Prologue

*The Horse on the Dining-Room Table* by Richard A. Kalish xxviii

---

## PART ONE Learning about Death, Dying, and Bereavement 1

---

### CHAPTER 1

#### Education about Death, Dying, and Bereavement 2

A Student Studies Death, Dying, and Bereavement 3

Concerns Leading People to the Study of Death-Related Subjects 5

What Is Death Education Like? 6

- How is Death Education Conducted? 6

- Four Dimensions of Death Education 8

Six Goals of Death Education 10

What Are Some of the Things We Can Learn about Life and Living by Studying Death, Dying, and Bereavement? 12

Summary 13

*Glossary* 13

*Questions for Review and Discussion* 14

*Suggested Readings* 14

*Selected Web Resources* 15

---

## PART TWO Death 16

---

### CHAPTER 2

#### Changing Encounters with Death 17

Bryan Lee Curtis Shares His Encounter with Death 18

Encountering Death in America Today 19

Death Rates 19

- Changing Death Rates in the United States 20

- Differences in Changing Death Rates: Gender and Class 22

- Differences in Changing Death Rates: Infant and Maternal Mortality 23

Average Life Expectancy 25

Causes of Death: Communicable versus Degenerative Diseases 26

Dying Trajectories 32

Location of Death	34
What Factors Helped Bring about These Changing Encounters with Death?	36
Summary	41
<i>Glossary</i>	41
<i>Questions for Review and Discussion</i>	42
<i>Suggested Readings</i>	42
<i>Selected Web Resources</i>	43

## CHAPTER 3

### **Changing Attitudes toward Death** 44

Amish Attitudes toward Death	45
The Interplay of Death-Related Encounters and Attitudes	48
Death-Related Attitudes	50
▪ Death Anxiety	50
▪ Death-Related Concerns and Responses	51
▪ Some Implications of Death-Related Attitudes	54
Five Dominant Patterns in Western Attitudes toward Death	55
The Puritans of Seventeenth-Century New England	56
Summary	59
<i>Glossary</i>	59
<i>Questions for Review and Discussion</i>	60
<i>Suggested Readings</i>	60
<i>Selected Web Resources</i>	61

## CHAPTER 4

### **Death-Related Practices and the American Death System** 62

September 11, 2001	63
The Death System in Every Society	63
The American Death System and the Events of September 11, 2001	67
Human-Induced Death	69
▪ Accidents	69
▪ Homicide	71
▪ Terrorism	74
▪ War and Genocide	79
▪ The Holocaust	80
▪ The Nuclear Era	82
Death and Language	84
▪ Language about Death	84
▪ Death-Related Language	86
Death and the Media	87
▪ Vicarious Death Experiences: News Reports in the Media	87
▪ Fantazied Death and Violence: Entertainment in the Media	89
Summary	91
<i>Glossary</i>	92

*Questions for Review and Discussion* 92

*Suggested Readings* 93

*Selected Web Resources* 93

## CHAPTER 5

### **Cultural Differences and Death** 95

A Happy Funeral 96

The Significance for Our Topic of Studying Cultural Differences 97

Hispanic Americans 99

- Hispanic-American Encounters with Death, Dying, and Bereavement 101
- Hispanic-American Attitudes toward Death 103
- Death-Related Practices among Hispanic Americans 104

African Americans 107

- African-American Encounters with Death, Dying, and Bereavement 107
- African-American Attitudes toward Death 110
- Death-Related Practices among African Americans 112

Asian and Pacific Island Americans 113

- Asian and Pacific Island American Encounters with Death, Dying, and Bereavement 114
- Asian and Pacific Island American Attitudes toward Death 114
- Death-Related Practices among Asian and Pacific Island Americans 115

American Indians and Native Alaskans 117

- American Indian and Native Alaskan Encounters with Death, Dying, and Bereavement 118
- American Indian and Native Alaskan Attitudes toward Death 119
- Death-Related Practices among American Indians and Native Alaskans 120

