 Hurry Sickness 102
 What Is Time Management? 103
 Characteristics of Inappropriate Time Management 103
 Steps in Effective Time Management 104
 Other Key Time Management Approaches 108
 Fighting Procrastination: The Great Time Robber 108
 Summary 109
 Key Term Review 110
 Leadership Development Exercises 110
 References 111
- 6 Critical Thinking 113**
 Introduction 114
 Nurses and Critical Thinking 114
 Measures of Critical Thinking 115
 Insights about Critical Thinking 115
 Stages of Critical Thinking in Nursing Practice 116
 Problem Solving and Critical Thinking 116
 Creative Problem Solving 118
 Group Decision Making 123
 Dilemmas Related to Enhancing Critical Thinking 125
 Summary 125
 Key Term Review 126
 Leadership Development Exercises 126
 References 128
- 7 Communicating Effectively 131**
 Introduction 132
 The Importance of Communication 132
 Types of Human Communication 132
 Communication Theories 134
 Effective One-on-One Communication 137
 Emotional Intelligence 138
 Assertive Communication 139
 Enhancing Supportive Communication during Shift Reports 140
 Communicating with Different Generations 143
 Enhancing Collaborative Communication with Physicians 146
 Communicating with Groups 146
 Communicating about Being a Leader 147
 Communicating by Involving Others 148
 Determining How Often to Communicate as a Nurse Leader 148
 Communicating in the Managed Care Environment 148
 Communicating by Empowering Staff 149
 Using Positive Feedback 150
 Giving and Accepting Criticism 150
 Communicating with Supervisors 152
 Avoiding Communication Mistakes 153
 Summary 154
 Key Term Review 155
 Leadership Development Exercises 155
 References 157
 Resources 158
- 8 Managing Conflict 159**
 Introduction 160
 Conflict Defined 160
 Conflict Theory and Models 161
 Conflict Assessment 166
 Conflict Approaches 167
 Establishing an Environment of Care 174
 Other Conflict Approaches 175
 Summary 177
 Key Term Review 178
 Leadership Development Exercises 178
 References 180
- 9 Delegating 183**
 Introduction 184
 Healthcare Changes and Delegation 185
 Guidelines for Delegation 185
 Conceptual Models for Delegation 186
 Determining Legal and Facility Delegation Policies 188

Determining When Delegation Is Appropriate	189
Preparing UAPs	190
Explaining Assistive Personnel's Role to Clients	191
Summary	191
Key Term Review	192
Leadership Development Exercises	192
References	193

Introduction	195
Legal Issues for Nurse Leaders	197
Legal Trends	199
Nurse Leader Responsibility for Legal Issues	201
Ethics and Values	202
Political Issues	210
Summary	214
Key Term Review	216
Leadership Development Exercises	217
References	218

PART III: Advanced Skills to Creatively Lead and Manage 221

11 Motivating and Team Building 223

Introduction	223
Motivational Theories	224
Nursing Research on Motivation	234
Ways to Increase Staff Motivation	235
Team Building	236
Summary	241
Key Term Review	242
Leadership Development Exercises	242
References	244

12 Budgeting and Managing Resources 247

Introduction	247
Budget/Financial Competencies for Senior Nurse Leaders	248

Hospital Nursing Costs, Billing, and Reimbursement	248
Reading Financial Statements	249
Developing a Business Plan	251
Budgets and Budgeting	252
Summary	257
Key Term Review	258
Leadership Development Exercises	258
References	259
Resources	260

13 Demonstrating Effectiveness and Quality Care 261

Introduction	262
The 2006 National Healthcare Quality Report	262
Other AHRQ Resources	265
National Database of Nursing Quality Indicators	267
Outcomes Research and Healthcare Effectiveness	268
Improving Healthcare Disparities	269
Unresolved Information Needs	275
Nursing Data on Quality of Care	275
Client Evaluations and Quality of Health Care	276
Client Registries and Their Effect on Healthcare Practices	278
Pros and Cons of Magnet Recognition as a Way to Improve Care	279
The Presence of Nursing Students and Quality of Care	281
Benchmarking to Make Effective Care Decisions	282
Summary	283
Key Term Review	284
Leadership Development Exercises	284
References	286

