TABLE OF CONTENTS

PART I **GI Tract and Abdominal Cavity**

SECTION 1 **Peritoneum, Mesentery, and** **Abdominal Wall**

Introduction and Overview

- Peritoneum, Mesentery, and Abdominal Wall **I-1-2**
Michael P. Federle, MD, FACP

Infection

- Abdominal Abscess **I-1-6**
R. Brooke Jeffrey, MD
- Peritonitis **I-1-10**
R. Brooke Jeffrey, MD

Inflammation

- Sclerosing Mesenteritis **I-1-14**
Michael P. Federle, MD, FACP & Venkata S. Anne, MD
- Ascites **I-1-18**
Michael P. Federle, MD, FACP & Shalini Guliani-Chabra, MD
- Omental Infarct **I-1-22**
Michael P. Federle, MD, FACP & Venkata S. Anne, MD

External Hernias

- Inguinal Hernia **I-1-24**
Michael P. Federle, MD, FACP & Shalini Guliani-Chabra, MD
- Femoral Hernia **I-1-28**
Michael P. Federle, MD, FACP & Shalini Guliani-Chabra, MD
- Ventral Hernia **I-1-30**
Michael P. Federle, MD, FACP & Shalini Guliani-Chabra, MD
- Spigelian Hernia **I-1-32**
Michael P. Federle, MD, FACP & Shalini Guliani-Chabra, MD
- Obturator Hernia **I-1-34**
Michael P. Federle, MD, FACP & Shalini Guliani-Chabra, MD

Internal Hernias

- Paraduodenal Hernia **I-1-36**
Michael P. Federle, MD, FACP & Venkata S. Anne, MD

- Transmesenteric Post-Operative Hernia **I-1-40**
Michael P. Federle, MD, FACP & Venkata S. Anne, MD

Trauma

- Traumatic Abdominal Wall Hernia **I-1-44**
Michael P. Federle, MD, FACP & Shalini Guliani-Chabra, MD
- Mesenteric Trauma **I-1-46**
Michael P. Federle, MD, FACP & Shalini Guliani-Chabra, MD
- Traumatic Diaphragmatic Rupture **I-1-48**
Michael P. Federle, MD, FACP & Venkata S. Anne, MD

Neoplasm, Benign

- Mesenteric Cyst **I-1-52**
Michael P. Federle, MD, FACP & Joseph Jen-Sho Chen, BA
- Desmoid **I-1-54**
Michael P. Federle, MD, FACP & Venkata S. Anne, MD

Neoplasm, Malignant

- Mesothelioma **I-1-58**
Terry S. Desser, MD
- Peritoneal Metastases **I-1-62**
R. Brooke Jeffrey, MD
- Pseudomyxoma Peritonei **I-1-66**
R. Brooke Jeffrey, MD

SECTION 2 **Esophagus**

Introduction and Overview

- Esophagus Anatomy and Imaging Issues **I-2-2**
Michael P. Federle, MD, FACP

Congenital

- Esophageal Webs **I-2-6**
Michael P. Federle, MD, FACP & Venkata S. Anne, MD

Infection

- Candida Esophagitis **I-2-8**
Terry S. Desser, MD
- Viral Esophagitis **I-2-12**
Terry S. Desser, MD

Inflammation

- Reflux Esophagitis **I-2-16**
Michael P. Federle, MD, FACP & Venkata S. Anne, MD
- Barrett Esophagus **I-2-20**
Michael P. Federle, MD, FACP & Venkata S. Anne, MD
- Caustic Esophagitis **I-2-24**
Michael P. Federle, MD, FACP & Venkata S. Anne, MD
- Drug-Induced Esophagitis **I-2-28**
Michael P. Federle, MD, FACP & Shalini Guliani-Chabra, MD
- Radiation Esophagitis **I-2-30**
Michael P. Federle, MD, FACP & Shalini Guliani-Chabra, MD

Degenerative

- Achalasia, Cricopharyngeal **I-2-32**
Michael P. Federle, MD, FACP & Venkata S. Anne, MD
- Achalasia, Esophagus **I-2-34**
Michael P. Federle, MD, FACP & Venkata S. Anne, MD
- Esophageal Motility Disturbances **I-2-38**
Michael P. Federle, MD, FACP & Venkata S. Anne, MD
- Scleroderma, Esophagus **I-2-42**
Michael P. Federle, MD, FACP & Venkata S. Anne, MD
- Esophageal Varices **I-2-46**
Michael P. Federle, MD, FACP & Venkata S. Anne, MD
- Schatzki Ring **I-2-50**
Michael P. Federle, MD, FACP & Venkata S. Anne, MD
- Hiatal Hernia **I-2-52**
Michael P. Federle, MD, FACP & Joseph Jen-Sho Chen, BA

