

The background is a dark, textured red. In the center, two hands are shown from the palms up, holding a glowing, textured red sphere. The sphere has a fibrous, organic appearance, similar to a brain or a cluster of cells. The lighting is dramatic, highlighting the hands and the sphere against the dark background.

managing innovation, design and creativity

second edition

BETTINA VON STAMM

Contents

|--|-----------|
| Introduction | xi |
| Acknowledgements | xvii |
| 1 What are innovation, creativity and design? | 1 |
| Innovation | |
| Creativity | |
| Design | |
| Reading suggestions | |
| Some useful websites | |
| 2 Innovation = creativity + commercialisation | 27 |
| Case Study 1: BBC's Walking with Dinosaurs | |
| Appendix 2.1: Meet the dinosaurs | |
| Appendix 2.2: Stages of the animation process | |
| Appendix 2.3: Excerpt from brand guide | |
| Appendix 2.4: Awards as of 30 October 2001 | |
| 3 Structured processes for developing new products | 49 |
| The evolution of the new product development process | |
| The stage-gate process | |
| The development funnel and product portfolio management | |
| The role of the project leader | |
| Reading suggestions | |
| Some useful websites | |
| 4 A note on globalisation | 69 |
| Myth or Reality? | |
| Definitions | |
| Enablers and drivers of globalisation | |
| Advantages of global innovation | |
| The flipside of the coin | |
| Obstacles to global innovation | |
| How to structure for R&D in a global context | |
| What does global mean in the context of new product development? | |
| What to consider when going global | |
| Summary | |
| Reading suggestions | |
| Some useful websites | |

| | | |
|-----------|---|-----|
| 5 | Innovation and branding for the web | 89 |
| | Case Study 2: ihavemoved.com | |
| | Appendix 5.1: Background to the four founders | |
| | Appendix 5.2: Financial performance forecast years 1–3 | |
| 6 | Strategy – emergent or planned, and other issues | 99 |
| | Strategy – emergent or planned? | |
| | Strategy and innovation | |
| | Useful concepts and frameworks for strategy development | |
| | Design and strategy | |
| | Reading suggestions | |
| | Some useful websites | |
| 7 | Branding and innovation | 119 |
| | What is a brand? | |
| | Brands and innovation – a closer look | |
| | Brands and the web | |
| | Reading suggestions | |
| | Some useful websites | |
| 8 | The value of market research | 131 |
| | Case Study 3: Black & Decker’s Quattro | |
| | Appendix 8.1: Company history | |
| | Appendix 8.2: Capital appropriation request | |
| 9 | Approaches to market research | 143 |
| | What is it about market research? | |
| | Traditional approaches towards market research | |
| | The future | |
| | Reading suggestions | |
| | Some useful websites | |
| 10 | A note on teams | 155 |
| | Team composition | |
| | Reading suggestions | |
| | Some useful websites | |
| 11 | Collaboration – innovation in manufacturing | 171 |
| | Case Study 4: The Lotus Elise | |
| 12 | The role of prototypes | 183 |
| | Why use prototypes? | |
| | Problems with prototypes | |
| | What prototype? | |

| | |
|--|-----|
| Reading suggestions | |
| Some useful websites | |
| 13 Collaborating for innovation | 195 |
| Some background | |
| Reasons for and benefits of collaboration | |
| What gets in the way of collaboration? | |
| How to make collaboration work | |
| Open innovation and user-led innovation | |
| Reading suggestions | |
| 14 Innovation and industry context | 213 |
| Case Study 5: Roche–Saquinavir | |
| Appendix 14.1: Team members | |
| Appendix 14.2: Drug discovery value chain | |
| Appendix 14.3: Glossary | |
| Appendix 14.4: Introduction of HIV drugs | |
| 15 The effects of industry and cultural context | 229 |
| Why think about context? | |
| Understanding constraints | |
| Contextual factors at the industry level | |
| Contextual factors at the national level | |
| 16 Informal networks and the management of knowledge | 249 |
| Informal networks | |
| What is knowledge? | |
| The importance of knowledge management | |
| The management of knowledge | |
| Reading suggestions | |
| Some useful websites | |
| 17 Innovation for the environment | 259 |
| Case Study 6: Plastwood by Dumfries Recycling | |
| Appendix 17.1: Alternatives to recycling | |
| Appendix 17.2: Recycling at BPI | |
| 18 Green design – clean environment or clean conscious? | 273 |
| The argument for environmentally responsible design | |
| What are environmentally responsible products? | |
| Natural capitalism versus ‘green design’ | |
| The role of the designer | |
| Reading suggestions | |
| Some useful websites | |

