

Matteson & McConnell's
**Gerontological
Nursing**
Concepts *and* Practice

Adrienne Dill Linton
Helen W. Lach

THIRD EDITION

Contents

Section One Introduction to Practice in Gerontological Nursing, 1

Chapter 1 Gerontological Nursing: Issues and Trends in Practice, 3

Helen W. Lach

- Defining Gerontological Nursing, 3
 - The Aging Population, 4
 - Patterns of Health and Disease among Older Adults, 4
 - A Healthier View of Aging, 6
 - Context of Health Services to the Aged, 6
 - Advanced Practice, 7
- History of Gerontological Nursing, 7
 - 1965 to 1980, 10
 - 1981 to 1990, 11
 - 1991 to the Present, 11
 - Pioneers in Gerontological Nursing, 12
 - Looking to the Future, 14
- The Practice of Gerontological Nursing, 14
 - Opportunities for Gerontological Nurses, 14
 - Elements of Gerontological Nursing, 15
 - Organization of Nursing for Older Adults, 18
- Summary, 22

Chapter 2 Assessment: Focus on Function, 25

Helen W. Lach & Carrie M. Smith

- Background, 25
- Definition, 25
- The Nursing Process: Special Considerations for the Older Adult, 26
 - Assessment, 26
 - Diagnosis, 31
 - Planning, 32
 - Intervention, 33
 - Evaluation, 34
- Comprehensive Nursing Assessment: Focus on Function, 34
 - The Initial History and Physical Examination, 35
 - A Functional Nursing Framework, 36
 - The Assessment, 36
 - Concluding the Assessment Encounter, 49
- Ongoing Assessment and Care of the Older Adult, 49
- Summary, 50

Chapter 3 Tools for Screening and Assessment, 52

Helen W. Lach & Carrie M. Smith

- Choosing a Screening Tool, 52
 - General Considerations, 54
 - Nursing Considerations, 55
 - Patient Considerations, 55
- Review of Screening and Assessment Instruments, 55
 - Instruments for Functional Assessment, 56
 - Other Assessment Tools, 72
- Summary, 72

Chapter 4 Application of Nursing Theory, 82

Helen W. Lach

- Overview of Nursing Theory, 82
- Development of Nursing Theory and Nursing Knowledge, 84
- Conceptual Models and Grand Theories of Nursing, 86
 - Dorothea Orem: Self-Care Deficit Theory of Nursing, 86
 - Sister Callista Roy: Adaptation Model, 87
 - Dorothy Johnson: Behavioral System Model, 87
 - Martha Rogers: Unitary Human Being, 88
 - Myra Levine: Conservation Model, 88
 - Imogene King: Goal Attainment, 88
- Middle-Range Theories, 88
 - Culture Care Diversity and Universality, 89
 - Theory of Comfort, 89
 - Chronic Illness Trajectory Framework, 89
 - Model of Social Support, 89
 - Theory of Uncertainty in Illness, 90
 - Family Caregiving Dynamics Model, 90
 - Doing Family Caregiving Well, 90
 - Progressively Lowered Stress Threshold Model, 90
 - Cognitive Development Model, 90
 - Need-Driven Dementia-Compromised Behavior Model, 91
 - Theory of Adaptation to Chronic Pain, 91
- Summary, 91

Chapter 5 Evidence-Based Practice, 93

Marita G. Titler & Jane Hsiao-Chen Tang

- Overview of Evidence-Based Practice, 93
- Models of Evidence-Based Practice, 94
 - Iowa Model of Evidence-Based Practice, 99
 - Clinical Topics of Evidence-Based Practice for Care of Older Adults, 101
 - Steps of Evidence-Based Practice, 101
 - Role of Nurses in Promoting Evidence-Based Practice, 114
 - Resources for Evidence-Based Practice, 115
- Future Trends in Evidence-Based Practice and Translation Science, 116
- Summary, 117