Esophageal Diverticula

- Zenker Diverticulum **I-2-56**
Michael P. Federle, MD, FACP & Venkata S. Anne, MD
- Traction Diverticulum **I-2-60**
Michael P. Federle, MD, FACP & Venkata S. Anne, MD
- Pulsion Diverticulum **I-2-62**
Michael P. Federle, MD, FACP & Venkata S. Anne, MD
- Intramural Pseudodiverticulosis **I-2-66**
Michael P. Federle, MD, FACP & Shalini Guliani-Chabra, MD

Trauma

- Esophageal Foreign Body **I-2-68**
Michael P. Federle, MD, FACP & Shalini Guliani-Chabra, MD
- Esophageal Perforation **I-2-70**
Michael P. Federle, MD, FACP & Shalini Guliani-Chabra, MD
- Boerhaave Syndrome **I-2-74**
Michael P. Federle, MD, FACP & Venkata S. Anne, MD

Neoplasm, Benign

- Intramural Benign Esophageal Tumors **I-2-78**
Michael P. Federle, MD, FACP & Joseph Jen-Sho Chen, BA
- Fibrovascular Polyp **I-2-80**
Michael P. Federle, MD, FACP & Venkata S. Anne, MD

Neoplasm, Malignant

- Esophageal Carcinoma **I-2-82**
Michael P. Federle, MD, FACP & Venkata S. Anne, MD
- Esophageal Metastases and Lymphoma **I-2-86**
Michael P. Federle, MD, FACP & Venkata S. Anne, MD

SECTION 3 Gastroduodenal

Introduction and Overview

- Gastroduodenal Anatomy and Imaging Issues **I-3-2**
Michael P. Federle, MD, FACP

Congenital

- Gastric Diverticulum **I-3-6**
Michael P. Federle, MD, FACP & Joseph Jen-Sho Chen, BA
- Duodenal Diverticulum **I-3-8**
Michael P. Federle, MD, FACP & Joseph Jen-Sho Chen, BA

Inflammation

- Gastritis **I-3-10**
Michael P. Federle, MD, FACP & Joseph Jen-Sho Chen, BA
- Gastric Ulcer **I-3-14**
*Michael P. Federle, MD, FACP
Venkata S. Anne, MD & Joseph Jen-Sho Chen, BA*
- Duodenal Ulcer **I-3-18**
*Michael P. Federle, MD, FACP
Venkata S. Anne, MD & Joseph Jen-Sho Chen, BA*
- Zollinger-Ellison Syndrome **I-3-22**
Michael P. Federle, MD, FACP & Venkata S. Anne, MD
- Menetrier Disease **I-3-26**
Michael P. Federle, MD, FACP & Venkata S. Anne, MD
- Caustic Gastroduodenal Injury **I-3-28**
Michael P. Federle, MD, FACP

Trauma

- Duodenal Hematoma and Laceration **I-3-30**
R. Brooke Jeffrey, MD

Neoplasm, Benign

- Gastric Polyps **I-3-32**
Michael P. Federle, MD, FACP & Venkata S. Anne, MD
- Duodenal Polyps **I-3-36**
Michael P. Federle, MD, FACP & Venkata S. Anne, MD
- Intramural Benign Gastric Tumors **I-3-38**
Michael P. Federle, MD, FACP & Joseph Jen-Sho Chen, BA

Neoplasm, Malignant

- Gastric Stromal Tumor **I-3-42**
R. Brooke Jeffrey, MD
- Gastric Carcinoma **I-3-46**
Michael P. Federle, MD, FACP & Venkata S. Anne, MD
- Gastric Lymphoma and Metastases **I-3-50**
Michael P. Federle, MD, FACP & Venkata S. Anne, MD
- Duodenal Carcinoma **I-3-54**
Terry S. Desser, MD
- Duodenal Metastases and Lymphoma **I-3-58**
R. Brooke Jeffrey, MD

Treatment Related

- Fundoplication Complications **I-3-60**
Michael P. Federle, MD, FACP & Shalini Guliani-Chabra, MD

Gastric Bypass Complications **I-3-64**
Michael P. Federle, MD, FACP & Shalini Guliani-Chabra, MD

Miscellaneous

Gastric Bezoar **I-3-68**
Michael P. Federle, MD, FACP & Shalini Guliani-Chabra, MD

Gastric Volvulus **I-3-72**
Michael P. Federle, MD, FACP & Shalini Guliani-Chabra, MD

Aorto-Enteric Fistula **I-3-76**
Michael P. Federle, MD, FACP & Joseph Jen-Sho Chen, BA

SECTION 4 Small Intestine

Introduction and Overview

Small Intestine Anatomy and Imaging Issues **I-4-2**
Michael P. Federle, MD, FACP

