

A composite image at the top of the cover. On the left, a close-up of a microscope's objective lenses and stage. A slide with a green fluorescent spot is visible. On the right, a portion of a laptop keyboard and a small inset image showing a blue and orange textured surface, possibly a biological or material structure.

 WILEY

A CELL BIOLOGIST'S GUIDE TO

MODELING AND BIOINFORMATICS

RAQUELL M. HOLMES

A small, detailed image in the bottom right corner showing a complex, porous, lattice-like structure, possibly a biological scaffold or a material structure.

Contents

Book Overview	ix
Acknowledgments	xiii
1. Introduction	1
2. Sequence Alignments and Database Searches	9
3. Family-Domain Databases	35
4. Getting Started: Modeling	57
5. Modeling Metabolism	75
6. Cell Cycle	103
7. Calcium Dynamics	121
8. Advanced Computing	165
Glossary	189