14 Managing Change and Innovation 289

Introduction	289
Open Systems Theory	290
Models for Planned Change	292

- Choosing an Appropriate Change Model 301
- Dealing with Resistance to Change 302
- Leading Innovation 304
- Innovating in a Community Hospital 305
- Summary 306
- Key Term Review 307
- Leadership Development Exercises 307
- References 308

15 Using Information Technology 311

- Introduction 312
- The Promise of IT 312
- Evidence-Based Practice and Nursing Informatics 314
- Clinician Input for System Selection and Implementation 316
- Using Electronic Health Records 318
- Preventing Medication and Treatment Errors with Handheld Technology 319
- Seven Strategies for Managing Technological Change 320
- Summary 321
- Key Term Review 322
- Leadership Development Exercises 322
- References 324

PART IV: Creatively Managing Human Resources 325

16 Staffing and Nurse Retention 327

- Introduction 327
- The Relationship between Quality Care and Staffing 328
- Cost-Effectiveness of Staffing Ratios 329
- Determining Staffing Needs 329
- Critical Issues in Retaining Staff 330
- Better Retention through Nursing Theory 332
- Summary 333
- Key Term Review 334
- Leadership Development Exercises 334
- References 335

17 Recruiting and Interviewing 337

- Introduction 338
- Collaborating with Other Departments 338
- Strengthening Recruitment in the Community 339
- Creating Survey Programs 339
- Using Ambassador Cards to Recruit Nurses 340
- Deploying Staff Vehicles as Roving Recruitment Billboards 340
- Recruiting and Interviewing Top-Level Staff 341
- Posing Legal Inquiries When Interviewing Applicants 342
- Choosing a Candidate 346
- Measuring Recruitment Efforts 346
- Summary 347
- Key Term Review 348
- Leadership Development Exercises 348
- References 350

18 Establishing a Healthy Environment 351

- Introduction 351
- Factors That Make for a Healthy Environment 352
- Urban Sprawl 355
- Developing Environments to Support Professional Nursing Practice 356
- Developing an Engaged Nursing Workforce 359
- Summary 361
- Key Term Review 362
- Leadership Development Exercises 362
- References 364

- Failure Disclosure as Leadership Development 376
- Summary 377
- Key Term Review 378
- Leadership Development Exercises 378
- References 379
- 20 Evaluating Staff Performance and Ensuring Quality 381**
- Introduction 381
- Performance Appraisals 382
- A Model to Measure Nursing Practice 385
- Quality of Care 386
- Summary 392
- Key Term Review 393
- Leadership Development Exercises 393
- References 395
- Resource 396
- 21 Coaching and Mentoring 397**
- Introduction 397
- Coaching versus Mentoring 398
- Kramer's Reality Shock Theory 401
- Mentor Programs 402
- Summary 404
- Key Term Review 405
- Leadership Development Exercises 405
- References 407
- 22 Reducing Workplace Violence 409**
- Introduction 409
- Facts and Statistics about Violence 410
- Physical Design Strategies 411
- Administrative Controls 412
- Responding to the Immediate Threat of Workplace Violence 414
- Dealing with the Consequences of Workplace Violence 415
- Research Questions on Workplace Violence 418
- Summary 419
- Key Terms 420
- Leadership Development Exercises 420
- References 421
- 23 Succession Planning 423**
- Introduction 423
- Facts and Statistics about Succession Planning 424
- The Challenge of Succession 424
- Perspectives on Succession Planning 425
- Strategies for Innovative Succession Planning 426
- Summary 427
- Key Term Review 428
- Leadership Development Exercises 428
- References 429
- PART V: Nurse Leaders Speak 431**
- Nurse Leaders Speak 433**
- Faculty/Student Conflict 433
- Helping Nurses Function as a Team 436
- Decreasing Work-Related Injuries 438
- Aid for Muslim Students after 9/11 439
- Closure of a Healthcare Facility 442
- Communication Cards 444
- Adjusting Care Units to Meet Client Needs 446
- Establishing the National Association of Nurse Massage Therapists 447
- Encounters with a Dean: How to Survive 453
- Patient Satisfaction Scores 455
- Mentoring a Nursing Supervisor 457
- Leadership or Friendship? 459
- Helping Staff Grow 460
