	Screening, Diagnosis, and Treatment of Osteoporosis	272
	Evaluation of Postmenopausal Bleeding	276
	Hormone Replacement Therapy	279
	References	283
	Bibliography	286

Chapter 7	Care of the Woman with Reproductive Health Problems	287
	Abnormal Mammogram Interpretation and Triage	287
	Abnormal Pap Smear Interpretation and Triage	290
	Care of the Woman with Amenorrhea	293
	Care of the Woman with Bacterial Vaginosis	302
	Care of the Woman with Breast Mass	304

Care of the Woman with Chlamydia	308
Care of the Woman Undergoing Colposcopy	311
Care of the Woman with Dysfunctional Uterine Bleeding	315
Care of the Woman with Dysmenorrhea	322
Care of the Woman Undergoing Endometrial Biopsy	324
Care of the Woman with Endometriosis	327
Care of the Woman with Uterine Fibroids	330
Care of the Woman with Genital Candidiasis	333
Care of the Woman with Gonorrhea	335
Care of the Woman with Human Immunodeficiency Virus	338
Care of the Woman with Hepatitis	342
Care of the Woman with Herpes Simplex Virus	346
Care of the Woman with Human Papilloma Virus	349
Care of the Woman with Nipple Discharge	352
Care of the Woman with Parasitic Infestation	355
Care of the Woman with Acute Pelvic Pain	357
Care of the Woman with Chronic Pelvic Pain	360
Care of the Woman with Pelvic Inflammatory Disease	363
Care of the Woman with Cyclic Menstrual Symptoms	366
Care of the Woman with Syphilis	369
Care of the Woman with Trichomoniasis	372
References	375
Bibliography	379

Chapter 8	Primary Care in Women's Health	381
	Care of the Woman with Cardiovascular Problems	382
	Care of the Woman with Dermatologic Disorders	386
	Care of the Woman with Endocrine Disorders	395
	Care of the Woman with Gastrointestinal Disorders	400
	Care of the Woman with Mental Health Disorders	405
	Care of the Woman with Musculoskeletal Problems	412
	Care of the Woman with Respiratory Disorders	415
	Care of the Woman with Urinary Tract Problems	419
	References	424
	Bibliography	426

Appendices	429
Appendix A: An Herbal Primer	429
Appendix B: Food Sources of Selected Nutrients	433
Appendix B-1: Food Sources of Potassium	434
Appendix B-2: Food Sources of Vitamin E	436
Appendix B-3: Food Sources of Iron	437
Appendix B-4: Nondairy Food Sources of Calcium	438
Appendix B-5: Dairy Food Sources of Calcium	439
Appendix B-6: Food Sources of Vitamin A	440
Appendix B-7: Food Sources of Magnesium	441
Appendix B-8: Food Sources of Dietary Fiber	443
Appendix B-9: Food Sources of Vitamin C	445
Index	447