Congenital

Malrotation **I-4-6**
*Michael P. Federle, MD, FACP
Shalini Guliani-Chabra, MD & Joseph Jen-Sho Chen, BA*

Meckel Diverticulum **I-4-8**
Michael P. Federle, MD, FACP & Venkata S. Anne, MD

Infection

Intestinal Parasitic Disease **I-4-12**
R. Brooke Jeffrey, MD

Opportunistic Intestinal Infections **I-4-14**
R. Brooke Jeffrey, MD

Inflammation

Sprue-Celiac Disease **I-4-18**
Michael P. Federle, MD, FACP & Venkata S. Anne, MD

Whipple Disease **I-4-22**
Michael P. Federle, MD, FACP & Venkata S. Anne, MD

Mastocytosis **I-4-24**
Michael P. Federle, MD, FACP & Venkata S. Anne, MD

Crohn Disease **I-4-26**
Michael P. Federle, MD, FACP & Venkata S. Anne, MD

Scleroderma, Intestinal **I-4-30**
Michael P. Federle, MD, FACP & Venkata S. Anne, MD

Vascular Disease

Pneumatosis of the Intestine **I-4-34**
*Michael P. Federle, MD, FACP
Venkata S. Anne, MD & Joseph Jen-Sho Chen, BA*

Ischemic Enteritis **I-4-38**
Michael P. Federle, MD, FACP & Joseph Jen-Sho Chen, BA

Vasculitis, Small Intestine **I-4-42**
Michael P. Federle, MD, FACP & Joseph Jen-Sho Chen, BA

Trauma

Intestinal Trauma **I-4-46**
Michael P. Federle, MD, FACP & Venkata S. Anne, MD

Gastrointestinal Bleeding **I-4-50**
Michael P. Federle, MD, FACP & Venkata S. Anne, MD

Neoplasm, Benign

Intramural Benign Intestinal Tumors **I-4-54**
Michael P. Federle, MD, FACP & Joseph Jen-Sho Chen, BA

Hamartomatous Polyposis (P-J) **I-4-56**
Michael P. Federle, MD, FACP & Venkata S. Anne, MD

Small Bowel Carcinoma **I-4-58**
*Michael P. Federle, MD, FACP
Shalini Guliani-Chabra, MD & Venkata S. Anne, MD*

Neoplasm, Malignant

Carcinoid Tumor **I-4-60**
Michael P. Federle, MD, FACP & Venkata S. Anne, MD

Intestinal Metastases and Lymphoma **I-4-64**
Michael P. Federle, MD, FACP & Venkata S. Anne, MD

Miscellaneous

Small Bowel Obstruction **I-4-68**
Michael P. Federle, MD, FACP & Venkata S. Anne, MD

Gallstone Ileus **I-4-72**
Michael P. Federle, MD, FACP & Shalini Guliani-Chabra, MD

Malabsorption Conditions **I-4-74**
Michael P. Federle, MD, FACP & Venkata S. Anne, MD

Intussusception **I-4-78**
Michael P. Federle, MD, FACP & Venkata S. Anne, MD

Radiation Enteritis **I-4-82**
*Michael P. Federle, MD, FACP
Venkata S. Anne, MD & Joseph Jen-Sho Chen, BA*

SECTION 5 Colon

Introduction and Overview

Colon Anatomy and Imaging Issues **I-5-2**
Michael P. Federle, MD, FACP

Infection

Infection Colitis **I-5-6**
Michael P. Federle, MD, FACP & Joseph Jen-Sho Chen, BA

Pseudomembranous Colitis **I-5-10**
Michael P. Federle, MD, FACP & Venkata S. Anne, MD

Typhlitis **I-5-14**
Michael P. Federle, MD, FACP & Venkata S. Anne, MD

Inflammation and Ischemia

Ulcerative Colitis **I-5-16**
Michael P. Federle, MD, FACP & Venkata S. Anne, MD

Toxic Megacolon **I-5-20**
Michael P. Federle, MD, FACP & Venkata S. Anne, MD

Appendicitis **I-5-22**
R. Brooke Jeffrey, MD

Mucocele of the Appendix **I-5-26**
Michael P. Federle, MD, FACP & Venkata S. Anne, MD

Diverticulitis **I-5-28**
Michael P. Federle, MD, FACP & Venkata S. Anne, MD

Epiploic Appendagitis **I-5-32**
Michael P. Federle, MD, FACP & Venkata S. Anne, MD

Ischemic Colitis **I-5-36**
Michael P. Federle, MD, FACP & Venkata S. Anne, MD

Neoplasm

Colonic Polyps **I-5-40**
Michael P. Federle, MD, FACP
Venkata S. Anne, MD & Joseph Jen-Sho Chen, BA

