# Contents

List of Tables **xii**

List of Clinical Considerations **xiii**

## **1** Introduction 1

## **2** Anatomic Concepts 3

Divisions of Anatomy 4

Descriptive Anatomic Terms 4

Anatomic Variation 6

## **3** Body Systems 7

Cellular Organization 8

Integumentary System 8

Muscular System 11

Skeletal System 14

Circulatory System 19

Nervous System 22

## **4** The Oral Cavity, Palate, and Pharynx 31

Lips 32

Vestibule 32

Oral Cavity Proper 34

Tongue 36

Palate 38

Teeth 41

Pharynx 47

## **5** Embryology of the Head and Neck 50

The Head and Neck 51

Head and Neck Development 51

Pharyngeal Arch, Groove, and Pouch Development 53

Floor of the Pharynx 59

Face, Nose, and Palate Development 61

## **6** Osteology 66

Skull and Cervical Vertebrae 67

Skull 67

Mandible 79

Hyoid Bone 80

Cervical Vertebrae 80

## **7** Neck 104

Clinical Consideration 106

Surface Anatomy 106

Superficial Structures of the Neck 107

Deep Fascia 109

Posterior Aspects of the Neck 114  
Triangles of the Neck 114  
Deep Prevertebral Muscles of the Neck 136

## **8** Superficial Face 137

Surface Anatomy 138  
Scalp 138  
Face 143

## **9** Cranial Fossa 152

Dura Mater 153  
Diploic and Emissary Veins 159  
Cranial Nerves 159

## **10** Eye and Ear 161

Orbit 162  
Ear 174

## **11** Parotid Bed 179

Superficial Anatomy and Boundaries 180  
Parotid Gland 181  
Carotid Arteries 184  
Facial Nerve 185  
Structures Deep to the Parotid Bed 186

## **12** Deep Face 188

Regional Innervation and Vascular Supply 189  
Descriptions and Boundaries 189  
Muscles and Fascia 191  
Vascular Supply 200  
Innervation 204  
Mastication 206

## **13** Temporomandibular Joint 208

Joint Anatomy 209  
Types of movement 213

## **14** Pterygopalatine Fossa, Nasal Cavity, and Paranasal Sinuses 216

Pterygopalatine Fossa 217  
External Nose 220  
Internal Nose 221  
Nasal Cavity 221  
Paranasal Sinuses 224  
Vascular and Nerve Supply of the Nasal Cavity and Paranasal Sinuses 226

## **15** Submandibular Region and Floor of Mouth 229

Contents and Boundaries 230  
Muscles and Fascia 230  
Salivary Glands 237

## **16** Palate, Pharynx, and Larynx 243

Pharyngeal Plexus 244  
Palate 244  
Pharynx 249  
Esophagus 254  
Larynx 255  
Trachea 261  
Deglutition 262

## **17** Brain and Spinal Cord 263

Meninges 264

Brain **265**

Spinal Cord **276**

## **18** Cranial Nerves **278**

Cranial Nerves **279**

Cranial Nerve Modalities **279**

I Olfactory Nerve **281**

II Optic Nerve **281**

III Oculomotor Nerve **282**

IV Trochlear Nerve **285**

V Trigeminal Nerve **285**

VI Abducens Nerve **298**

VII Facial Nerve **299**

VIII Vestibulocochlear Nerve **302**

IX Glossopharyngeal Nerve **303**

X Vagus Nerve **305**

XI Accessory Nerve **308**

XII Hypoglossal Nerve **309**

## **19** Anatomic Basis for Local Anesthesia **311**

Anesthesia **312**

Plexus Anesthesia **312**

Trunk Anesthesia **316**

## **20** Lymphatics of the Head and Neck **327**

Lymph Nodes of the Head and Neck **328**

Lymphatic Drainage of the Head and  
Neck **331**

## **21** Vascular Supply of the Head and Neck **334**

Common Carotid Artery **335**

Subclavian Artery **348**

Veins of the Head and Neck **350**

## **22** Fasciae of the Head and Neck **355**

Cervical Fascia **356**

Cervical Fascial Spaces **360**

Fasciae of the Face and Deep Face **361**

**GLOSSARY 365**

**FIGURE CREDITS 374**

**SUGGESTED READINGS 377**

**INDEX 378**