Section Two Foundations of Gerontological Nursing Practice, 123

Chapter 6 Gerontology: The Study of Aging, 125

Helen W. Lach

- Definitions of Old Age, 125
- Challenges in Gerontological Research, 127
- Aging and the Life Span, 128
- Theories of Aging, 130
 - Historical Approaches, 130
 - Recent Theories of Aging, 130
 - Antiaging Movement, 135
- Aging at the Cellular, Tissue, and Organ Levels, 135
 - Cells, 135
 - Tissues, 136
 - Aging at the Organ Level, 136
- Summary, 136

Chapter 7 Pharmacological Considerations, 138

Adrienne Dill Linton

- Psychosocial Influences on Drug Usage and Responses of Older Adults, 138
 - Personal Values, 138
 - Health Care System, 138
 - Impact on Care of Older Adults, 139
- Age-Related Changes in Pharmacokinetics and Pharmacodynamics, 141
 - Altered Pharmacokinetics, 141
 - Altered Pharmacodynamics, 143
- Drug-Related Problems, 143
 - Epidemiology, 143
 - Risk Factors, 144
 - Drug-Related Pathology, 153
- Nursing Process and Pharmacological Interventions, 157
 - Assessment, 157
 - Planning, 158
 - Outcomes of Drug Therapy, 162
 - Intervention, 162
 - Evaluation, 164
- Summary, 166

Chapter 8 Nutritional Considerations, 169

Anna J. Biggs

- Overview of Nutrition, 169
- General Issues in Nutrition, 169
 - Recommendations for Healthful Eating, 169
 - Macronutrients, 172
 - Micronutrients, 173
 - Nutrition Education, 174
- Physiological Factors in Nutrition, 175
 - Aging Changes, 175
 - Chronic Diseases, 176
- Psychosocial and Functional Factors in Nutrition, 180
 - Planning Meals, 180
 - Shopping, 180
 - Meal Preparation, 180

- Eating, 181
- Cleanup, 181
- Options for Assistance, 181
- Nutritional Assessment, 181
- Nutritional History, 181
- Nutrition Screening Tools, 182
- Anthropometric Measurement, 182
- Nutritional Disorders, 186
 - Dehydration, 186
 - Dysphagia/Impaired Swallowing, 187
 - Obesity, 189
 - Malnutrition, 189
- Summary, 192

Chapter 9 Ethical Considerations, 198

Kathleen T. Lucke

- The Nurse's Responsibility for Ethical Action, 198
 - Ethics Defined, 198
 - Nursing Ethics, 199
- Ethical Decision-Making Frameworks for Gerontological Nurses, 213
- Examples of Ethical Dilemmas, 213
 - Conflict with a Do-Not-Resuscitate Order, 215
 - Conflict of Questioning a Patient's Competence, 216
 - Conflict over Aggressiveness of Care for a Depressed Elderly Woman, 218
- Summary, 219

Section Three **Agging Changes and Health Deviations, 223**

Chapter 10 Integument System, 225

Adrienne Dill Linton

- Normal Changes with Aging, 225
 - Epidermis (Stratum Corneum, Keratinocytes, Melanocytes, Langerhans Cells), 226
 - Dermis (Fibroblasts, Endothelium, Mast Cells) and Subcutaneous Tissue, 227
 - Skin Glands, 228
 - Hair, 228
 - Nails, 229
 - Psychological Effects, 229
- Common Disorders, 230
 - Pruritus, 230
 - Rashes, 232
 - Senile Purpura, 232
 - Inflammatory Conditions, 232
 - Drug Eruptions, 236
- Neoplastic Disorders, 236
 - Keratoses, 236
 - Nonmelanoma Skin Cancer, 237
 - Basal Cell Carcinoma, 239
 - Squamous Cell Carcinoma, 239
 - Malignant Melanoma, 239
- Infectious Disorders, 240
 - Herpes Zoster, 240
 - Psoriasis, 240
 - Dermal Ulcers, 241

