# Atlas of Clinical Hematology

2nd Edition

Springer

## **CONTENTS**

### *Chapter 1*

#### ***Non-Hodgkin Lymphoma . . . . . 1***

##### **Bruce D. Cheson and Bertrand Coiffier**

Diagnosis and Pretreatment Investigation . . . . .	2
B-cell Lymphoma . . . . .	7
T-cell Lymphoma . . . . .	18
Prognostic Factors . . . . .	22
Treatment . . . . .	28
Treatment of Specific Clinical Situations . . . . .	41
Site-specific Treatment Strategies . . . . .	45
Treatment Strategies Based on the Initial Treatment Response . . . . .	47
Follow-up . . . . .	50
Conclusions . . . . .	50

### *Chapter 2*

#### ***Hodgkin Lymphoma . . . . . 53***

##### **Joseph M. Connors and Randy D. Gascogne**

Pathology . . . . .	53
Staging . . . . .	58
Treatment . . . . .	59
Late Effects, Complications, and Follow-up . . . . .	61

### *Chapter 3*

#### ***Plasma Cell Disorders . . . . . 63***

##### **Sagar Lonial**

Monoclonal Gammopathy of Undetermined Significance . . . . .	64
Multiple Myeloma . . . . .	67
Variant Forms of Multiple Myeloma . . . . .	77

### *Chapter 4*

#### ***Myeloid Disorders . . . . . 85***

##### **James M. Foran, Karen L. Chang, and Stephen J. Forman**

Acute Myeloid Leukemia . . . . .	86
Myelodysplastic Disorders . . . . .	109
Myeloproliferative Disorders . . . . .	118
Myelodysplastic Syndromes/Myeloproliferative Disorders . . . . .	136

*Chapter 5*

*Disorders of Hemostasis and Thrombosis . . . . .* 141

**Steven R. Deitcher**

Normal Hemostasis . . . . .	141
Clinical Presentation . . . . .	148
Platelet Disorders . . . . .	150
Qualitative Platelet Disorders . . . . .	156
Coagulation Disorders . . . . .	157
Acquired Hemophilia . . . . .	159
Von Willebrand Disease . . . . .	159
Anticoagulation-associated Bleeding . . . . .	160
Thrombotic Disorders . . . . .	161
Clinical Thrombosis . . . . .	163
Warfarin-induced Skin Necrosis . . . . .	167
Vascular Disorders . . . . .	168

*Chapter 6*

*Anemias . . . . .* 175

**Ayalew Tefferi and Chin-Yang Li**

Red Cell Changes . . . . .	178
Microcytic Anemia: Iron Deficiency Anemia . . . . .	180
Microcytic Anemia: Thalassemia . . . . .	183
Microcytic Anemia: Not Associated with Either Iron Deficiency or Thalassemia . . . . .	184
Normocytic Anemia . . . . .	185
Macrocytic Anemia . . . . .	195
B <sub>12</sub> Deficiency . . . . .	196

*Chapter 7*

*Hematopoietic Stem Cells and Cytokines . . . . .* 201

**John G. Sharp and John D. Jackson, Jr.**

*Index . . . . .*