Colon Carcinoma **I-5-44**
Michael P. Federle, MD, FACP
Venkata S. Anne, MD & Joseph Jen-Sho Chen, BA

Rectal Carcinoma **I-5-48**
Michael P. Federle, MD, FACP
Venkata S. Anne, MD & Joseph Jen-Sho Chen, BA

Villous Adenoma **I-5-52**
Michael P. Federle, MD, FACP & Venkata S. Anne, MD

Familial Polyposis **I-5-56**
Michael P. Federle, MD, FACP & Venkata S. Anne, MD

Gardner Syndrome **I-5-60**
Michael P. Federle, MD, FACP & Joseph Jen-Sho Chen, BA

Miscellaneous

Sigmoid Volvulus **I-5-62**
Michael P. Federle, MD, FACP
Venkata S. Anne, MD & Joseph Jen-Sho Chen, BA

Cecal Volvulus **I-5-66**
Michael P. Federle, MD, FACP
Venkata S. Anne, MD & Joseph Jen-Sho Chen, BA

SECTION 6 Spleen

Introduction and Overview

Spleen Anatomy and Imaging Issues **I-6-2**
Michael P. Federle, MD, FACP

Congenital

Asplenia and Polysplenia **I-6-6**
Michael P. Federle, MD, FACP
Shalini Guliani-Chabra, MD & Venkata S. Anne, MD

Accessory Spleen **I-6-10**
Michael P. Federle, MD, FACP
Shalini Guliani-Chabra, MD & Joseph Jen-Sho Chen, BA

Infection

Splenic Infection and Abscess **I-6-12**
R. Brooke Jeffrey, MD

Vascular

Splenic Infarction **I-6-16**
R. Brooke Jeffrey, MD

Trauma

Splenic Trauma **I-6-20**
R. Brooke Jeffrey, MD

Neoplasm

Splenic Cyst **I-6-22**
Michael P. Federle, MD, FACP & Venkata S. Anne, MD

Splenic Tumors **I-6-26**
Michael P. Federle, MD, FACP & Venkata S. Anne, MD

Splenic Metastases and Lymphoma **I-6-30**
Michael P. Federle, MD, FACP
Shalini Guliani-Chabra, MD & Venkata S. Anne, MD

Miscellaneous

Splenomegaly and Hypersplenism **I-6-34**
Michael P. Federle, MD, FACP
Shalini Guliani-Chabra, MD & Venkata S. Anne, MD

PART II Hepatobiliary and Pancreas

SECTION 1 Liver

Introduction and Overview

Liver Anatomy and Imaging Issues **II-1-2**
Michael P. Federle, MD, FACP

Congenital

Congenital Absence of Hepatic Segments **II-1-6**
Michael P. Federle, MD, FACP & Shalini Guliani-Chabra, MD

Congenital Hepatic Fibrosis **II-1-8**
Michael P. Federle, MD, FACP & Venkata S. Anne, MD

AD Polycystic Disease, Liver **II-1-12**
Michael P. Federle, MD, FACP & Shalini Guliani-Chabra, MD

Infection

Hepatitis **II-1-16**
Michael P. Federle, MD, FACP & Venkata S. Anne, MD

Hepatic Candidiasis **II-1-20**
Michael P. Federle, MD, FACP & Venkata S. Anne, MD

Hepatic Pyogenic Abscess **II-1-24**
Michael P. Federle, MD, FACP & Venkata S. Anne, MD

Hepatic Amebic Abscess **II-1-28**
Michael P. Federle, MD, FACP & Venkata S. Anne, MD

Hepatic Hydatid Cyst **II-1-32**
Michael P. Federle, MD, FACP & Venkata S. Anne, MD

Inflammation

Steatosis (Fatty Liver) **II-1-36**
Michael P. Federle, MD, FACP & Venkata S. Anne, MD

Cirrhosis **II-1-40**
Michael P. Federle, MD, FACP & Venkata S. Anne, MD

Focal Confluent Fibrosis **II-1-44**
Michael P. Federle, MD, FACP & Shalini Guliani-Chabra, MD

Primary Biliary Cirrhosis **II-1-48**
Michael P. Federle, MD, FACP & Shalini Guliani-Chabra, MD

Nodular Regenerative Hyperplasia **II-1-52**
Michael P. Federle, MD, FACP & Shalini Guliani-Chabra, MD

Hepatic Sarcoidosis **II-1-56**
Michael P. Federle, MD, FACP & Shalini Guliani-Chabra, MD

