
EFFECTIVE ENVIRONMENTAL ASSESSMENTS

How to Manage and Prepare NEPA EAs

Charles H. Eccleston

Contents

1. An Overview of NEPA	1
1.1 NEPA's Purpose	1
1.1.1 Title I - Declaration of a National Environmental Policy Act	2
1.1.2 Complying to the Fullest Extent Possible	3
1.2 Overview of the NEPA Compliance Process	3
1.2.1 When Must NEPA Begin?	4
1.2.2 When Must NEPA Be Completed?	4
1.2.3 Three Levels of NEPA Compliance	4
1.2.4 Initiating the NEPA Process	5
1.2.5 The Environmental Assessment	7
1.2.6 The Environmental Impact Statement	8
2. General Concepts and Requirements	11
2.1 NEPA is a Planning and Decisionmaking Process	11
2.1.1 Reasonable Alternatives	12
2.2 Interim Actions	12
2.2.1 Eligibility for Interim Action Status	13
2.3 Integrating NEPA with Other Requirements	13
2.3.1 Integrating Environmental Design Arts	14
2.4 Conducting an Early and Open Process	15
2.5 Public Involvement	15
2.5.1 Public Notice	15
2.6 Scoping	16
2.7 Systematic and Interdisciplinary Planning	16
2.7.1 Systematic	16
2.7.2 Interdisciplinary	16
2.8 Writing Documents in Plain English	17
2.9 Incorporation by Reference	17
2.10 Adopting Another Agency's EA	18
2.10.1 Department of Energy's Adoption Process	18
2.11 Methodology	18
2.11.1 A Rigorous, Accurate, and Scientific Analysis	19
2.12 A Fair and Objective Analysis	19
2.12.1 Disclosing Opposing Points of View	19
2.13 Dealing with Incomplete and Unavailable Information	19
2.13.1 Incomplete Information	20
2.13.2 Unavailable Information	20

3. NEPA's Concept of Environmental Impact Analysis	23
3.1 Actions	23
3.2 Environmental Disturbances	24
3.3 Receptors and Resources	25
3.4 Impact Analysis	25
3.5 Significance	26
3.6 Mitigation and Monitoring	26
3.6.1 Mitigation	26
3.6.2 Monitoring	27
4. Determining Whether an EA or EIS is Required	29
4.1 Proposals	30
4.2 Legislation	30
4.3 Major	30
4.4 Federal	31
4.5 Action	31
4.6 Significantly	32
4.6.1 Context	32
4.6.2 Intensity	32
4.7 Affecting	34
4.8 Human Environment	34
5. The Environmental Assessment Process	37
5.1 Preparing the Environmental Assessment	37
5.1.1 Public Involvement	38
5.1.2 Preparing the EA	39
5.1.3 Determining the Potential for Significance	40
5.1.4 The Three Purposes That an EA May Serve	41
5.1.5 Timing	41
5.1.6 EAs are Public Documents	41
5.1.7 Applicants and Environmental Assessment Contractors	44
5.2 The Analysis	44
5.2.1 Decision-Based Scoping	45
5.2.2 Analysis of Impacts	45
5.2.3 Attention Centered on Proposed Action	45
5.2.4 Significance Determinations are Reserved for the FONSI	46
5.3 Streamlining the EA Compliance Process	47
5.3.1 Reducing the Length of an EA	48
5.3.2 Cooperating with Other Agencies	48
5.3.3 Is Time Money?	48
5.3.4 Tiering	49
5.4 Issuing a Finding of No Significant Impact	50
5.4.1 FONSI is a Public Document	50
5.4.2 Waiting Period	50

