

The background of the cover features a close-up of a fountain pen with a silver-colored nib and a dark barrel, resting on a piece of paper. Below the pen, a portion of an old, sepia-toned map is visible, showing geographical features and place names. In the bottom right corner, a brass compass is shown, its circular face and needle clearly visible. The overall composition suggests themes of exploration, discovery, and academic research.

Discoveries in Academic Writing