- Foot Problems, 250
- Nursing Care for Skin Conditions, 250
 - Nursing Assessment, 250
 - Nursing Management, 252
 - Evaluation, 252
- Collaborative Practice Issues, 252
- Summary, 252

Chapter 11 Musculoskeletal System, 259

Adrienne Dill Linton

- Alterations in Structure and Function, 259
 - Skeleton, 259
 - Musculature, 261
 - Joints, 263
- Common Disorders of the Aging Musculoskeletal System, 263
 - Metabolic Bone Disease, 263
 - Paget's Disease, 270
 - Muscular Disorders, 271
 - Joint Diseases, 272
- Mobility and Mobility Disability in Older Adults, 284
 - Factors That Affect Mobility, 284
 - Effects of Immobility, 285
 - Taxonomy of Disability, 285
 - Mobility Status of Older Adults, 286
 - Falls, 286
- Activities of Daily Living: Self-Care Deficits in Older Adults, 286
 - Definition and Scope of Problem, 286
 - Theoretical Issues, 287
 - Contributing Factors, 287
- Nursing Care of Patients with Musculoskeletal Alterations, 288
 - Health Assessment, 288
 - Nursing Diagnoses, 293
 - Nursing Goals, 294
 - Nursing Interventions, 294
 - Evaluation, 307
- Summary, 307

Chapter 12 Cardiovascular System, 313

Mary Ann House-Fancher & Ronald J. Lynch

- Aging, 313
- Normal Changes with Aging, 314
 - Heart, 314
 - Blood Vessels, 315
 - Blood, 315
 - Pumping Ability of the Heart, 315
- Cardiovascular Changes: Caused by Age or Disuse?, 317
 - General and Cardiovascular Benefits of Increased Exercise, 317
 - Risk Factor Modification in the Older Adult, 319
 - Hypertension, 319
 - Dyslipidemia, 324
 - Obesity, 325
 - Diabetes Mellitus, 325
 - Orthostatic Hypertension, 326
 - Anemia, 326
 - Atherosclerosis, 327

- Coronary Artery Disease, 328
- Dysrhythmias, 334
- Heart Failure, 335
- Valvular Disease, 337
- Cerebrovascular Disease, 338
- Stroke, 339
- Peripheral Vascular Disease: Claudication, 340
- Venous Disease, 343
- Special Issues: Cardiovascular Disease in Women, 344
- Cardiovascular Nursing Assessment of the Older Adult, 344
 - History, 344
 - Physical Examination, 345
- Nursing Diagnoses, 347
- Nursing Interventions and Evaluation, 347
- Summary, 349

Chapter 13 Respiratory System, 353

Adrianne Dill Linton

- Changes with Aging, 353
 - Anatomical Changes, 353
 - Functional Changes, 354
 - Exercise Effects, 356
 - Factors That May Further Decrease Lung Function, 356
- Respiratory Diseases Common to the Aged, 359
 - Obstructive Pulmonary Disease, 359
 - Pneumonia, 372
 - Tuberculosis, 378
 - Cancer of the Lung, 382
 - Obstructive Sleep Apnea, 386
- Nursing Care, 387
 - Nursing Assessment, 387
 - Nursing Diagnoses, 390
 - Nursing Goals, 391
 - Nursing Interventions, 391
 - Evaluation, 396
- Summary, 398

Chapter 14 Neurological System, 406

Pamela Millsap

- Organization of the Neurological System, 406
- Normal Changes in Structure and Function, 407
 - Structure, 407
 - Changes in Functional Abilities of the Neurological System, 407
- Common Neurological Disorders in the Older Adult, 412
 - Delirium, 412
 - Dementia, 415
 - Parkinson's Disease, 428
 - Structural Abnormalities, 431
- Nursing Care, 432
 - Assessment, 432
 - Nursing Diagnoses, 434
 - Nursing Goals, 437
 - Nursing Interventions and Evaluation, 438
- Summary, 438