Summary 123

*Glossary* 124

*Questions for Review and Discussion* 124

*Suggested Readings* 125

*Selected Web Resources* 126

## PART THREE **Dying**

127

## CHAPTER 6

### **Coping with Dying** 128

One Family Coping with Life-Threatening Illness and Dying 129

Coping 130

- A Definition of Coping and Its Central Elements 130
- Coping as Learned and Dynamic Behavior 131
- Coping with Dying: Who Is Coping? 133

Dying Trajectories and Awareness Contexts 134

Coping with Dying: A Stage-Based Approach 137

<b>Coping with Dying: A Task-Based Approach</b>	142
■ Why Suggest a Task-Based Model?	142
■ A Task-Based Model for Coping with Dying	142
■ Different Tasks in Different Contexts	148
<b>What Do We Now Know about Coping with Dying?</b>	149
<b>Summary</b>	150
<i>Glossary</i>	150
<i>Questions for Review and Discussion</i>	151
<i>Suggested Readings</i>	151
<i>Selected Web Resources</i>	152

## CHAPTER 7

### **Coping with Dying: How Individuals Can Help** 153

<b>Individuals Who Helped One Family Cope with Life-Threatening Illness and Dying</b>	154
<b>Caring for Persons Who Are Coping with Dying: Human and Professional Tasks</b>	155
<b>Dimensions of Care</b>	156
■ Physical Dimensions	157
■ Psychological Dimensions	160
■ Social Dimensions	164
■ Spiritual Dimensions	165
<b>Tasks as Guidelines for Helping</b>	167
<b>Effective Communication</b>	171
<b>Helping Helpers: Stress, Burnout, and Self-Care</b>	172
<b>Hope</b>	174
<b>Summary</b>	176
<i>Glossary</i>	176
<i>Questions for Review and Discussion</i>	177
<i>Suggested Readings</i>	178
<i>Selected Web Resources</i>	179

## CHAPTER 8

### **Coping with Dying: How Communities Can Help** 180

<b>Social Institutions That Helped One Family Cope with Life-Threatening Illness and Dying</b>	181
<b>Recognizing and Responding to the Needs of Persons Who Are Coping with Dying</b>	181
<b>Hospice Philosophy and Principles</b>	184
<b>Four Programs of Care for Persons Who Are Coping with Dying</b>	187
■ Acute Care: Hospitals	188
■ Chronic Care: Long-Term Care Facilities	190
■ Home Care: Home Health Care Programs	194
■ End-of-Life Care: Hospice Programs	195
<b>Hospice Care and Palliative Care</b>	201
<b>An Institutional Recapitulation</b>	202

Summary 203  
Glossary 203  
Questions for Review and Discussion 204  
Suggested Readings 205  
Selected Web Resources 206

## PART FOUR Bereavement

208

### CHAPTER 9

#### **Coping with Loss and Grief 209**

One Woman Experiencing Her Losses 210

Loss and Bereavement 210

- Loss 211
- Bereavement 212

Grief 213

- What Is Grief? 213
- How Does Grief Relate to Disease, Depression, and Guilt? 214
- Is Grief Typically a Normal and Healthy Reaction to Loss? 216

What Makes a Difference in Bereavement and Grief? 218

Mourning: Orienting Ourselves 220

- Language about Mourning 220
- Interpretations or Theories of Mourning 220

Mourning: Interpretations Involving Phases or Tasks 222

- Phases in Mourning 222
- Tasks in Mourning 224

Mourning: Interpretations Involving Processes 229

- The Dual Process Model 229
- Meaning Reconstruction 230
- Continuing Bonds 231
- Important Characteristics of These Descriptions of Processes in Mourning 232

