# Clinical Toxicological Analysis

Procedures, Results, Interpretation

Volume 2

## **Contents**

- Foreword** V
- Preface** XVII
- List of Contributors** XIX
- Disclaimer** XXIII

### **Volume 1**

|           |  |     |
|-----------|--|-----|
| <b>1</b>  | <b>Introduction</b>  | 1   |
| <b>2</b>  | <b>Requirements for Toxicological Analyses</b>             | 5   |
| <b>3</b>  | <b>Materials for Investigation</b>                         | 11  |
| <b>4</b>  | <b>Methods for Clinical Toxicological Analysis</b>         | 25  |
| <b>5</b>  | <b>Practicability of Clinical Toxicological Analyses</b>   | 59  |
| <b>6</b>  | <b>Quality Assurance</b>                                   | 63  |
| <b>7</b>  | <b>Assessment of Analytical Results</b>                    | 77  |
| <b>8</b>  | <b>The Analytical Toxicological Report</b>                 | 81  |
| <b>9</b>  | <b>Medical Interpretation</b>                              | 89  |
| <b>10</b> | <b>Forensic Aspects</b>                                    | 93  |
| <b>11</b> | <b>Strategy of Clinical Toxicological Investigations</b>   | 95  |
| <b>12</b> | <b>Screening Procedures for "General Unknown" Analysis</b> | 107 |
| <b>13</b> | <b>Nonopioid Analgesics and Antirheumatics</b>             | 189 |

|    |  |     |
|----|--|-----|
| 14 | <b>Analgesics: Opiates and Opioids</b>                                       | 215 |
| 15 | <b>Antidysrhythmic Agents</b>  | 271 |
| 16 | <b>Anticonvulsants</b>   | 287 |
| 17 | <b>Anticoagulants</b>  | 301 |
| 18 | <b>Bronchodilators</b>   | 313 |
| 19 | <b>Calcium Channel Blockers</b>  | 317 |
| 20 | <b>Cardiac Glycosides</b>  | 327 |
| 21 | <b>Hypnotics: Barbiturates</b>   | 339 |
| 22 | <b>Hypnotics and Sedatives: Benzodiazepines</b>                              | 351 |
| 23 | <b>Hypnotics and Sedatives (Except for Barbiturates and Benzodiazepines)</b> | 367 |
| 24 | <b>Neuroleptic Drugs and Antidepressants</b>                                 | 393 |

## Volume 2

|        |  |     |
|--------|--|-----|
| 25     | <b>β-Receptor Blocking Drugs</b>               | 455 |
|        | <i>L. von Meyer and W.R. Külpmann</i>          |     |
| 25.1   | Immunoassay                                    | 455 |
| 25.2   | High-Performance Liquid Chromatography         | 455 |
| 25.3   | Gas Chromatography                             | 457 |
| 25.4   | Medical Assessment and Clinical Interpretation | 457 |
|        | References                                     | 462 |
| 26     | <b>Drugs of Abuse</b>                          | 463 |
|        | <i>H. Köferstein</i>                           |     |
| 26.1   | Amphetamines                                   | 463 |
|        | <i>G. Sticht and H. Köferstein</i>             |     |
| 26.1.1 | Immunoassay                                    | 466 |
| 26.1.2 | High-Performance Liquid Chromatography         | 467 |
| 26.1.3 | Gas Chromatography – Mass Spectrometry         | 467 |
| 26.1.4 | Medical Assessment and Clinical Interpretation | 469 |
| 26.2   | Cannabinoids                                   | 470 |
|        | <i>L. von Meyer and H. Köferstein</i>          |     |
| 26.2.1 | Immunoassay                                    | 470 |
| 26.2.2 | Thin-Layer Chromatography                      | 471 |