Chapter 15 Gastrointestinal System, 442*Adrienne Dill Linton*

- Changes with Aging, 442
 - Oral Cavity, 442
 - Esophagus, 444
 - Stomach, 444
 - Small Intestine, 444
 - Large Intestine, 444
 - Pancreas, 444
 - Liver and Biliary Tract, 444
- Common Disorders, 446
 - Disorders of the Oral Cavity, 446
 - Oral Malodor, 446
 - Disorders of the Esophagus, 449
 - Disorders of the Stomach, 452
 - Disorders of the Small Intestine, 454
 - Disorders of the Large Intestine, 455
 - Cancer, 456
 - Disorders of the Pancreas, 466
 - Disorders of the Liver, 468
 - Disorders of the Gallbladder, 469
- Nursing Care, 469
 - Nursing Assessment, 469
 - Nursing Diagnoses, 473
 - Nursing Goals, 473
 - Nursing Interventions, 473
 - Evaluation, 475
- Summary, 475

Chapter 16 Genitourinary System, 484*Adrienne Dill Linton*

- Normal Structure and Function, 484
- Normal Changes in Genitourinary Structure and Function, 484
 - Kidney, 484
 - Ureters, 487
 - Bladder, 487
 - Urethra, 487
 - Prostate, 487
 - External Genitalia, 489
 - Sexual Response, 489
- Implications of Genitourinary Changes with Age, 490
 - Fluid and pH Balance, 490
 - Pharmacokinetics, 490
 - Surgery, 490
- Common Disorders, 491
 - Acute Renal Failure, 491
 - Glomerular Diseases, 492
 - Chronic Renal Failure and End-Stage Renal Disease, 492
 - Lower Urinary Tract Symptoms, 494
 - Benign Prostatic Hyperplasia, 495
 - Prostate Cancer, 496
 - Bladder Cancer, 497
 - Urinary Tract Infections, 499
 - Urinary Retention, 501
 - Urinary Incontinence, 503

- Overactive Bladder, 507
- Sexual Dysfunction, 507
- Vaginitis, 508
- Diabetic Cystopathy, 508
- Nocturia, 508
- Tests of Urinary Function, 510
- Nursing Care, 510
 - Nursing Assessment, 511
 - Nursing Diagnoses, 513
 - Nursing Goals, 514
 - Nursing Interventions, 514
 - Evaluation, 519
- Summary, 520

Chapter 17 Endocrine System, 525

Adrienne Dill Linton, Lisa J. Hooter, & Coleen R. Elmers

- Organization of the Endocrine System, 525
 - Pituitary Gland, 525
 - Thyroid Gland, 526
 - Parathyroid Glands, 526
 - Adrenal Cortex, 526
 - Gonads, 528
 - Pancreas, 528
 - Pineal Gland, 529
- Normal Changes in Structure and Function, 529
 - Pituitary Gland, 529
 - Thyroid Gland, 529
 - Parathyroid Glands, 530
 - Adrenal Glands, 531
 - Pancreas, 532
 - Pineal Gland, 532
 - Changes in the Female Reproductive System, 532
 - Breasts, 539
 - Changes in the Male Reproductive System, 539
- Pathological Changes and Common Disorders, 543
 - Diabetes Mellitus (Type 2), 543
 - Thyroid Disease, 548
 - Cancer of the Female Reproductive System, 554
 - Erectile Dysfunction, 561
- Nursing Care: Person with Endocrine Dysfunction, 562
 - Nursing Assessment, 562
 - NANDA Nursing Diagnoses, 563
 - NOC Nursing Goals/Outcomes, 564
 - NIC Nursing Interventions, 564
 - Evaluation, 564
- Summary, 564