Mourning as a Potentially Transformative Experience 233

- Fixed End Points 234
- Opportunities for Growth and Transformation 234

Grief, Mourning, and Gender 236

Grief, Mourning, and Families 238

Anticipatory Grief and Mourning 240

Traumatic Loss and Death 242

Complicated Grief Reactions 245

Summary 247

Glossary 247

Questions for Review and Discussion 249

Suggested Readings 250

Selected Web Resources 251

## CHAPTER 10

### **Coping with Loss and Grief: How Individuals Can Help 252**

- Individuals Who Helped One Woman during Her Mourning 253
- Fundamental Needs of Bereaved Persons 253
- Unhelpful Messages 255
- Disenfranchised Grief and Mourning 257
- Animal Deaths and Pet Loss 259
- Some Constructive Suggestions for Helping 262
- Helping Bereaved Persons with Tasks in Mourning 263
  - Helping with Cognitive Tasks 264
  - Helping with Affective Tasks 265
  - Helping with Behavioral Tasks 266
  - Helping with Valuational Tasks 267
- Programs Designed to Facilitate One-to-One Intervention to Help the Bereaved 268
- Facilitating Uncomplicated Grief: Grief Counseling 269
- Summary 275
- Glossary 275
- Questions for Review and Discussion 276
- Suggested Readings 276
- Selected Web Resources 277

## CHAPTER 11

### **Coping with Loss and Grief: Funeral Practices and Other Ways Communities Can Help 279**

- Social Institutions That Provided Support during One Woman's Mourning 280
- Life Crises and Rituals 280
- Typical Elements in Contemporary American Funeral Practices 284
- Contrasting Views Concerning the Value of Contemporary American Funeral Practices 291
- Three Tasks Associated with Funeral Rituals 292
  - Disposition of the Body 292
  - Making Real the Implications of Death 293
  - Reintegration and Ongoing Living 296
- Cemeteries and Selected Memorial Activities 300
- Aftercare Programs in the Funeral Industry 302
- Bereavement Follow-up in Hospice Programs 304
- Support Groups for the Bereaved 305
  - Principles and Practices in Bereavement Support Groups 306
  - Helping Factors in Bereavement Support Groups 310
  - Help Outside the Group 312
- Summary 312
- Glossary 313
- Questions for Review and Discussion 314

## **PART FIVE Developmental Perspectives**

---

### **CHAPTER 12**

#### **Children 319**

One Child and Death 320

Children, Developmental Tasks, and Death 320

Encounters with Death during Childhood 321

- Deaths of Children 322

- Deaths of Others Experienced by Children 327

The Development of Death-Related Concepts in Childhood 328

- The Work of Maria Nagy 328

- The Work of Mark Speece and Sandor Brent 330

- Some Comments on Children's Understandings of Death 332

The Development of Death-Related Attitudes in Childhood 334

- Death-Related Games 335

- Rhymes, Songs, Humor, and Fairy Tales 335

Children Who Are Coping with Life-Threatening Illness and Dying 336

- Anxiety in Ill and Dying Children 336

- Acquiring Information and Changing Concepts of Self 337

- Issues for Ill and Dying Children 338

Children Who Are Coping with Bereavement and Grief 340

- Issues for Bereaved Children 340

- Tasks in Mourning for Bereaved Children 343

Helping Children Cope with Death, Dying, and Bereavement 344

- Some General Suggestions 344

- A Proactive Program of Prior Preparation 346

- Helping Ill or Dying Children 352

- Helping Bereaved Children 354

Summary 358

*Glossary* 358

*Questions for Review and Discussion* 359

*Suggested Readings* 359

*Selected Web Resources* 361

### **CHAPTER 13**

#### **Adolescents 362**

Some High School Students Encounter Death and Grief 363

The Definition and Interpretation of Adolescence 363

Developmental Tasks in Early, Middle, and Late Adolescence 365

Encounters with Death during Adolescence 366

- Deaths and Death Rates among Adolescents 367

- Leading Causes of Death among Adolescents 369

- Two Variables in Deaths of Adolescents: Gender and Race 370
- Deaths of Others Experienced by Adolescents 371

Death-Related Attitudes during Adolescence 372

Adolescents Who Are Coping with Life-Threatening Illness and Dying 376

Adolescents Who Are Coping with Bereavement and Grief 380

Adolescents, Homicide, and Suicide 383

- Homicide and Adolescents 383
- Suicide and Adolescents 386

Helping Adolescents Cope with Death and Bereavement 389

- Education and Prior Preparation 390
- Support and Assistance after a Death 390

Summary 393

Glossary 394

Questions for Review and Discussion 394

Suggested Readings 395

Selected Web Resources 396

## CHAPTER 14

### Young and Middle-Aged Adults 397

An Orthodox Archbishop Faces His Mother's Death 398

Young and Middle-Aged Adults, Developmental Tasks, and Death 399

Encounters with Death during Young and Middle Adulthood 400

- Deaths and Death Rates among Young and Middle Adults 400
- Leading Causes of Death among Young and Middle Adults 403
- Two Variables in Deaths of Young and Middle Adults: Gender and Race 405

