

# Poultry Coccidiosis

Diagnostic and Testing Procedures

THIRD EDITION

Donal P. Conway and M. Elizabeth McKenzie

 Blackwell  
Publishing

 Schering-Plough  
Animal Health 

<i>Preface</i>	5
----------------	---

## **1. Introduction to Coccidiosis 7**

Diagnostic chart	7
Coccidial life cycle	10
Diagnostic procedure	10

## **2. Examination of Lesions and Lesion Scoring 17**

Lesion scoring (Johnson and Reid method)	17
Lesions of major species	17
Discussion	32

## **3. Preparation of Oocysts 41**

Oocyst collection	41
Sporulation and storage	42
Oocyst counting	42
Propagation	44
Calibration of a microscope for measuring oocysts	45

#### **4. Basic Procedures and Example Protocols for Testing Anticoccidial Drugs 49**

Battery tests	49
Floor pen tests	53
Commercial tests	58

#### **5. Coccidiosis Epidemiology and Control 65**

Factors influencing the occurrence of coccidiosis	65
Basic elements of coccidiosis control	66
Conclusion	73

#### **6. Anticoccidial Drugs and Vaccines 77**

Anticoccidial drugs	77
Anticoccidial vaccines	133
Testing anticoccidial vaccines	138
