

THIRD EDITION

AVIAN & EXOTIC ANIMAL HEMATOLOGY & CYTOLOGY

TERRY W. CAMPBELL & CHRISTINE K. ELLIS

CONTENTS

Preface, vii

Acknowledgements, ix

1. Hematology of Birds, **3**
2. Hematology of Reptiles, **51**
3. Hematology of Amphibians, **83**
4. Hematology of Fish, **93**
5. Hematology of Small Mammals, **113**
6. Comparative Cytology, **139**
 - Sampling Techniques, **139**
 - Sample Preparation, **143**
 - Evaluation of the Cytological Sample, **144**
 - Cytological Tissue Groups, **146**
 - Basic Cytological Responses, **147**
 - Body Cavity Fluids, **162**
 - Cytology of the Alimentary Tract, **169**
 - Cytology of the Respiratory Tract, **180**
 - Cytology of the Skin and Subcutis, **190**
 - Cytology of the Conjunctiva and Cornea, **202**
 - Cytology of Synovial Fluid, **205**
 - Cytology of Lymphoid Tissue and Internal Organs, **209**
 - Cytologic Artifacts, **217**
7. Diagnostic Microscopy Using Wet Mount Preparations, **223**

Appendices, **239**

A. Stains and Solutions Used in Hematology and Cytology, **239**

B. Hematologic Values, **245**

References, **251**

Index, **279**