Chapter 18 Immune System, 572

Adrienne Dill Linton

- Normal Anatomy and Physiology, 572
 - Structures, 572
 - Immune System Components, 573
- Function, 575
 - Innate Immunity, 575
 - Inflammation, 575

- Phagocytosis, 575
- Complement System, 576
- Acquired (Adaptive) Immunity, 576
- Antibody-Mediated (Humoral) Immunity, 577
- Hypersensitivity, 578
- Normal Aging Changes, 581
 - Innate Immunity, 582
 - Cell Lysis, 582
 - Adaptive Immunity, 582
- Impact of Changes in the Immune System, 584
 - Vaccination in Older Persons, 584
 - Cancer and Immunosenescence, 584
 - Infection and Immunosenescence, 585
 - Patch Test Reactivity, 585
- Common Disorders, 584
 - Infectious Disease, 585
 - Autoimmune Disorders and Immunosenescence, 585
 - Acquired Immune Deficiency, 587
- Nursing Care, 590
 - Assessment of the Immune System, 590
 - Nursing Diagnoses, 591
 - Interventions, 591
- Summary, 597

Chapter 19 Age-Related Changes in the Special Senses, 600

Adrienne Dill Linton

- The Visual System, 600
 - Age-Related Changes in the Visual System, 601
 - Common Disorders and Diseases, 603
- Hearing, 606
 - Age-Related Changes in Hearing, 608
- Taste and Smell, 614
 - Taste, 614
 - Smell, 615
- Touch, Vibration, and Pain Sensitivity, 615
 - Changes in Structure and Function, 615
- Nursing Care, 616
 - Assessment, 616
 - Nursing Diagnoses, 620
 - Goals/Outcomes, 621
 - Nursing Interventions, 621
 - Evaluation Parameters, 625
- Summary, 625

Section Four **Psychosocial Aging, 629**

Chapter 20 Age-Related Psychological Changes, 631

David W. Carroll & Adrienne Dill Linton

- Normal Aging Changes, 631
 - Personality, 631
 - Cognition, 635
 - Developmental Tasks, 640
 - Life Satisfaction and Morale, 640

- Attitudes, 640
 - Work and Retirement, 641
 - Relationships, 642
 - Death, 642
 - Religion, 644
 - Physical Activity, 645
 - Leisure Pursuits and Volunteerism, 645
 - Sex, 645
 - Health and Health Care, 645
 - Aging and Old Age, 646
- Affect, 647
- Common Mental Disorders, 647
 - Mood Disorders, 648
 - Anxiety, 652
 - Stress, Defense Mechanisms, and Coping Strategies, 653
 - Personality Disorders, 653
 - Schizophrenia, 654
 - Treatment of Psychosis in Older Persons, 654
 - Suicide, 656
- Nursing Care Related to Psychosocial Needs, 656
 - Nursing Assessment, 656
 - Nursing Diagnoses, 664
 - Nursing Goals, 665
 - Nursing Interventions, 665
 - Evaluation, 677

Chapter 21 Age-Related Sociological Changes, 685

Cheryl Lyn Zukerberg & Adrienne Dill Linton

- Theoretical Approach to Sociological Issues, 685
 - Symbolic Interaction Theory, 685
 - Theory of Caring, 686
- Age Categories, 686
 - Gerontologists' View of Aging, 686
 - Sociologists' View of Aging, 686
 - U.S. Government's View of Aging, 686
 - Older Adults' View of Aging, 686
- Cultural and Sociological Changes, 686
 - Relationships, 687
 - Role Changes, 690
- Social Networks and Successful Aging, 691
 - Social Networks, 692
 - Successful Aging, 692
 - Major Types of Social Support Systems, 692
- Aging and Ageism, 694
 - Positive Aging, 694
 - Ageism, 694
 - Competent Gerontological Nursing Practice, 696
 - Social Responses to Growth in the Older Adult Population, 697
- Elder Mistreatment, 699
 - Definition and Scope of the Problem, 699
 - Concept Clarification, 699
 - Ethical Issues, 700
 - Risk Factors for Elder Mistreatment, 700
 - Major Categories of Elder Mistreatment, 702
 - Nurses' Care: Elder Mistreatment, 703
 - Mandatory Reporting, 705

