1	Negotiating the Transport System: An Introduction	1
	Introduction: The emergent field of transport and social inclusion	1
	Objective of the research and definition of social categories	3
	State of the art	8
	Research approach and existing gaps in the literature	14
	Conclusion and outline structure	17
2	Transport and Social Inclusion: The Literature and Policy Background	19
	Introduction: a changing policy environment	19
	Key legislation and policy	19
	Transport and traffic schemes: the social dimension	23
	Transport and social inclusion/exclusion	37
	Conclusion	49
3	Research Approach and Methodology	53
	Introduction: methods, techniques and options	53
	Research questions	54
	Using case studies	58
	Conducting the research: techniques and considerations	66
	Advantages and disadvantages of qualitative work	76
	Conclusion: using empirical investigation to develop new understandings	77
4	Transport and Social Inclusion: The Urban Experience	79
	Introduction: locating the urban case study	79
	Life in Barton: some empirical insights	87
	Empirical research findings: key impacts of transport identified	91
	Identifying dynamics and projecting forward: the baseline scenario, policy changes and transport interventions	116
	<i>Conclusion: urban concerns, urban solutions</i>	124

5	Transport and Social Inclusion: The Rural Experience	125
	Introduction: locating the rural case study	125
	Life in Charlbury: some empirical insights	132
	Empirical research findings: key impacts of transport identified	133
	Identifying dynamics and projecting forward: the baseline scenario, policy changes and transport interventions	154
	Conclusion: rural stories, rural lessons	160
6	Revealed Perspectives: Common Themes and Disparate Discourses	161
	Introduction: transport and social inclusion through an alternative lens	161
	Q methodology: a response to the need for more perceptive insights	161
	Detailed research design: the Q methodology study	162
	New insights: themes, discourses and perspectives	172
	Discourse A	175
	Discourse B	178
	Discourse C	180
	Discourse D	182
	The value of Q	186
	Conclusion: reflecting on the Q study findings	189
7	Contemporary Transport Issues and Contexts: Theoretical, Methodological and Policy and Planning Implications	191
	Introduction: key findings, contexts and implications	191
	Theoretical implications of the research	192
	Methodological implications of the research	198
	Policy and planning implications of the research	201
	Future research and policy recommendations: eliminating transport based exclusion	205
	Conclusion: creating transport transparencies	206
	<i>Appendix 1: Interview Guide</i>	<i>211</i>
	<i>Appendix 2: Principal participants in study</i>	<i>215</i>