Vascular Disorder

Hepatic AV Malformation (O-W-R)	II-1-60
<i>Michael P. Federle, MD, FACR & Shalini Guliani-Chabra, MD</i>	
Budd-Chiari Syndrome	II-1-64
<i>Michael P. Federle, MD, FACR & Venkata S. Anne, MD</i>	
Passive Hepatic Congestion	II-1-68
<i>Michael P. Federle, MD, FACR & Venkata S. Anne, MD</i>	
HELLP Syndrome	II-1-72
<i>Michael P. Federle, MD, FACR & Venkata S. Anne, MD</i>	
Hepatic Infarction	II-1-76
<i>Michael P. Federle, MD, FACR & Shalini Guliani-Chabra, MD</i>	
Peliosis Hepatis	II-1-80
<i>Michael P. Federle, MD, FACR & Shalini Guliani-Chabra, MD</i>	

Metabolic - Inherited

Hemochromatosis	II-1-84
<i>Michael P. Federle, MD, FACR & Venkata S. Anne, MD</i>	
Wilson Disease	II-1-88
<i>Michael P. Federle, MD, FACR & Shalini Guliani-Chabra, MD</i>	

Trauma

Hepatic Trauma	II-1-90
<i>Michael P. Federle, MD, FACR & Venkata S. Anne, MD</i>	
Biliary Trauma	II-1-94
<i>Michael P. Federle, MD, FACR & Shalini Guliani-Chabra, MD</i>	

Neoplasm, Benign

Hepatic Cyst	II-1-98
<i>Michael P. Federle, MD, FACR & Venkata S. Anne, MD</i>	
Hepatic Cavernous Hemangioma	II-1-102
<i>Michael P. Federle, MD, FACR & Venkata S. Anne, MD</i>	
Focal Nodular Hyperplasia	II-1-106
<i>Michael P. Federle, MD, FACR & Venkata S. Anne, MD</i>	
Hepatic Adenoma	II-1-110
<i>Michael P. Federle, MD, FACR & Venkata S. Anne, MD</i>	
Biliary Hamartoma	II-1-114
<i>Michael P. Federle, MD, FACR & Venkata S. Anne, MD</i>	
Hepatic Angiomyolipoma	II-1-118
<i>Michael P. Federle, MD, FACR & Shalini Guliani-Chabra, MD</i>	

Neoplasm, Malignant

Hepatocellular Carcinoma	II-1-120
<i>Michael P. Federle, MD, FACR & Venkata S. Anne, MD</i>	
Fibrolamellar HCC	II-1-124
<i>Michael P. Federle, MD, FACR & Venkata S. Anne, MD</i>	
Cholangiocarcinoma (Peripheral)	II-1-128
<i>Michael P. Federle, MD, FACR & Shalini Guliani-Chabra, MD</i>	
Epithelioid Hemangioendothelioma	II-1-132
<i>Michael P. Federle, MD, FACR & Venkata S. Anne, MD</i>	
Biliary Cystadenocarcinoma	II-1-136
<i>Michael P. Federle, MD, FACR & Venkata S. Anne, MD</i>	
Angiosarcoma, Liver	II-1-140
<i>Michael P. Federle, MD, FACR & Shalini Guliani-Chabra, MD</i>	
Hepatic Metastases and Lymphoma	II-1-144
<i>Michael P. Federle, MD, FACR & Venkata S. Anne, MD</i>	

Treatment Related

Radiation Hepatitis	II-1-148
<i>Michael P. Federle, MD, FACR & Shalini Guliani-Chabra, MD</i>	

SECTION 2 Biliary System

Introduction and Overview

Biliary System Anatomy and Imaging Issues	II-2-2
<i>Michael P. Federle, MD, FACR</i>	

Congenital

Caroli Disease	II-2-6
<i>Michael P. Federle, MD, FACR & Venkata S. Anne, MD</i>	
Choledochal Cyst	II-2-10
<i>Michael P. Federle, MD, FACR & Venkata S. Anne, MD</i>	

Infection

Ascending Cholangitis	II-2-14
<i>Michael P. Federle, MD, FACR & Venkata S. Anne, MD</i>	
Recurrent Pyogenic Cholangitis	II-2-16
<i>R. Brooke Jeffrey, MD</i>	
Pancreato-Biliary Parasites	II-2-20
<i>R. Brooke Jeffrey, MD</i>	
AIDS Cholangiopathy	II-2-22
<i>R. Brooke Jeffrey, MD</i>	

Inflammation

Choledocholithiasis	II-2-26
<i>Michael P. Federle, MD, FACR & Venkata S. Anne, MD</i>	
Mirizzi Syndrome	II-2-30
<i>R. Brooke Jeffrey, MD</i>	
Hyperplastic Cholecystoses	II-2-32
<i>R. Brooke Jeffrey, MD</i>	
Cholecystitis	II-2-34
<i>R. Brooke Jeffrey, MD</i>	
Porcelain Gallbladder	II-2-38
<i>Terry S. Desser, MD</i>	
Milk of Calcium Bile	II-2-40
<i>R. Brooke Jeffrey, MD</i>	
Primary Sclerosing Cholangitis	II-2-42
<i>Michael P. Federle, MD, FACR & Shalini Guliani-Chabra, MD</i>	