|          |   |     |
|----------|---|-----|
| 26.2.3   | High-Performance Liquid Chromatography                    | 475 |
| 26.2.4   | Gas Chromatography – Mass Spectrometry                    | 475 |
|          | <i>J. Hallbach and L. von Meyer</i>                       |     |
| 26.2.5   | Medical Assessment and Clinical Interpretation            | 478 |
|          | <i>L. von Meyer, J. Hallbach, and H. König</i>            |     |
| 26.2.6   | Addendum  | 479 |
| 26.2.6.1 | Spice   | 479 |
| 26.3     | Cocaine   | 480 |
|          | <i>H. Köferstein and G. Sticht</i>                        |     |
| 26.3.1   | Immunoassay   | 481 |
| 26.3.2   | High-Performance Liquid Chromatography                    | 482 |
| 26.3.3   | Gas Chromatography–Mass Spectrometry                      | 483 |
| 26.3.4   | Medical Assessment and Clinical Interpretation            | 486 |
| 26.4     | $\gamma$ -Hydroxybutyrate                                 | 488 |
|          | <i>C. Merckel, V. Auwärter, D. Simmert, and F. Pragst</i> |     |
| 26.4.1   | Immunoassay   | 488 |
| 26.4.2   | Gas Chromatography – Mass Spectrometry                    | 489 |
| 26.4.3   | Medical Assessment and Clinical Interpretation            | 491 |
| 26.5     | Ketamine  | 492 |
|          | <i>H. König</i>   |     |
| 26.5.1   | Immunoassay   | 492 |
| 26.5.2   | High-Performance Liquid Chromatography                    | 492 |
| 26.5.3   | Gas Chromatography – Mass Spectrometry                    | 492 |
| 26.5.4   | Medical Assessment and Clinical Interpretation            | 493 |
| 26.6     | Lysergic Acid Diethylamide                                | 494 |
|          | <i>L. von Meyer and W.R. Külpmann</i>                     |     |
| 26.6.1   | Immunoassay   | 494 |
| 26.6.2   | High-Performance Liquid Chromatography                    | 495 |
| 26.6.3   | Gas Chromatography  | 498 |
| 26.6.4   | Medical Assessment and Clinical Interpretation            | 498 |
| 26.7     | Mescaline   | 498 |
|          | <i>W.R. Külpmann</i>                                      |     |
| 26.8     | Phencyclidine   | 499 |
|          | <i>H. Köferstein and G. Sticht</i>                        |     |
| 26.8.1   | Immunoassay   | 499 |
| 26.8.2   | High-Performance Liquid Chromatography                    | 500 |
| 26.8.3   | Gas Chromatography–Mass Spectrometry                      | 500 |
| 26.8.4   | Medical Assessment and Clinical Interpretation            | 502 |
| 26.9     | Psilocybin/Psilocin                                       | 503 |
|          | <i>G. Sticht and H. Köferstein</i>                        |     |
| 26.9.1   | Immunoassay   | 503 |
| 26.9.2   | High-Performance Liquid Chromatography                    | 503 |
| 26.9.3   | Gas Chromatography–Mass Spectrometry                      | 504 |
| 26.9.4   | Medical Assessment and Clinical Interpretation            | 506 |
|          | References  | 507 |

|           |  |     |
|-----------|--|-----|
| <b>27</b> | <b>Solvents and Inhalants</b>                                  | 511 |
| 27.1      | Highly Volatile Alcohols and Ketones                           | 511 |
| 27.1.1    | Ethanol  | 511 |
|           | <i>H.J. Gibitz</i>   |     |
| 27.1.1.1  | Enzymatic Determination  | 512 |
| 27.1.1.2  | Headspace Gas Chromatography                                   | 514 |
| 27.1.1.3  | Medical Assessment and Clinical Interpretation                 | 514 |
| 27.1.2    | Other Highly Volatile Alcohols and Ketones                     | 517 |
|           | <i>F. Degel and H. Desel</i>                                   |     |
| 27.1.2.1  | Introduction   | 517 |
| 27.1.2.2  | Headspace Gas Chromatography                                   | 517 |
| 27.1.2.3  | Medical Assessment and Clinical Interpretation                 | 520 |
| 27.2      | Aromatics (BTEX)   | 523 |