- Economic and Public Policy Issues, 705
 - Economic Issues, 705
 - Prevention of Late-Life Poverty, 706
 - Public Policy and the Impact on Older Adults, 706
 - Nurses' Role of Advocacy, 708

Chapter 22 End of Life Care of the Older Adult, 712

Pamela Z. Cacchione & Patrick J. Cacchione

- Defining End of Life, 712
- Historical Perspectives, 712
- Models of Care at End of Life: Hospice and Palliative Care, 713
 - Hospice Care, 713
 - Palliative Care, 713
- Values History, 714
- Advance Directives, 714
 - Durable Powers for Health Care, Living Wills and Five Wishes, 716
- Communicating about Death and Dying, 717
- Symptom Management, 718
 - Pain, 718
 - Dyspnea, 721
 - Anxiety, 722
 - Gastrointestinal Symptoms, 722
 - Anorexia and Cachexia, 723
 - Psychiatric Symptoms, 724
- Spiritual Care, 725
- Limitations on Treatment, 726
- Family Caregiving, 726
- Signs of Dying, 726
- Dealing with Grief: Survivor Bereavement, 727
- Ethical Considerations in End of Life Care and Research, 728
- Assisted Suicide, 729
 - Palliative Sedation, 732
- Nursing Care at End of Life, 733
- Summary, 733

Section Five **Competencies and Roles in Gerontological Nursing, 737**

Chapter 23 Leadership Skills, 739

Nina Tumosa & Helen W. Lach

- Core Competencies of Leadership, 740
 - Personal Mastery, 740
 - Organizational Stewardship, 741
 - Systems Thinking, 742
 - Customer Service, 742
 - Creative Thinking, 742
 - Flexibility and Adaptability, 742
 - Technical Expertise, 743
 - Interpersonal Effectiveness, 743
- Leading through Change, 744
 - Components of Change, 744
- Change in Strategies of Leadership, 744
- Developing Leadership Skills, 745
- Summary, 746

Chapter 24 Therapeutic Groups for Older Adults, 748

James H. Cook, Jr. & Candace M. Ball

- Evolution of Group Work, 748
- Types of Groups Used with Older Adults, 749
 - Reality Orientation Groups, 749
 - Remotivation Groups, 749
 - Reminiscence Groups, 750
 - Counseling and Psychotherapy Groups, 750
 - Psychoeducational Groups, 750
 - Caregiver Groups, 751
- Group Leadership Skills, 752
 - Attending Skills, 753
 - Here-and-Now Orientation, 753
 - Process and Content, 754
 - Therapeutic Factors, 754
 - Stages of Group Development, 754
- Pregroup Planning and Screening, 755
 - Determine if Member's Goals Are Consistent with the Goals of the Group, 755
 - Inform Members of Their Ethical Rights Relative to Group Treatment, 756
 - Provide an Assessment of Member Readiness, 756
 - Prepare Members for the Group, 756
 - Assess Member Commitment to the Group, 757
- Group Leader Training, 757
- Summary, 757

Chapter 25 Team Work: Interdisciplinary Geriatric Care, 759

Helen W. Lach

- Introduction to Teams and Their Importance, 759
- Structures of Teams: They Are not All Alike, 761
- Stages of Team Formation, 761
 - Forming, 762
 - Norming, 762
 - Confronting, 762
 - Performing, 762
 - Leaving, 762
- Various Team Members and Their Preparation, 762
 - Role of the Patient and Family, 763
- Conducting Effective Team Meetings, 763
 - Regular Meeting Times, 763
 - Agenda, 763
 - Reporting Format, 763
 - Goal Setting Process, 766
 - Time Frame, 766
 - Assignment of Tasks, 766
 - Recording of Information, 766
 - Managing Interruptions and Distractions, 766
 - Managing Team Meetings When Team Members are Missing or Cannot Meet in Person, 766
- Leadership, 767
- Team Conflict, 767
 - Intrapersonal, 767
 - Interpersonal, 768
 - Intrateam, 769
 - Interteam, 769
- Managing Team Conflict, 769