Neoplasm, Primary

Gallbladder Carcinoma	II-2-46
<i>R. Brooke Jeffrey, MD, FACR</i>	
Cholangiocarcinoma	II-2-50
<i>Michael P. Federle, MD, FACR & Venkata S. Anne, MD</i>	
Ampullary Carcinoma	II-2-54
<i>R. Brooke Jeffrey, MD</i>	
IPMT, Biliary	II-2-58
<i>R. Brooke Jeffrey, MD</i>	

Treatment Related

Chemotherapy Cholangitis	II-2-60
<i>Michael P. Federle, MD, FACR & Shalini Guliani-Chabra, MD</i>	

SECTION 3

Pancreas

Introduction and Overview

Pancreas Anatomy and Imaging Issues **II-3-2**
Michael P. Federle, MD, FACR

Normal Variants and Congenital

Agenesis of Dorsal Pancreas **II-3-6**
Michael P. Federle, MD, FACR & Shalini Guliani-Chabra, MD

Annular Pancreas **II-3-8**
Michael P. Federle, MD, FACR & Venkata S. Anne, MD

Pancreas Divisum **II-3-12**
Michael P. Federle, MD, FACR & Venkata S. Anne, MD

Ectopic Pancreatic Tissue **II-3-16**
Michael P. Federle, MD, FACR & Shalini Guliani-Chabra, MD

Inflammation

Cystic Fibrosis, Pancreas **II-3-18**
Michael P. Federle, MD, FACR & Shalini Guliani-Chabra, MD

Acute Pancreatitis **II-3-20**
Michael P. Federle, MD, FACR & Venkata S. Anne, MD

Pancreatic Pseudocyst **II-3-24**
Michael P. Federle, MD, FACR & Venkata S. Anne, MD

Chronic Pancreatitis **II-3-28**
Michael P. Federle, MD, FACR & Venkata S. Anne, MD

Trauma

Traumatic Pancreatitis **II-3-32**
Michael P. Federle, MD, FACR & Shalini Guliani-Chabra, MD

Neoplasm, Benign

Serous Cystadenoma of Pancreas **II-3-36**
Michael P. Federle, MD, FACR & Venkata S. Anne, MD

Pancreatic Cysts **II-3-40**
Michael P. Federle, MD, FACR & Shalini Guliani-Chabra, MD

Neoplasm, Malignant

Mucinous Cystic Pancreatic Tumor **II-3-42**
Michael P. Federle, MD, FACR & Venkata S. Anne, MD

IPMT, Pancreas **II-3-46**
Michael P. Federle, MD, FACR & Venkata S. Anne, MD

Pancreatic Ductal Carcinoma **II-3-50**
Michael P. Federle, MD, FACR & Venkata S. Anne, MD

Pancreatic Islet Cell Tumors **II-3-54**
Michael P. Federle, MD, FACR & Venkata S. Anne, MD

Solid and Papillary Neoplasm **II-3-58**
Michael P. Federle, MD, FACR & Joseph Jen-Sho Chen, BA

Pancreatic Metastases and Lymphoma **II-3-60**
Michael P. Federle, MD, FACR & Joseph Jen-Sho Chen, BA

PART III

Genitourinary and Retroperitoneum

SECTION 1

Retroperitoneum

Introduction and Overview

Retroperitoneum Anatomy and Imaging Issues **III-1-2**
Michael P. Federle, MD, FACR

Normal Variants

Duplications and Anomalies of IVC **III-1-6**
Michael P. Federle, MD, FACR
Shalini Guliani-Chabra, MD & Joseph Jen-Sho Chen, BA

Inflammation

Retroperitoneal Fibrosis **III-1-10**
Michael P. Federle, MD, FACR & Venkata S. Anne, MD

Pelvic Lipomatosis **III-1-14**
Michael P. Federle, MD, FACR
Shalini Guliani-Chabra, MD & Joseph Jen-Sho Chen, BA

Trauma

Retroperitoneal Hemorrhage **III-1-16**
Michael P. Federle, MD, FACR & Joseph Jen-Sho Chen, BA

Neoplasm

Retroperitoneal Sarcoma **III-1-20**
Michael P. Federle, MD, FACR & Venkata S. Anne, MD