Attitudes toward Death among Young and Middle Adults 405

Young and Middle Adults Who Are Coping with Life-Threatening Illness and Dying 407

- Coping as a Young Adult 407
- Coping as a Middle-Aged Adult 408

Young and Middle Adults Who Are Coping with Bereavement and Grief 409

- Death of a Child 409
- Death of a Spouse, Life Partner, Sibling, Peer, or Friend 418
- Death of a Parent or Grandparent 421

Summary 423

Glossary 423

Questions for Review and Discussion 423

Suggested Readings 424

Selected Web Resources 425

## CHAPTER 15

### Older Adults 426

Lives Crowned by Love 427

Older Adults, Developmental Tasks, and Death 428

Encounters with Death during Older Adulthood	432
▪ Deaths and Death Rates among Older Adults	432
▪ <i>Leading Causes of Death among Older Adults</i>	432
▪ Two Variables in Deaths of Older Adults: Gender and Race	434
Attitudes toward Death among Older Adults	436
Older Adults Who Are Coping with Life-Threatening Illness and Dying	437
▪ Maintaining a Sense of Self	437
▪ Participating in Decisions about Their Lives	438
▪ Being Reassured That Their Lives Still Have Value	440
▪ Receiving Appropriate and Adequate Health Care	440
Older Adults Who Are Coping with Bereavement and Grief	441
▪ Illness, Disability, and Loss	442
▪ The Death of a Spouse, Life Partner, Sibling, Friend, or Other Significant Peer	442
▪ The Death of an Adult Child	444
▪ The Death of a Grandchild or Great-Grandchild	444
▪ Loss of a Pet or Companion Animal	445
Suicide among Older Adults	446
Summary	447
<i>Glossary</i>	448
<i>Questions for Review and Discussion</i>	449
<i>Suggested Readings</i>	449
<i>Selected Web Resources</i>	450

## PART SIX    Legal, Conceptual, and Moral Issues

451

### CHAPTER 16

#### Legal Issues 452

Donor Husband, Donor Father 453

American Society and Its Laws 454

Advance Directives for Health Care 455

- Living Wills 456
- Durable Powers of Attorney in Health Care Matters 457
- Five Wishes 459

Definition, Determination, and Certification of Death 460

- *Definition of Death* 460
- Determination of Death 461
- Certification of Death: Death Certificates, Coroners, and Medical Examiners 463

Organ, Tissue, and Body Donation 464

- Background: Tissue Typing, Immunosuppression, and Organ Donation 466
- Tissue Donation 466
- Body Donation 466
- Why There Is a Need for Organ Donation and Transplantation 468
- Who Can Donate 469
- Authorizing Donation: Principles and Procedures 472
- Efforts to Increase Organ and Tissue Donation 474
- Caring for Family Members at the Time of Donation and Afterwards 479

**Disposition of One's Body and Property 482**

- Disposition of Dead Bodies 482
- Disposition of Property: Probate 483
- Wills and Intestacy 483
- Trusts and Other Will Substitutes 484
- Estate and Inheritance Taxes 486

Summary 486

*Glossary 487*

*Questions for Review and Discussion 489*

*Suggested Readings 489*

*Selected Web Resources 491*

**CHAPTER 17**

**Suicide and Life-Threatening Behavior 492**

Two Completed Suicides 493

- Ernest Hemingway 493
- Sylvia Plath 493

Suicide: Individuality and Perplexity 495

What Is Suicide? 495

Some Common Patterns in Suicidal Behavior 497

Efforts to Understand or Explain Suicidal Behavior 501

- Psychological Explanations of Suicide 501
- Biological Explanations of Suicide 503
- Sociological Explanations of Suicide 503

