CHAPTER 1
Problem-Solution pattern: An overview and corpus analytic perspective 1
Clause relations as a means of identifying the Problem-Solution pattern 1
Grammatical signals of clause relations for the Problem-Solution pattern 4
Lexical signals of clause relations for the Problem-Solution pattern 5
Corpus analysis of a grammatical signal for the Problem element 8
Corpus analysis of a lexical signal for the Problem element 10
Conclusion 11

CHAPTER 2
Issues in corpus linguistics and discourse studies 13
Methodologies 14
Contextual features 15
Interpretation of data 16
Corpus linguistics: Towards a multi-faceted approach 19

CHAPTER 3
The two corpora: Context and compilation 21
Contextual background of the Professional and Student corpus 21
Issues in corpus compilation 24
Conclusion 32

CHAPTER 4
Frequency, key word and key-key word analysis of signals for the Problem-Solution pattern 33
Classificatory framework for signals: Appraisal system 33
Frequency analysis of signals 35
Key word analysis of signals 39
Key-key word analysis of signals 44
Differences between PROFCORP and STUCORP 49
Conclusion 50

CHAPTER 5
PROFCORP: Phraseological analysis of signals for the Problem element 53
Classificatory framework: Causal semantic relations 53
Classificatory framework: Lexico-grammatical patterns 55
Analysis of ***problem*** and ***problems*** 57
Analysis of ***need*** 62
Analysis of ***impacts*** and ***impact*** 63
Conclusion 73

CHAPTER 6
PROFCORP: Phraseological analysis of signals for the Solution element 75
Classificatory framework: Functional categories for nominal signals 76
Classificatory framework: Grammatical / causal categories
for adjectival and verbal groups 77
Analysis of ***recommendations*** 78
Analysis of ***solutions*** and ***solution*** 80
Analysis of ***recommended*** 82
Analysis of ***proposed*** 89
Analysis of ***implementation*** 92
Conclusion 94

CHAPTER 7
STUCORP: Phraseological analysis of signals for the Problem element 97
Analysis of ***problem*** and ***problems*** 98
Analysis of ***need*** 110
Conclusion 113

CHAPTER 8
STUCORP: Phraseological analysis of signals for the Solution element 115
Analysis of ***recommendations*** 115
Analysis of ***solutions*** and ***solution*** 117
Analysis of ***recommended*** 120
Analysis of ***proposed*** 123
Analysis of ***implementation*** 126
Conclusion 128

CHAPTER 9
General conclusions and implications for pedagogy 129
Some principal findings from PROFCORP 129
Expert vs. apprentice writing 131
Pedagogic implications and applications of findings 133
Overall conclusions 138