Retroperitoneal Lymphoma **III-1-24**
R. Brooke Jeffrey, MD

Retroperitoneal Metastases **III-1-28**
Terry S. Desser, MD

Treatment Related

Retroperitoneal Lymphocele **III-1-32**
Terry S. Desser, MD

SECTION 2

Adrenal

Introduction and Overview

Adrenal Anatomy and Imaging Issues **III-2-2**
Michael P. Federle, MD, FACR

Infection

Adrenal TB and Fungal Infection **III-2-6**
Michael P. Federle, MD, FACR
Shalini Guliani-Chabra, MD & Joseph Jen-Sho Chen, BA

Vascular - Traumatic

- Adrenal Hemorrhage **III-2-8**
Michael P. Federle, MD, FACR & Venkata S. Anne, MD

Metabolic

- Adrenal Hyperplasia **III-2-12**
Michael P. Federle, MD, FACR & Venkata S. Anne, MD
- Adrenal Insufficiency **III-2-16**
Michael P. Federle, MD
Shalini Guliani-Chabra, MD, FACR & Joseph Jen-Sho Chen, BA

Neoplasm, Benign

- Adrenal Cyst **III-2-18**
Michael P. Federle, MD, FACR
Shalini Guliani-Chabra, MD & Joseph Jen-Sho Chen, BA
- Adrenal Adenoma **III-2-20**
Michael P. Federle, MD, FACR & Venkata S. Anne, MD
- Adrenal Myelolipoma **III-2-24**
Michael P. Federle, MD, FACR & Venkata S. Anne, MD
- Pheochromocytoma **III-2-26**
Michael P. Federle, MD, FACR & Venkata S. Anne, MD

Neoplasm, Malignant

- Adrenal Carcinoma **III-2-30**
Michael P. Federle, MD, FACR & Venkata S. Anne, MD
- Adrenal Metastases and Lymphoma **III-2-34**
Michael P. Federle, MD, FACR & Venkata S. Anne, MD
- Adrenal Collision Tumor **III-2-38**
Michael P. Federle, MD, FACR & Shalini Guliani-Chabra, MD

SECTION 3 Kidney and Urinary Tract

Introduction and Overview

- Kidney and Urinary Tract Anatomy and Imaging **III-3-2**
Michael P. Federle, MD, FACR

Normal Variants and Pseudolesions

- Renal Ectopia **III-3-6**
Michael P. Federle, MD, FACR
Shalini Guliani-Chabra, MD & Venkata S. Anne, MD
- Horseshoe Kidney **III-3-10**
Michael P. Federle, MD, FACR & Joseph Jen-Sho Chen, BA
- Column of Bertin **III-3-14**
Michael P. Federle, MD, FACR
Shalini Guliani-Chabra, MD & Joseph Jen-Sho Chen, BA

Congenital

- AD Polycystic Disease, Kidney **III-3-16**
Michael P. Federle, MD, FACR & Venkata S. Anne, MD
- von Hippel Lindau Disease **III-3-20**
Michael P. Federle, MD, FACR & Venkata S. Anne, MD
- Ureteropelvic Junction Obstruction **III-3-24**
Michael P. Federle, MD, FACR & Joseph Jen-Sho Chen, BA

Infection

- Pyelonephritis **III-3-28**
Michael P. Federle, MD, FACR & Venkata S. Anne, MD
- Renal Abscess **III-3-32**
Michael P. Federle, MD, FACR
Venkata S. Anne, MD & Joseph Jen-Sho Chen, BA
- Xanthogranulomatous Pyelonephritis **III-3-36**
Michael P. Federle, MD, FACR
Shalini Guliani-Chabra, MD & Joseph Jen-Sho Chen, BA
- Emphysematous Pyelonephritis **III-3-40**
Michael P. Federle, MD, FACR
Shalini Guliani-Chabra, MD & Joseph Jen-Sho Chen, BA
- HIV Nephropathy **III-3-42**
R. Brooke Jeffrey, MD

Inflammation

- Glomerulonephritis **III-3-44**
Terry S. Desser, MD
- Renal Papillary Necrosis **III-3-46**
Michael P. Federle, MD, FACR & Venkata S. Anne, MD
- Urolithiasis **III-3-48**
Michael P. Federle, MD, FACR
Venkata S. Anne, MD & Joseph Jen-Sho Chen, BA
- Nephrocalcinosis **III-3-52**
Terry S. Desser, MD
- Acquired Cystic Disease of Uremia **III-3-56**
Michael P. Federle, MD, FACR & Venkata S. Anne, MD
- Medullary Sponge Kidney **III-3-60**
Michael P. Federle, MD, FACR
Venkata S. Anne, MD & Joseph Jen-Sho Chen, BA