Suicide: An Act with Many Determinants and Levels of Meaning 505

The Impact of Suicide 506

Suicide Intervention 510

Religious Views of the Moral Appropriateness of Suicide 516

- Judaism 516
- Christianity 516
- Islam 516
- Hinduism 517
- Buddhism 517

Summary 517

*Glossary 517*

*Questions for Review and Discussion 519*

*Suggested Readings 519*

*Selected Web Resources 520*

**CHAPTER 18**

**Assisted Suicide and Euthanasia: Intentionally Ending a Human Life 521**

Terri Schiavo 522

Situating the Issues 523

Deciding to End a Human Life: Who Acts?	524
■ Assisted Suicide: Who Acts?	525
■ Euthanasia: Who Acts?	525
Deciding to End a Human Life: What Is Intended?	526
■ Assisted Suicide: What Is Intended?	526
■ Euthanasia: What Is Intended?	529
■ Active versus Passive Euthanasia	530
■ Extraordinary versus Ordinary Means	531
Deciding to End a Human Life: Moral Arguments	534
■ Arguments in Support of Intentionally Ending a Human Life	534
■ Arguments against Intentionally Ending a Human Life	536
Deciding to End a Human Life: Some Religious Perspectives	537
■ Judaism	537
■ Christianity	538
■ Islam	539
■ Hinduism	540
■ Buddhism	541
Euthanasia, Assisted Suicide, and Social Policy	542
■ Euthanasia Practices and Legislation in the Netherlands	542
■ Assisted Suicide Legislation and Practices in Oregon	544
Prospects for the Future	547
Summary	548
<i>Glossary</i>	549
<i>Questions for Review and Discussion</i>	550
<i>Suggested Readings</i>	550
<i>Selected Web Resources</i>	551

## CHAPTER 19

### **The Meaning and Place of Death in Life** 552

The Buddha on the Place of Death in Human Experience 553

The Meaning of Death 553

- Questions Raised by the Fact of Human Mortality 553
- Possible Responses to These Questions 555

Death: A Door or a Wall? 555

Alternative Images of an Afterlife 556

- Greek Concepts of the Afterlife 556
- Some Western Religious Beliefs 558
- Some African Beliefs 560
- Hindu and Buddhist Beliefs 560
- A Common Concern in Images of an Afterlife 563

Near-Death Experiences 564

- What Are Near-Death Experiences? 564
- Interpreting the Meaning of Near-Death Experiences 565

The Place of Death in Human Life 566

- Afterlife Images and Life Here and Now 566
- Efforts to Circumvent or Transcend Death 567

Summary 568  
Glossary 568  
Questions for Review and Discussion 569  
Suggested Readings 569  
Selected Web Resources 570

---

PART SEVEN      **An Example of a Specific Disease Entity**

---

571

CHAPTER 20  
**Illustrating the Themes of This Book 572**

Prologue 572  
Coming to Terms: A Reflection on the Life and Death of My Mother 574  
Encounters with Death and Disease 575

- Reports about a New Disease in the United States 575
- Identifying the New Disease Syndrome: AIDS 576
- Identifying the Cause of the New Disease Syndrome: HIV 577
- HIV in the Body 578
- Recent Encounters with HIV/AIDS-Related Death and Disease in the United States 579
- Differential Encounters with HIV and AIDS in the United States 580
- Encounters with HIV and AIDS around the World 583

Death-Related Attitudes Concerning HIV and AIDS 586

- Early Confusion and Fear 586
- Attitudes and HIV Transmission 586
- Global Attitudes toward HIV and AIDS 588

Death-Related Practices Concerning HIV and AIDS 590

- Minimizing the Risk of Acquiring HIV 590
- Interventions to Fight HIV Infection 591
- Global Practices Related to HIV and AIDS 593

Coping with HIV/AIDS and Helping 594

- Coping with HIV/AIDS and Helping by Individuals 595
- Coping with HIV/AIDS and Helping at the Community Level 599
- Coping with HIV/AIDS and Helping at the National Level 603

Lessons and Values 603  
Summary 605  
Glossary 605  
Questions for Review and Discussion 606  
Suggested Readings 607  
Selected Web Resources 609

Epilogue  
*Calendar Date Gives Mom Reason to Contemplate Life*  
by Elizabeth Vega-Fowler 610
