemecourt</i>	
31. Knee Injuries	421
<i>Peter Gerbino and Jason H. Nielson</i>	
32. Leg Injuries	441
<i>Merrilee Zetaruk and Jeff Hyman</i>	
33. Ankle Injuries	459
<i>Stephen M. Simons and Jerrad Zimmerman</i>	
34. Foot Injuries	473
<i>Stephen M. Simons and Robert Kennedy</i>	
Index	491
