

Qualitative Methods in Business Research

Päivi Eriksson & Anne Kovalainen

Contents

Preface and acknowledgements	xiii
PART I THE BUSINESS OF QUALITATIVE RESEARCH	1
CHAPTER 1 INTRODUCTION	3
The purpose of the book	3
What is qualitative business research?	4
Qualitative approaches introduced in this book	6
How to use this book	8
CHAPTER 2 RESEARCH PHILOSOPHY	10
The relevance of philosophical issues in business research	10
Key concepts of the philosophy of science	12
The main philosophical positions	17
Two basic aspects of inquiry	21
Key points of the chapter	23
Further reading	24
Exercises	24

CHAPTER 3	RESEARCH DESIGN AND PROCESS	25
Importance of planning		25
Elements of the research design		26
Circularity of research process		31
Time and qualitative research process		33
Key points of the chapter		35
Further reading		36
Exercises		36
CHAPTER 4	FOCUS AND FRAME	37
The relevance of the research questions		37
Various types of research question		39
The use of theory and theoretical concepts		41
Framing and positioning your study through literature		42
Two ways of doing your literature review		47
Key points of the chapter		48
Further reading		48
Exercises		49
CHAPTER 5	ACCESS AND RELATIONSHIPS	51
Identifying research participants		51
Accessing organizations		52
Accessing individuals		55
Making research agreements		55
The researcher–participant relationship		56
Key points of the chapter		59
Further reading		60
Exercises		60

CHAPTER 6 ETHICS IN RESEARCH	62
The importance of ethics in business research	62
Dimensions of researcher–participant relationships	64
Sponsorship and research ethics	66
What is good scientific practice and how is it maintained?	68
Key points of the chapter	75
Further reading	76
Exercises	76
CHAPTER 7 QUALITATIVE RESEARCH MATERIALS	77
Qualitative research data	77
Qualitative interviews	78
Making observations	86
Textual data	89
Visual materials	91
Key points of the chapter	93
Further reading	94
Exercises	94
CHAPTER 8 ELECTRONIC RESEARCH	96
The increasing relevance of electronic research	96
Existing electronic materials	100
Online research methods	103
Computers in qualitative research	106
Key points of the chapter	110
Further reading	110
Exercises	111

PART II METHODS IN QUALITATIVE BUSINESS RESEARCH	113
CHAPTER 9 CASE STUDY RESEARCH	115
‘The case’ as the most central feature of case study research	115
Ways of doing case study research	117
Intensive case study research	119
Extensive case study research	122
Empirical data used in case studies	125
Strategies and techniques of analysis	127
Writing and evaluation of case studies	130
Key points of the chapter	133
Further reading	134
Exercises	134
CHAPTER 10 ETHNOGRAPHIC RESEARCH	137
Ethnography as the study of cultures and cultural sense-making	137
Ethnographic research process	141
Methodological principles and ethics	142
Doing ethnographic fieldwork	144
Analysing and interpreting ethnographic data	148
Writing and evaluating ethnography	149
Key points of the chapter	152
Further reading	152
Exercises	152
CHAPTER 11 GROUNDED THEORY RESEARCH	154
What is grounded theory research?	154
The rationale of grounded theory methodology	157

Key elements and processes	159
Basic steps in the analysis	162
Grounded theory approach on the move	167
Writing and evaluation of grounded theory research	170
Key points of the chapter	170
Further reading	171
Exercises	171
 CHAPTER 12 FOCUS GROUP RESEARCH	 173
Focus groups and focus group research	173
The objectives and advantages of using focus groups	177
Organizing and conducting focus groups	179
Analysing focus group data	186
Writing and evaluating focus group research	188
Key points of the chapter	190
Further reading	190
Exercises	190
 CHAPTER 13 ACTION RESEARCH	 193
What is action research?	193
Different types of action research	196
How to design an action research project?	198
Data gathering and analysis	200
Writing and evaluation of action research	207
Key points of the chapter	208
Further reading	208
Exercises	209

CHAPTER 14 NARRATIVE RESEARCH	210
Narrative knowing and storytelling as a basic human activity	210
Key concepts and understandings of narrative research	211
Narrative approaches in business research	213
Narrative research materials	215
Narrative analysis, analysis of narratives, and antenarrative analysis	217
Narrative writing and evaluation	221
Key points of the chapter	224
Further reading	224
Exercises	225
 CHAPTER 15 DISCOURSE ANALYSIS	 227
Discourse theory and discourse analysis	227
Foucauldian discourse theory and analysis	229
Critical discourse analysis	234
What does not count as discourse analysis?	237
Writing and evaluating discursive research	239
Key points of the chapter	241
Further reading	242
Exercises	242
 CHAPTER 16 FEMINIST RESEARCH	 244
What is feminist research?	244
Business research and gender	247
Gender in research	248
Ways for analysing gender in business research	249
Key methods of qualitative feminist research	252

How to write and evaluate feminist analysis?	254
Key points of the chapter	258
Further reading	258
Exercises	258
 CHAPTER 17 CRITICAL RESEARCH	 260
What is critical research?	260
Basic elements of critical research	262
The many directions of critical research	262
History of critical research	265
The key concepts in critical research	267
What methods does critical research use?	269
Writing and evaluation of critical research	272
Key points of the chapter	274
Further reading	275
Exercises	275
 PART III WRITING AND EVALUATING QUALITATIVE BUSINESS RESEARCH	 277
 CHAPTER 18 WRITING PROCESS	 279
The specific nature of qualitative research writing	279
The structure of a qualitative research report	281
Finding your own writing style	284
How to develop your skills in qualitative writing?	286
Key points of the chapter	287
Further reading	288
Exercises	288

CHAPTER 19 QUALITATIVE RESEARCH EVALUATION	290
Key aspects of qualitative business research evaluation	290
Adopting the classic criteria of good-quality research	291
Adopting alternative but common criteria for qualitative research	294
Abandoning the idea of common evaluation criteria for qualitative research approaches	295
Key points of the chapter	295
Further reading	296
Exercises	296
CHAPTER 20 CLOSING UP	298
What is qualitative research?	298
Circularity of the research process	299
Combining qualitative and quantitative research	300
Glossary	302
References	311
Name Index	329
Subject Index	334
