

DIMENSIONS of Third Edition HUMAN BEHAVIOR

The Changing Life Course

Elizabeth D. Hutchison

SAGE

DETAILED CONTENTS

Chapter 1. A Life Course Perspective	1
Elizabeth D. Hutchison	
Key Ideas	3
Case Study 1.1: ■ David Sanchez's Search for Connections	4
Case Study 1.2: ■ Mahdi Mahdi's Shared Journey	5
Case Study 1.3: ■ The Suarez Family After September 11, 2001	8
A Definition of the Life Course Perspective	9
Theoretical Roots of the Life Course Perspective	11
Basic Concepts of the Life Course Perspective	11
<i>Cohorts</i>	11
<i>Transitions</i>	14
<i>Trajectories</i>	15
<i>Life Events</i>	15
<i>Turning Points</i>	18
Major Themes of the Life Course Perspective	19
<i>Interplay of Human Lives and Historical Time</i>	19
<i>Timing of Lives</i>	20
Dimensions of Age	21
Standardization in the Timing of Lives	22
<i>Linked or Interdependent Lives</i>	24
Links Between Family Members	24
Links With the Wider World	25
<i>Human Agency in Making Choices</i>	26
<i>Diversity in Life Course Trajectories</i>	27
<i>Developmental Risk and Protection</i>	30
Strengths and Limitations of the Life Course Perspective	33
Integration With a Multidimensional, Multitheoretical Approach	34
Implications for Social Work Practice	36
Key Terms	36
Active Learning	36
Web Resources	37

Chapter 2: Conception, Pregnancy, and Childbirth	39
Marcia P. Harrigan and Suzanne M. Baldwin	
Key Ideas	41
Case Study 2.1: ■ A Change of Plans for Nicole Evans	42
Case Study 2.2: ■ The Thompsons' Premature Birth	43
Case Study 2.3: ■ The Gerekes' Late-Life Pregnancy	45
Sociocultural Organization of Childbearing	46
<i>Family Diversity</i>	47
<i>Conception and Pregnancy in Context</i>	48
<i>Childbirth in Context</i>	49
Place of Childbirth	50
Childbirth Education	51
Hospital Stay	53
Reproductive Genetics	54
<i>Genetic Mechanisms</i>	54
<i>Genetic Counseling</i>	56
Control Over Conception and Pregnancy	58
<i>Contraception</i>	58
<i>Medical Abortion</i>	61
<i>Infertility Treatment</i>	63
Normal Fetal Development	67
<i>First Trimester</i>	67
Fertilization and the Embryonic Period	67
The Fetal Period	69
<i>Second Trimester</i>	70
<i>Third Trimester</i>	70
<i>Labor and Delivery of the Neonate</i>	70
Pregnancy and the Life Course	71
<i>Teen Pregnancy</i>	72
<i>Early Adulthood Pregnancy</i>	74
<i>Delayed Pregnancy</i>	75
Risk and Protective Factors in Conception, Pregnancy, and Childbirth	76
Social Work and Challenges in Childbearing	77
<i>Problem Pregnancies</i>	78
Undesired Pregnancy	78
Ectopic Pregnancy	78
Miscarriage and Stillbirth	79
Maternal Brain Death	79
<i>At-Risk Newborns</i>	80
Prematurity and Low Birth Weight	80
Newborn Intensive Care	82
Major Congenital Anomalies	83
<i>Special Parent Populations</i>	86
Pregnant Substance Abusers	86
Mothers With Eating Disorders	88
Lesbian Mothers	88

