Preface ix

Preface to the Second Edition xi

Preface to the First Edition xiii

- 1 Kidney 1
 - Normal Structure 1
 - Congenital Disorders 4
 - Cystic Diseases 9
 - Endometriosis 18
 - Inflammatory Disorders 18
 - Neoplastic Disorders 26
 - Classification of Renal Cell Carcinoma 46
 - Neuroendocrine Neoplasms of the Kidney 67
 - Mixed Epithelial–Stromal Neoplasms 85
 - Hematopoietic Neoplasms 89
- 2 Renal Pelvis and Ureter 133
 - Normal Structure 133
 - Embryology 134
 - Congenital Disorders 134
 - Proliferative and Metaplastic Variants of Pelvic and Ureteral Urothelium 137
 - Hamartomatous Lesions 140
 - Amyloidosis 142
 - Vascular Disorders 142
 - Inflammatory Disorders of Renal Pelvis and Ureters 143
 - Endometriosis 144
 - Ureteral Mullerianosis 145
 - Neoplasms 145
- 3 Urinary Bladder 175
 - Normal Structure 175
 - Congenital Disorders 176
 - Urothelial Proliferative and Metaplastic Variants 183
 - Melanosis 189
 - Inflammatory Disorders 190
 - Condyloma Acuminatum 201
 - Amyloidosis 202
 - Endometriosis 204
 - Endocervicosis, Endosalpingiosis (Müllerianosis) 205
 - Bladder Rupture 205
 - Hamartoma of the Urinary Bladder 205
 - Myofibroblastic Tumor (Postoperative Spindle Cell Nodule) 206
 - Inflammatory Myofibroblastic Tumor (Inflammatory Pseudotumor) 207
 - Neoplastic Disorders 208
- 4 Urethra 285
 - Normal Structure 285
 - Congenital Disorders 286
 - Proliferative and Metaplastic Variants of Urothelium of the Urethra 286
 - Inflammatory Disorders 287
 - Diverticulum 290
 - Endometriosis 291
 - Amyloidosis 291
 - Urethral Polyps 291
 - Malignant Epithelial Neoplasms 294
 - Mesenchymal Neoplasms 301
 - Metastatic Neoplasms 302
- 5 Testis 313
 - Normal Structure 313
 - Congenital Disorders 315
 - Infertility 322
 - Vascular Disorders 324
 - Inflammatory Disorders 324
 - Cysts 329
 - Neoplasms of the Testis 331
- 6 Testicular Adnexa 407
 - Testicular Tunics 407
 - Testicular Appendages 412
 - Epididymis 412
 - Spermatic Cord 423
- 7 Prostate 451
 - Normal Prostate 451
 - Controlling Prostate Growth 459
 - Congenital Disorders 459
 - Inflammatory Disorders 459
 - Endometriosis 465
 - Amyloidosis 465
 - Extramedullary Hematopoiesis 465
 - Prostatic Infarct 465
 - Atrophy 466
 - Benign Prostate Proliferations 468
 - Nodular Hyperplasia (Benign Prostatic Hyperplasia) 472
 - Atypical Adenomatous Hyperplasia (Adenosis, Microacinar Hyperplasia) 477
 - Neoplasms of the Prostate 478
- 8 Seminal Vesicles 561
 - Normal Structure and Function 561
 - Congenital Disorders of the Seminal Vesicles 562

viii Contents

9 Penis 573

- Normal Structure 573
- Congenital Disorders 573
- Acquired Cysts 573
- Disorders of the Prepuce: Balanoposthitis and Phimosis 574
- Amyloidosis 574
- Ossification (Osseous Metaplasia) 574
- Vascular Disorders 574
- Inflammatory Disorders 575
- Neoplasms 580

10 Scrotum 601

- Normal Structure 601
- Congenital Disorders 601
- Inflammatory Disorders 601
- Idiopathic Calcinosis of the Scrotum 602
- Fibrous Hamartoma of Infancy 602
- Neoplasms 603

Index 613
