Foreword	iii
Preface	v
CV of Dr P.S. Pathak	ix
List of Contributors	xv
1 Ecology to Environmental Science - Changing Concepts and Grassland Ecology in India <i>S.C. Pandeya</i>	1
2 Current Trends and Emerging Scenario in Indian Agriculture <i>J.C. Dagar</i>	27
3 Water Availability and its Effective Utilisation for Agriculture in Different Regions of the Country <i>S. K. Dhyani</i>	55
4 Status of Silvipasture Research and Development <i>P. Rai</i>	67
5 Perspectives on Silvopasture Management and Environment interactions <i>M. Mohamed Yassin and C. Swaminathan</i>	117
6 Agroforestry in Indogangetic Plains: Scenario and Research Outlook <i>O.P.Chaturvedi, Ajit, A.K.Handa and Nighat Jabeen</i>	131
7 Carbon Storage and Soil Biological Activity in Semiarid Grassland Communities <i>S.R. Gupta, Neeraj and Rekha Jangra</i>	159
8 Diversity of Poplar ( <i>Populus deltoides</i> ) Clones in India <i>Sanjeev K. Chauhan, Rajni Chauhan and H.S. Saralch</i>	175
9 Utilization of Sodic Land through Agroforestry in Eastern Uttar Pradesh <i>A.K. Saxena, B.S. Rana and B.P. Singh</i>	189
10 Role of Agroforestry in Disaster Management of Hill Agro-ecosystems <i>Atul and Punam</i>	205

11	Agroforestry for Biodiversity Conservation <i>Rekha Malik, Sindhu Sareen and Sushila Kundu</i>	223
12	Pattern and Processes of Litter Decomposition of Multipurpose Trees in a Sub-Humid Tropical Environment of Chhattisgarh Region <i>Lalji Singh, Akshaya Sharma and R.K. Prajapati</i>	233
13	Medicinal Plants Based Agroforestry: A Bountiful Agricultural Promises for Developing Wastelands in Madhya Pradesh <i>S.D. Upadhyaya and Ashutosh Sharma</i>	273
14	Plant Secondary Metabolites and Ruminant Productivity <i>B. Singh and S.K. Tomar</i>	291
15	Multipurpose Tree Species for Biodiesel in Arid and Semi Arid Region of India <i>A.K. Handa, Ajit, O.P. Chaturvedi, Kundan Singh and R.V. Kumar</i>	327
16	Opportunities for Sustainable Development in Haryana through Agroforestry <i>P.P. Bhojvaid and V.P. Singh</i>	343
17	Bamboo in Homestead and Agroforestry System of India <i>R.L. Banik, Salil Tiwari and Rajesh Kaushal</i>	351
18	Homegardens of Andaman and Nicobar Islands: Structural and Functional Analysis <i>C.B. Pandey, Lalita Singh and R. B. Rai</i>	367
19	Livestock Production and Agroforestry <i>S.S.Kundu, S.B.Maity and S.K. Tomar</i>	395
20	Reproductive Disorders of Cow and Buffalo <i>S.V. Singh and Sanjay Kumar</i>	439
21	Shelter Management for Animal Production <i>Purushottam Sharma and Ashutosh</i>	463
22	Colostrum: The Vital Fluid for Dairy Calf <i>Archana Verma</i>	495
23	Principles of Animal Handling and Transportation Management <i>Ashutosh, Manju Ashutosh and R.C.Upadhyay</i>	515

24	<i>Stylosanthes</i> , a Potential Forage Legume: Diversity and Its Utilization <i>Amaresh Chandra</i>	533
25	Biotechnology and its Utilisation for Forage Crop Improvement <i>Suresh Kumar</i>	559
26	Residue: Risk and Concern <i>Sanjay Kumar, S.V. Singh and Ashutosh</i>	595
27	Carbon Sequestration Potential of Multipurpose Trees: A Synthesis <i>B. Mohan Kumar</i>	605
28	Climate Change and its Consequences for Crop Production <i>R.K. Bhatt and M.J. Baig</i>	617
29	Methane Emission from Indian Livestock and Environment <i>S.S. Kundu and S.K. Mahanta and S.K. Sirohi</i>	639
30	Intellectual Property Right, (IPR) and Livestock Feeding <i>Sultan Singh, S.S. Kundu and Amrish Tyagi</i>	659
31	Intellectual Property Rights and Prioritization for Forage and Livestock Farming in Post WTO Era <i>Ajoy Kumar Roy</i>	681
	Subject Index	697