| | | |
|-----------|---|-----|
| 19 | Note on intellectual property rights (IPR) | 289 |
| | Types of intellectual property rights | |
| | Patents | |
| | Copyright | |
| | Design rights | |
| | Trademarks | |
| | Know how | |
| | Reading suggestions | |
| | Some useful websites | |
| 20 | Innovation in large organisations | 297 |
| | Case Study 7: GKN – Light Composite Disc Joint | |
| | Appendix 20.1: Manufacturing flow for the Composite Disc Joint | |
| | Appendix 20.2: Summary of technical and commercial advantages and technical limitations | |
| 21 | Organising for innovation | 309 |
| | The process route | |
| | The people route | |
| | A holistic approach to innovation | |
| | Innovation roles | |
| | Reading suggestions | |
| | Some useful websites | |
| 22 | Venturing – beyond company boundaries | 337 |
| | Avenues for realising innovation | |
| | The venture capital industry | |
| | Finding venture capital | |
| | Sources of external funding | |
| | Reading suggestions | |
| | Some useful websites | |
| 23 | Innovation in financial services | 347 |
| | Case Study 8: Shared Appreciation Mortgage – Bank of Scotland | |
| | Appendix 23.1: Additional information | |
| 24 | Innovation in the service industry | 359 |
| | Particularities about the service industry | |
| | Design and service development | |
| | Service development – what drives success? | |
| | Reading suggestions | |
| | Some useful websites | |

| | | |
|-----------|---|-----|
| 25 | Failure, risk and measurement in innovation | 371 |
| | What underpins success and causes failure? | |
| | The complexity framework | |
| | Overcoming constraints | |
| | The framework | |
| | Is failure really failure? | |
| | Minimising risk of failure – risk management | |
| | Measuring success | |
| | Reading suggestions | |
| 26 | Building for innovation | 399 |
| | Case Study 9: John McAslan & Partners | |
| | Appendix 26.1: Main players involved in the design and build of Yapi Kredi Bank | |
| | Appendix 26.2: Development of the John Lewis Partnership | |
| 27 | Company culture and architecture | 411 |
| | Putting your work environment to work | |
| | Supporting the creation of a culture | |
| | Characteristics of work environments that support creativity and innovation | |
| | Changes in working practices and the office environment | |
| | Change the work environment – but for the right reasons | |
| | Reading suggestions | |
| | Some useful websites | |
| 28 | Outsourcing – designers in or out? | 425 |
| | Ins and outs of outsourcing | |
| | Designers – in or out? | |
| | The case study of the Muz Skorpion | |
| | Concluding remarks | |
| | Reading suggestions | |
| | Some useful websites | |
| 29 | Putting all pieces into place | 445 |
| | Case Study 10: The Technology Partnership | |
| | Appendix 29.1: Major developments in the TTP Group since 1990 | |
| | Appendix 29.2: TTP Group structure | |
| | Appendix 29.3: Financial performance (from Annual Report 2000) | |
| | Appendix 29.4: The venture fund – article from <i>Financial News</i> | |
| 30 | The innovative organisation | 465 |
| | Leadership – the most critical ingredient | |
| | The role of company culture | |
| | Reading suggestions | |

| | | |
|-----------|--|-----|
| 31 | Changes in the world and innovation | 483 |
| | The next innovation challenges | |
| | Discontinuous innovation | |
| | The balancing act | |
| | The future of business – all change | |
| | Reading suggestions | |
| | Some interesting websites | |
| 32 | Innovation beyond the comfort zone? | 501 |
| | Case Study 11: Unilever | |
| 33 | Management without control? | 507 |
| | Case Study 12: SAM Headhunting | |
| | Appendix 33.1: SAM Headhunting – Mission and Values | |
| | Appendix 33.2: The business of headhunting | |
| | Appendix A: How to use the case studies | 519 |
| | Appendix B: Innovation – achievements, realisations and next challenges | 521 |
| | Appendix C: Categories of design | 525 |
| | History of 'design' | |
| | Town planning and urban design | |
| | Architecture and interior design | |
| | Exhibition design | |
| | Product design | |
| | Packaging design | |
| | Corporate identity | |
| | Brands | |
| | IT and multimedia design | |
| | Textile and fashion design | |
| | Furniture design | |
| | Summary | |
| | Reading suggestions | |
