

The background of the cover is a blurred photograph of several people in a meeting or office setting. They are wearing business attire, and the image is out of focus, emphasizing the text in the foreground.

Open Source for Knowledge and Learning Management

Strategies Beyond Tools

MILTADIS D. LYTRAS AND AMBJÖRN NAEVE

Open Source for Knowledge and Learning Management: Strategies Beyond Tools

Table of Contents

Foreword.....	viii
Preface.....	xiv
Acknowledgments	xxiii
 Chapter I	
Open Source Software Basics: An Overview of a Revolutionary Research Context.....	1
<i>Eirini Kalliamvakou, Athens University of Economics and Business, Greece</i>	
 Chapter II	
Of Experts and Apprentices: Learning from the KDE Community	16
<i>Christian Reinhardt, University of Innsbruck School of Management, Austria</i>	
<i>Andrea Hemetsberger, University of Innsbruck School of Management, Austria</i>	

Chapter III

Riki: A System for Knowledge Transfer and Reuse in Software

Engineering Projects..... 52

*Jörg Rech, Fraunhofer Institute for Experimental Software Engineering
(IESE), Germany*

*Eric Ras, Fraunhofer Institute for Experimental Software Engineering
(IESE), Germany*

*Björn Decker, Fraunhofer Institute for Experimental Software Engineering
(IESE), Germany*

Chapter IV

Human-Centered Design of a Semantically Enabled Knowledge

Management System for Agile Software Engineering..... 122

Christian Höcht, Technical University of Kaiserslautern, Germany

*Jörg Rech, Fraunhofer Institute for Experimental Software Engineering
(IESE), Germany*

Chapter V

Making Knowledge Management Systems Open: A Case Study

of the Role of Open Source Software 150

Tom Butler, University College Cork, Ireland

Joseph Feller, University College Cork, Ireland

Andrew Pope, University College Cork, Ireland

Ciaran Murphy, University College Cork, Ireland

Chapter VI

Evaluating Open Source in Government: Methodological

Considerations in Strategizing the Use of Open Source in the

Public Sector..... 175

Christian Wernberg-Tougaard, Unisys A/S, Denmark

Patrice-Emmanuel Schmitz, Unisys, Belgium

Kristoffer Herning, Unisys A/S, Denmark

John Gøtze, Copenhagen Business School, Denmark

Chapter VII

Open Culture for Education and Research Environment..... 219

Ernesto Damiani, University of Milan, Italy

Paul G. Mezey, Memorial University of Newfoundland, Canada

Paolo M. Pumilia, 'Open Culture' International Association, Europe

Anna Maria Tammaro, Parma University, Italy

Chapter VIII

European National Educational School Authorities' Actions Regarding Open Content and Open Source Software in Education..... 245

Riina Vuorikari, European Schoolnet (EUN), Belgium

Karl Sarnow, European Schoolnet (EUN), Belgium

Chapter IX

Using Open Source to Building and Accessing Learning Objects and Online Courses..... 266

Christos Bouras, Research Academic Computer Technology Institute and University of Patras, Greece

Maria Nani, Research Academic Computer Technology Institute and University of Patras, Greece

Chapter X

The Development of the OpenACS Community 298

Neophytos Demetriou, Vienna University of Economics and Business Administration, Austria

Stefan Koch, Vienna University of Economics and Business Administration, Austria

Gustaf Neumann, Vienna University of Economics and Business Administration, Austria

Chapter XI

The GALILEI Platform: Social Browsing to Build Communities of Interests and Share Relevant Information and Expertise 319

Pascal Franco, University of Brussels (ULB), Belgium

Chapter XII

Making Government Policies for Education Possible by Means of Open Source Technology: A Successful Case 343

Marcos A. Castilho, Federal University of Paraná, Brazil

Marcos S. Sunye, Federal University of Paraná, Brazil

Daniel Weingaertner, Federal University of Paraná, Brazil

Luis Carlos Erpen de Bona, Federal University of Paraná, Brazil

Fabiano Silva, Federal University of Paraná, Brazil

Alexandre Direne, Federal University of Paraná, Brazil

Laura Sánchez García, Federal University of Paraná, Brazil

Andre Guedes, Federal University of Paraná, Brazil

Carlos Carvalho, Federal University of Paraná, Brazil

Chapter XIII

A Social Constructionist Approach to Learning Communities:

Moodle..... 369

Marc Alier Forment, Universitat Politècnica de Catalunya, Spain

About the Authors..... 382

Index..... 392
