Chapter 3	<b>Design of Workplace Health Promotion Programs</b>	49
	<i>Michael P. O'Donnell, with comments by Tim McDonald and John Harris</i>	
	Introduction	49
	Phase I: Structuring the Design Process	50
	Phase II: Collecting Data: Conducting a Feasibility Study or Needs Assessment	55
	Phase III: Program Design: Developing Program Content and Management Structure	61
	Conclusion	69
	Appendix A: Unique Needs of Health Promotion Programs Serving Workers in Industrial Settings (Tim McDonald and John Harris)	70
	Appendix B: A Paradigm Shift: Keeping People Healthy versus Reducing Health Risks	74
Chapter 4	<b>Program Management of Workplace Health Promotion Programs</b>	78
	<i>William B. Baun</i>	
	Introduction	78
	Program Administration	81
	Program Marketing	89
	Program Delivery	94
	Financial Control and Budgeting	105
	Facilities and Equipment	108
	Conclusion	112
Chapter 5	<b>Program Evaluation</b>	116
	<i>Ron Z. Goetzel and Ronald J. Ozminkowski</i>	
	Introduction	116
	Purpose, Scope, and Format of Chapter	117
	Developing an Evaluation Plan	118
	Research Principles	125
	Conclusion	160
	Appendix: Employee Satisfaction Survey	164
Chapter 6	<b>Awareness Strategies</b>	166
	<i>Larry S. Chapman</i>	
	Introduction	166
	The Role of Awareness Strategies in Health Promotion Programs	166
	Major Awareness Methods	169
	One Model for Awareness Interventions in the Worksite	177

	Suggestions for Effective Awareness Strategies	178
	Conclusion	179
Chapter 7	<b>Theoretically-Based Strategies for Health Behavior Change</b>	<b>182</b>
	<i>Kenneth A. Wallston and Colin Armstrong</i>	
	Introduction	182
	Theories of Health Behavior	183
	Strategies for Health Behavior Change	192
	Conclusion	199
Chapter 8	<b>Building Supportive Cultural Environments</b>	<b>202</b>
	<i>Judd Robert Allen</i>	
	Introduction	202
	Theoretical Context: Born Out of a Quest for Sustained Results	203
	Parallel Theories	203
	The Building Blocks of Culture	204
	Tools for Tapping into the Organizational Unconscious	209
	Jump-Starting a New Health Promotion Program	209
	Adding Culture Change Components to an Established Program	213
	The Future of Culture Change Approaches	215
	Conclusion	215
SECTION IV	INTERVENTIONS	216
Chapter 9	<b>Health Assessment</b>	<b>218</b>
	<i>David R. Anderson, Seth Serxner, and Paul E. Terry</i>	
	Introduction	218
	Planning Health Assessments	219
	Biomedical Screening in the Worksite Health Promotion	227
	Key Applications of Health Risk Assessment in Worksite Health Promotion	236
	Conclusion	239
Chapter 10	<b>Physical Activity in the Workplace</b>	<b>244</b>
	<i>Mark G. Wilson, C. Shannon Griffin-Blake, and David M. DeJoy</i>	
	Introduction	244
	Physical Activity and Health	244
	Physical Activity Trends	245
	Organizational Benefits	246
	Opportunities Ahead	249
	Physical Activity Behavior Change	249
	Fitness Principles	264
	Program Management	266
	Conclusion	267

Chapter 11	<b>Worksite Nutrition Programs</b> <b>274</b> <i>Karen Glanz and Alan R. Kristal</i> Introduction    274 Nutrition and Health: Overview and Current Guidelines    275 Guidelines for Healthy Eating Patterns    277 Current Trends in Diet Affecting Worksite Nutrition Programs    280 Theoretical Foundations For Worksite Nutrition Programs    281 Types of Worksite Nutrition Programs    283 The Impact of Worksite Nutrition Programs    285 Program Evaluation    287 Conclusion    289	
Chapter 12	<b>Worksite Weight Management</b> <b>293</b> <i>Gordon D. Kaplan, Valerie Brinkman-Kaplan, and Edward M. Framer</i> Introduction    293 Background of Obesity as a Health and Economic Problem    293 Treatment Options for Obesity    302 Review of Worksite Weight Management Programs    305 A Model for Effective Worksite Weight Management    319 Conclusion    328	
Chapter 13	<b>Tobacco Control and Cessation</b> <b>338</b> <i>Nell H. Gottlieb</i> Introduction    338 Tobacco and Health    338 Prevalence of Tobacco Use    342 The Context of Tobacco Control    344 The Worksite and Tobacco Control    349 Cessation Interventions    351 Conclusion    359	
Chapter 14	<b>Medical Self-Care</b> <b>363</b> <i>Paul E. Terry</i> Introduction    363 Self-Care Education Program Options    366 Workplace Self-Care Program Implementation Strategies    381 The Employee's Role in Disease Management    383 Conclusion    385	
Chapter 15	<b>Stress Management</b> <b>389</b> <i>Lawrence R. Murphy</i> Introduction    389 The Relationship Between Job Stress and Health    391 Types of Stress Interventions    393 Shifting Attention from Job Stress to Organizational Health    403	

	The Missing Ingredient	406	
	Conclusion	408