Mothers and Fathers With Disabilities	89
Incarcerated Pregnant Women	90
HIV-Infected Mothers	90
Implications for Social Work Practice	91
Key Terms	92
Active Learning	92
Web Resources	93
Chapter 3: Infancy and Toddlerhood	95
Debra J. Woody	
Key Ideas	97
Case Study 3.1: ■ Holly's Early Arrival	98
Case Study 3.2: ■ Sarah's Teen Dad	99
Case Study 3.3: ■ Overprotecting Henry	99
Healthy Development in Infants and Toddlers	100
<i>Physical Development</i>	101
Self-Regulation	102
Sensory Abilities	103
Reflexes	104
Motor Skills	105
The Growing Brain	107
Childhood Immunizations	108
<i>Cognitive Development</i>	109
Piaget's Stages of Cognitive Development	110
Prelanguage Skills	113
<i>Socioemotional Development</i>	114
Erikson's Theory of Psychosocial Development	114
Emotional Control	115
Temperament	117
Bowlby's Theory of Attachment	118
Ainsworth's Theory of Attachment	119
Attachment and Brain Development	122
<i>The Role of Play</i>	122
<i>Developmental Disruptions</i>	124
Child Care Arrangements in Infancy and Toddlerhood	124
<i>Family Leave</i>	124
<i>Paid Child Care</i>	125
Infants and Toddlers in the Multigenerational Family	126
<i>The Breastfeeding Versus Bottle Feeding Decision</i>	127
<i>Postpartum Depression</i>	128
Risks to Healthy Infant and Toddler Development	129
<i>Poverty</i>	129
<i>Inadequate Caregiving</i>	131
<i>Child Abuse</i>	131
Protective Factors in Infancy and Toddlerhood	132
<i>Education</i>	132

<i>Social Support</i>	133
<i>Easy Temperament</i>	133
Implications for Social Work Practice	133
Key Terms	134
Active Learning	134
Web Resources	134
 Chapter 4: Early Childhood	 137
Debra J. Woody and David Woody, III	
Key Ideas	139
Case Study 4.1: ■ Terri's Terrible Temper	140
Case Study 4.2: ■ Jack's Name Change	140
Case Study 4.3: ■ A New Role for Ron and Rosiland's Grandmother	141
Healthy Development in Early Childhood	142
<i>Physical Development in Early Childhood</i>	142
<i>Cognitive and Language Development</i>	143
Piaget's Stages of Cognitive Development	144
Language Skills	145
<i>Moral Development</i>	146
Understanding Moral Development	147
Helping Young Children to Develop Morally	148
<i>Personality and Emotional Development</i>	149
Erikson's Theory of Psychosocial Development	149
Emotions	149
Aggression	150
Attachment	150
<i>Social Development</i>	150
Peer Relations	151
Self-Concept	151
Gender Identity and Sexual Interests	152
Racial and Ethnic Identity	153
<i>The Role of Play</i>	154
Play as an Opportunity to Explore Reality	156
Play's Contribution to Cognitive Development	156
Play as an Opportunity to Gain Control	156
Play as a Shared Experience	156
Play as the Route to Attachment to Fathers	157
<i>Developmental Disruptions</i>	158
Early Childhood Education	159
Early Childhood in the Multigenerational Family	160
Risks to Healthy Development in Early Childhood	162
<i>Poverty</i>	162
<i>Ineffective Discipline</i>	163
<i>Divorce</i>	165
<i>Violence</i>	166