Vascular

- Renal Artery Stenosis **III-3-64**
Michael P. Federle, MD, FACR & Venkata S. Anne, MD
- Renal Infarction **III-3-68**
Michael P. Federle, MD, FACR & Venkata S. Anne, MD
- Renal Vein Thrombosis **III-3-72**
Michael P. Federle, MD, FACR & Joseph Jen-Sho Chen, BA

Trauma

- Renal Trauma **III-3-76**
Michael P. Federle, MD, FACR & Venkata S. Anne, MD

Neoplasm, Benign

- Renal Cyst **III-3-80**
Michael P. Federle, MD, FACR
Venkata S. Anne, MD & Joseph Jen-Sho Chen, BA
- Renal Oncocytoma **III-3-84**
Michael P. Federle, MD, FACR & Venkata S. Anne, MD
- Renal Angiomyolipoma **III-3-88**
Michael P. Federle, MD, FACR & Venkata S. Anne, MD
- Multilocular Cystic Nephroma **III-3-92**
Michael P. Federle, MD, FACR & Venkata S. Anne, MD

Neoplasm, Malignant

- Renal Cell Carcinoma **III-3-96**
Michael P. Federle, MD, FACR & Joseph Jen-Sho Chen, BA

Renal Medullary Carcinoma	III-3-100
<i>Michael P. Federle, MD, FACR & Joseph Jen-Sho Chen, BA</i>	
Transitional Cell Carcinoma	III-3-102
<i>Michael P. Federle, MD, FACR</i>	
<i>Venkata S. Anne, MD & Joseph Jen-Sho Chen, BA</i>	
Renal Metastases and Lymphoma	III-3-106
<i>Michael P. Federle, MD, FACR & Joseph Jen-Sho Chen, BA</i>	

SECTION 4

Ureter

Congenital

Ureteral Duplication	III-4-2
<i>Michael P. Federle, MD, FACR & Joseph Jen-Sho Chen, BA</i>	
Ectopic Ureter	III-4-4
<i>Terry S. Desser, MD</i>	
Ureterocele	III-4-8
<i>Terry S. Desser, MD</i>	

Infection

Ureteritis Cystica	III-4-10
<i>Terry S. Desser, MD</i>	

SECTION 5

Bladder

Introduction and Overview

Bladder Anatomy and Imaging Issues	III-5-2
<i>Michael P. Federle, MD, FACR</i>	

Congenital

Urachal Remnant	III-5-6
<i>Terry S. Desser, MD</i>	

Infection

Cystitis	III-5-8
<i>Terry S. Desser, MD</i>	

Inflammation

Bladder Calculi	III-5-10
<i>Terry S. Desser, MD</i>	
Bladder Diverticulum	III-5-12
<i>Terry S. Desser, MD</i>	
Bladder Fistulas	III-5-14
<i>Terry S. Desser, MD</i>	
Neurogenic Bladder	III-5-16
<i>Michael P. Federle, MD, FACR</i>	
<i>Venkata S. Anne, MD & Joseph Jen-Sho Chen, BA</i>	

Trauma

Bladder Trauma	III-5-18
<i>Michael P. Federle, MD, FACR</i>	
<i>Venkata S. Anne, MD & Joseph Jen-Sho Chen, BA</i>	

Neoplasm

Bladder Carcinoma	III-5-22
<i>Michael P. Federle, MD, FACR & Joseph Jen-Sho Chen, BA</i>	

SECTION 6

Genital Tract (Male)

Introduction and Overview

Genital Tract Anatomy and Imaging Issues	III-6-2
<i>Michael P. Federle, MD, FACR</i>	

Congenital

Cryptorchidism	III-6-6
<i>Terry S. Desser, MD</i>	

Infection

Epididymitis	III-6-8
<i>R. Brooke Jeffrey, MD</i>	
Prostatitis	III-6-10
<i>Terry S. Desser, MD</i>	

Inflammation

Urethral Stricture	III-6-12
<i>Michael P. Federle, MD, FACR & Joseph Jen-Sho Chen, BA</i>	
Hydrocele	III-6-14
<i>R. Brooke Jeffrey, MD</i>	
Varicocele	III-6-16
<i>R. Brooke Jeffrey, MD</i>	
Testicular Torsion	III-6-18
<i>R. Brooke Jeffrey, MD</i>	
Benign Prostatic Hypertrophy	III-6-20
<i>R. Brooke Jeffrey, MD</i>	

Trauma

Scrotal Trauma	III-6-22
<i>R. Brooke Jeffrey, MD</i>	

Neoplasm

Gonadal Stromal Tumors	III-6-24
<i>Terry S. Desser, MD</i>	
Testicular Carcinoma	III-6-26
<i>R. Brooke Jeffrey, MD</i>	
Prostate Carcinoma	III-6-30
<i>Michael P. Federle, MD, FACR & Venkata S. Anne, MD</i>