5.5	The Administrative Record.....	51
5.5.1	Administrative Record and Case Law	52
5.6	Serving as an Expert Witness	52
5.6.1	Are You an Expert Witness?	53
5.6.2	Discovery.....	53
5.6.3	Depositions and Reports.....	53
5.6.4	Trial.....	54
6.	Writing The Environmental Assessment	57
6.1	General Direction for Preparing an EA.....	57
6.1.1	Documenting Assumptions.....	57
6.1.2	“Will” Versus “Would”	58
6.1.3	Readability	58
6.1.4	How Long Should the EA Be?.....	61
6.2	Required Outline for an Environmental Assessment	61
6.2.1	Suggested EA Outline.....	62
6.3	Performing the Analysis	63
6.3.1	A Five-Step Methodology	63
6.4	Specific Documentation Requirements and Guidance	68
6.4.1	Need Section	68
6.4.2	Affected Environment Section	69
6.4.3	The Proposed Action and Alternatives Section	70
6.4.4	Environmental Impact Section.....	72
6.4.5	Listing Permits, Approvals, and Regulatory Requirements.....	77
6.4.6	Listing of Agencies and Persons Consulted.....	77
7.	Special Topics In Environmental Analysis.....	81
7.1	Cumulative Effects Analysis in EAs.....	81
7.1.1	Purpose of the Analysis.....	82
7.1.2	Performing the Analysis	82
7.1.3	Considering Related Actions.....	84
7.1.4	Considering Connected Actions	85
7.1.5	Differences in Cumulative Impact Analyses Between EAs and EISs.....	86
7.2	Accident Analyses.....	87
7.2.1	Sliding Scale	88
7.2.2	Overview	89
7.2.3	Accident Scenarios and Probabilities	90
7.2.4	Accident Consequences	92
7.2.5	Intentionally Destructive Acts.....	93
7.3	Incorporating Environmental Justice	94
7.3.1	Background	95
7.3.2	Determining the Appropriate Level of NEPA Review	97
7.3.3	Analyzing Environmental Impacts	97
7.3.4	Suggestions for Enhancing Public Participation	103

8. Assessing Significance	107
8.1 Definitions and Use of the Term Significance	107
8.1.1 Significance Determines the Depth of Analysis	108
8.1.2 Developing a Systematic Approach	108
8.2 General Procedure for Determining Significance	109
8.2.1 Description and Basis of the Tests	109
8.2.2 Assessing the Seven Tests of Significance	110
8.2.3 Additional Significance Considerations in Practice	124
8.2.4 Evidence of Significance	124
9. The Finding of No Significant Impact	127
9.1 Reaching a Determination of Nonsignificance	127
9.1.1 Principles Governing Sound Decisionmaking	128
9.1.2 Criteria that Must be Met in Reaching a Decision to not Prepare an EIS	128
9.1.3 The Agency's Administrative Record	129
9.2 Preparing the FONSI	129
9.2.1 Documentation Requirements	130
9.2.2 A Checklist for Preparing the FONSI	131
9.3 Mitigated FONSI's	132
9.3.1 Mitigation and the Courts	132
9.3.2 Criteria for Adopting Mitigation Measures	133
10. Summary	137
Appendices	139
A: Reprint of the NEPA Act	141
B: Reprint of the CEQ NEPA Regulations	147
C: Environmental Assessment Checklists	181
Tables:	
C.1 Summary (Optional)	182
C.2 Purpose and Need for Action	182
C.3 Description of the Proposed Action and Alternatives	183
C.4 Description of the Affected Environment	185
C.5 Environmental Effects	187
C.6 Overall Considerations	189
C.7 Procedural Considerations	190
C.8 Format, General Document Quality, User-Friendliness	191
C.9 Key to Supplemental Topical Questions	192
C.10 Water Resources and Water Quality	193
C.11 Geology and Soils	194
C.12 Air Quality	195
C.13 Wildlife and Habitat	196
C.14 Human Health Effects	196

C.15	Transportation.....	199
C.16	Waste Management and Waste Minimization	200
C.17	Socioeconomic Considerations.....	201
C.18	Cultural Considerations	201
D-F:	Examples and Critiques of Real EAs.....	203
D.1	Example 1: Critique of the Environmental Assessment for Relocation of Station (Small) Ashtabula, Ashtabula, Ohio.....	205
D.2	Environmental Assessment for the Relocation of Station (Small) Ashtabula, Ashtabula, Ohio	209
E.1	Example 2: Critique of the Sitewide Environmental Assessment for Continued Development of Naval Petroleum Reserve No. 3.....	263
E.2	Environmental Assessment for Continued Development of Naval Petroleum Reserve No. 3	267
F.1	Example 3: Environmental Assessment for the Transfer of the Department of Energy Grand Junction Office To Non-DOE Ownership (Preliminary Final)	371
F.2	Environmental Assessment for the Transfer of the Department of Energy Grand Junction Office to Non-DOE Ownership	375
	Index.....	453