- Evaluating the Effectiveness of Teams, 770
- Ethical Issues, 770
- Training, 770
- Benefits of the Interdisciplinary Approach: Comprehensive Geriatric Assessment, 772
- Case Study of a Comprehensive Geriatric Assessment, 772
 - The Case of Mrs. Jones, 772
- Summary, 773

Chapter 26 Case Management, 777

Todd M. Ruppap

- Overview of Case Management, 777
- Basic Goals of Case Management, 777
 - Quality of Care, 777
 - Cost Control, 778
 - Length of Stay, 778
 - Resource Utilization, 779
- Case Management Models, 779
 - Case Management by Third-Party Payers, 779
 - Case Management by Health Care Providers, 779
 - Case Management by Outside Providers, 780
- The Case Manager Role, 780
 - Clinical Skills, 781
 - Organizational Skills, 781
 - Communication Skills, 781
 - Financial Skills, 781
- Advanced Practice Nurses as Case Managers, 781
- Case-Management Outcomes in the Older Adult Population, 782
 - Length of Stay, 782
 - Readmission, 782
 - Other Outcomes, 782
- Impact of Case Management on Older Adults, 782
- Future Trends in Case Management, 783
- Summary, 783

Chapter 27 Health Promotion and Health Education for Older Adults, 785

Helen W. Lach

- What Is Health Promotion?, 786
 - Prevention, 788
 - Barriers to Health Promotion for Older Adults, 790
 - Health Disparities, 790
 - Making Health Promotion in Aging a Priority, 790
- Models and Strategies for Health Behavior Change, 791
 - Health Belief Model, 791
 - Self-Efficacy Theory, 792
 - Transtheoretical Model, 792
 - Goal Setting, 793
 - Motivational Interviewing, 793
 - Implementing Health Models and Strategies in Practice, 794
- Components of a Healthy Lifestyle, 795
 - Physical Activity/Exercise, 795
 - Overweight and Obesity, 795
 - Tobacco Use, 795
 - Substance Abuse, 797
 - Responsible Sexual Behavior, 797

- Mental Health, 798
- Injury and Violence, 798
- Environmental Quality, 799
- Health Maintenance and Clinical Preventive Services, 800
- Advancing the Health Agenda, 802
- Health Education for Older Adults: Materials and Techniques, 802
 - Health Literacy, 803
 - Cultural Appropriateness, 803
 - Adapting Teaching for Aging Changes, 803
 - Assessment, 804
 - Written Materials, 804
 - Group Presentations, 804
 - Audiovisual Aids, 806
 - Web Sites, 806
 - Program Evaluation, 807
- Summary, 807

Chapter 28 Quality Improvement, 810

Carolyn D. Philpot, Julie K. Gammack, Susan J. Taylor, & John E. Morley

- Quality Improvement in Gerontological Nursing, 810
- History of Quality Improvement in Nursing, 811
 - Nursing Audits, 811
- Evaluating Quality, 812
 - Identifying Quality Problems, 812
- The Quality Model, 813
- Acute Care Setting, 815
- Home Health Care, 816
- Quality Improvement in Long-Term Care, 816
 - Quality Improvement Meetings, 818
 - Key Players in the Quality Improvement Process, 818
- Summary, 823

