Foreword

Always on: libraries in a world of permanent connectivity xxv
Lorcan Dempsey

Introduction liii
Mohamed Ally

PART 1 THE CHANGING LANDSCAPE 1

1 **Libraries in a networked society** 3
John Naughton

2 **Libraries and Net Gen learners: current and future challenges in the mobile society** 17
Joan K. Lippincott

3 **Encyclopedic knowledge in the mobile age** 29
Agnes Kukulska-Hulme

4 **Nomadicity and information access: the mobile digital library for people on the move** 37
Mohamed Ally

5 **Use of mobile technology for mobile learning and mobile libraries in a mobile society** 47
John M. Traxler

6 **Exploiting mobile communications for library service development: technical possibilities and cultural implications** 57
William Foster and Cain Evans

PART 2 MOBILE TECHNOLOGY FOR DEVELOPMENT 69

7 **Harnessing OERs, mobiles and other technologies for teacher education in Africa: the TESSA and DEEP projects** 71
Freda Wolfenden

8 **Libraries and mobile phones in Southern Africa: possible applications at the University of South Africa Library** 83
Buhle Mbambo-Thata

9 **Mobile information access for community-based health workers in developing countries** 95
Adesina Iluyemi

10 **An effective mobile-friendly digital library to support mobile learners** 109
Yang Cao, Mohamed Ally, Tony Tin, Steve Schafer and Maureen Hutchison

PART 3 INITIATIVES, INNOVATIONS AND CHALLENGES 123

11 **Accessing library resources while on placement: can mobile devices help students?** 125
Lynne Callaghan, Susan J. Lea, Ruth Charlton and Emma Whittlesea

12 **Public libraries, mobile learning and the creative citizen.....135**
Geoff Butters, Margaret Markland and Robert Davies

13 **Mobile support for distance learners: an investigation.....147**
Jane Lunsford

14 **M-learning and m-teaching architectures and the integration of evolving multi-campus educational support e-services.....159**
Ivan Ganchev, Máirtín O'Droma, Damien Meere, Mícheál Ó hAodha and Stanimir Stojanov

15 **Designing and developing e-learning content for mobile platforms: a collaboration between Athabasca University and the Open University.....173**
Tony Tin, Hassan Sheikh and Colin Elliott

16 **Open Library in your pocket – services to meet the needs of on- and off-campus users.....185**
Hassan Sheikh, Susan Eales and Mariano Rico

17 **On metadata for the operationalization of m-libraries.....197**
Jim Hahn

18 **Designing mobile digital libraries in a clinical domain.....207**
Anne Adams

19 **Use of a mobile digital library for mobile learning.....217**
Mohamed Ally, Rory McGreal, Steve Schafer, Tony Tin and Billy Cheung

20 **Digilab: a case study in encouraging mobile learning through library innovation.....229**
Keren Mills, Non Scantlebury amd Rhodri Thomas

PART 4 PRACTICE PERSPECTIVES.....243

21 **From shelf to PDA: how to transform mobile devices into a library information tool.....245**
Àngels Carles, Ana Castellano and Fernando Guerrero

22 **Working towards the ubiquitous library: an exploratory case study of cell phone informatics for new student library orientation** 249
Jim Hahn

23 **A basic plan for mobile service connectivity for the library system of the Open University of Sri Lanka** 255
Wathmanel Seneviratne

24 **Information literacy: sharing ideas for delivery on the move** 263
Peter Godwin, Anne Hewling and Jo Parker

Conclusion: thoughts on the future of m-libraries 269
Gill Needham