Community Violence	166
Domestic Violence	168
Child Maltreatment	170
Protective Factors in Early Childhood	170
Implications for Social Work Practice	171
Key Terms	172
Active Learning	172
Web Resources	172
Chapter 5: Middle Childhood	173
Leanne Charlesworth, Jim Wood, and Pamela Viggiani	
Key Ideas	177
Case Study 5.1: ■ Anthony Bryant's Impending Assessment	177
Case Study 5.2: ■ Brianna Shaw's New Self-Image	178
Case Study 5.3: ■ Manuel Vega's Difficult Transition	179
Historical Perspective on Middle Childhood	181
Middle Childhood in the Multigenerational Family	182
Development in Middle Childhood	183
<i>Physical Development</i>	183
<i>Cognitive Development</i>	186
<i>Cultural Identity Development</i>	191
<i>Emotional Development</i>	193
<i>Social Development</i>	194
The Peer Group	197
Friendship and Intimacy	198
Team Play	199
Gender Identity and Gender Roles	199
Middle Childhood and Formal Schooling	201
<i>Formal Schooling and Cognitive Development</i>	202
<i>Formal Schooling and Diversity</i>	204
<i>Formal Schooling: Home and School</i>	205
<i>Formal Schooling: Schools Mirror Community</i>	206
Special Challenges in Middle Childhood	209
<i>Poverty</i>	210
<i>Family and Community Violence</i>	212
<i>Mental and Physical Challenges</i>	215
Attention Deficit Hyperactivity Disorder (ADHD)	215
Autistic Spectrum Disorders	215
Emotional/Behavioral Disorder	217
<i>Family Disruption</i>	220
Risk Factors and Protective Factors in Middle Childhood	221
Implications for Practice	224
Key Terms	224
Active Learning	225
Web Resources	225

Chapter 6: Adolescence	227
Susan Ainsley McCarter	
Key Ideas	229
Case Study 6.1: ■ David's Coming-Out Process	230
Case Study 6.2: ■ Carl's Struggle for Identity	230
Case Study 6.3: ■ Monica's Quest for Mastery	231
The Social Construction of Adolescence Across Time and Space	232
The Transition From Childhood to Adulthood	232
Biological Aspects of Adolescence	233
<i>Nutrition, Exercise, and Sleep</i>	233
<i>Puberty</i>	236
<i>The Adolescent Brain</i>	237
Psychological Aspects of Adolescence	238
<i>Psychological Reactions to Biological Changes</i>	238
<i>Changes in Cognition</i>	240
<i>Development of an Identity</i>	241
Theories of Self and Identity	242
Identity Formation	245
Gender Differences	246
Social Aspects of Adolescence	247
<i>Relationships With Family</i>	247
<i>Relationships With Peers</i>	248
<i>Relationships With Institutions</i>	249
School	249
Work	251
Leisure	251
The Internet	253
<i>Relationships With Culture</i>	255
Spiritual Aspects of Adolescence	256
Issues, Challenges, and Problems During Adolescence	258
<i>Sexuality</i>	259
Masturbation	259
Sexual Orientation	259
Sexual Decision Making	261
Oral Sex	263
Pregnancy and Childbearing	264
Sexually Transmitted Diseases	265
<i>Substance Use and Abuse</i>	268
Decision Making About Substance Use	270
Consequences of Substance Use and Abuse	271
<i>Juvenile Delinquency</i>	271
<i>Other Threats to Physical and Mental Health</i>	273
Violence	273
Dating Violence and Statutory Rape	274
Poverty and Low Educational Attainment	275

Obesity and Eating Disorders	276
Depression and Suicide	278
Risk Factors and Protective Factors in Adolescence	278
Implications for Social Work Practice	279
Key Terms	280
Active Learning	280
Web Resources	280
 Chapter 7: Young Adulthood	 283
Holly C. Matto	
Key Ideas	285
Case Study 7.1: ■ Jerome’s Break from School	286
Case Study 7.2: ■ Ben’s New Environment	286
Case Study 7.3: ■ Carla’s Transition to Parenthood	287
A Definition of Young Adulthood	288
Theoretical Approaches to Young Adulthood	290
<i>Erikson’s Psychosocial Theory</i>	290
<i>Levinson’s Theory of Life Structure</i>	291
<i>Arnett’s “Emerging” Adulthood</i>	292
Cultural Variations	294
Multigenerational Concerns	295
Physical Functioning in Young Adulthood	296
The Psychological Self	298
<i>Cognitive Development</i>	298
<i>Spiritual Development</i>	299
<i>Identity Development</i>	301
Social Development and Social Functioning	302
<i>Relationship Development in Young Adulthood</i>	305
Romantic Relationships	306
Parenthood	309
Mentoring	311