Section Six **Gerontological Nursing in the Context of Care, 825**

Chapter 29 The Geriatric Continuum of Care, 827

Susan A. Ruzicka

- Patterns of Health Care Utilization, 827
- Overview of Range of Services, 827
 - Primary, Secondary, and Tertiary Care Services, 828
 - Community Health Services, 829
 - Hospital-Based Services, 829
 - Residential Care Options, 829
- Variables Affecting Health Care Delivery, 830
 - Health Care Delivery System Issues, 830
 - Health Care Professionals, 831
 - Consumers, 833
 - Health Care Expenditures, 834
- Aging in Place, 837
- Care as a Continuum, 837
 - Barriers to a Continuum of Care, 841
 - Stakeholders in the Continuum of Care, 841
 - Strategies to Improve Continuity of Care, 842
 - Transitions between Health Care Settings, 843
- Summary, 847

Chapter 30 Community Care, 850*Mary Z. Dunn*

- Community, 850
 - Definition, 850
 - Description, 851
 - Communities, Health, and Aging, 852
 - Description of Community-Dwelling Residents, 853
- Community Settings of Care, 853
 - Physician Outpatient Services, 855
 - Outpatient Clinics, 855
 - Home Health Care, 858
 - Hospice, 862

 - Community Health Problems, 880
 - General Needs of the Borderline Residents, 881
 - System Constraints, 881
 - Assessment, 881
 - Planning, 881
 - Evaluation, 881
- The Individual in the Community as Client, 882
 - Social Engagement, 882
 - Assessment, 883
 - Nursing Diagnoses, 884
 - Goals and Intervention, 884
 - Evaluation, 892

Chapter 31 Assisted Living Care, 897*Cheryl Lyn Zukerberg*

- Population Characteristics, 897
- Setting Description, 897
 - Levels of Assisted Care, 898
- Variations in Costs for Assisted Care, 899
- Key Issues in Assisted Living Facilities, 899

- Medication Errors, 899
- Qualified Personnel, 900
- Role of the Nurse, 900
- Nursing Care, 900
- Summary, 900

Chapter 32 Acute Care, 907

Maria B. Carroll

- Population Characteristics, 907
- Setting Description, 908
- Role of the Nurse, 909
 - Background, 909
 - Nursing Process, 909
 - Quality Improvement, 911
- Gerontological Nursing Issues in the Hospital, 911
 - Patient Self-Determination, 911
 - Iatrogenesis, 912
 - Functional Decline, 912
 - Falls, 913
 - Polypharmacy, 914
 - Infection, 915
 - Pressure Ulcers, 915
 - Undernutrition, 915
 - Constipation, 917
 - Sleep Disturbance, 917
 - Depression, 918
 - Delirium, 918
 - Acute Urinary Incontinence, 919
 - Acute Pain, 920
- Summary, 925

Chapter 33 Subacute Care, 928

Elizabeth A. Capezuti

- Population and Setting Characteristics, 928
 - Definition of Subacute Care, 928
 - Subacute Care Categories, 929
 - Specialized Subacute Programs, 930
 - Subacute Care Reimbursement, 930
 - Subacute Care Regulations, 930
- Subacute Care Administrators and Clinicians, 931
 - Physicians and Advanced Practice Clinicians, 931
 - Medical Director, 931
 - Case Managers/Admission Directors, 931
- Issues Specific to Subacute Nursing Home Care, 932
 - Integrated Team Approach, 932
 - Physician Expertise, 932
 - Nurse Education and Staffing, 932
- Clinical Issues in the Subacute Setting, 932
 - Risk Management, 933
- Summary, 937

Chapter 34 Long-Term Care, 939

Adrienne Dill Linton & Helen W. Lach

- Long-Term Care Setting, 939
 - History of Long-Term Care, 939

- The Contemporary Long-Term Care Nursing Facility, 940
- Reimbursement for Long-Term Care, 941
- Characteristics of Long-Term Care Residents, 941
- Staff in Nursing Homes, 942
 - Nursing Staff, 942
 - Licensed Professional Nurses, 944
 - Certified Nursing Assistants, 945
 - Nursing Administrators, 945
