Table of Contents

Preface	vii
Acknowledgment.....	xii
On the Texture of This Book: A Reading Guide.....	xiv
<i>The Structure of This Book.....</i>	<i>xxvi</i>
<i>Perspectives on the Audience of This Book</i>	<i>xxxv</i>
<i>The Value of This Book and its Main Contributions</i>	<i>xxxviii</i>
<i>Research Challenges: Textures and New Materiality</i>	<i>xlvi</i>
<i>References</i>	<i>xlvi</i>

Section 1:

Motivation: Current Thinking Outside The Box

Section 1 Introduction

A Pre-Interaction Reflection: The Breakdown of the Box

Chapter 1

Interaction	1
<i>From Desktop Computing to Ubiquitous Computing to Everywhere.....</i>	<i>2</i>
<i>From Computers to Users to Persons to Inhabitats</i>	<i>14</i>
<i>From Interfaces to Interaction.....</i>	<i>17</i>
<i>From Communities of Practice to Combinations of Professions.....</i>	<i>41</i>
<i>A Post-Interaction Reflection: The Return of Boxes</i>	<i>43</i>

<i>Towards Clutter or Texture?</i>	43
<i>References</i>	48

Chapter 2

Textures Matters!	54
<i>Deconstructing the User Interface</i>	61
<i>Discovering Textures</i>	63
<i>Articulation of Textures</i>	65
<i>Meaningful Environments</i>	66
<i>Reading and Rewriting Textures</i>	70
<i>References</i>	71

Chapter 3

A New Architecture?	72
<i>Traditional Architecture</i>	73
<i>The Basics of Architecture</i>	74
<i>Architecture and the Built Environment</i>	76
<i>Towards a New Architecture</i>	78
<i>Physical and Digital Materials</i>	80
<i>New Environments</i>	81
<i>Reflection: Interactive Textures and the Sciences of the Artificial</i>	88
<i>References</i>	90

Section 2:

Foundations: Elements, Textures and Architecture

Section 2 Introduction

Beyond Boxes: Basics That Matter

Chapter 4

Enabling Technologies	95
<i>New Materials and Elements</i>	95
<i>Architectural Thinking on Elements</i>	98
<i>Compositions</i>	98
<i>Interactive Textures</i>	99
<i>Textures in Details: The Making of the New</i>	101
<i>References</i>	111

Chapter 5

Theorizing Interactive Textures	112
<i>Blending Architecture and Interaction Design</i>	112

<i>Textures and Representations</i>	114
<i>Towards a Theory of Textures</i>	115
<i>Textures as Navigational Aids</i>	122
<i>Interaction with and Through Textures</i>	124
<i>References</i>	125

Chapter 6

Interactive Architecture	128
<i>From Digital Elements to Interactive Textures</i>	129
<i>From Textures to Architectures</i>	130
<i>From Architectures to Environments</i>	135
<i>Towards Living Systems: Interactive Architecture and Landscaping</i>	136
<i>References</i>	138

Section 3:

Character: Cases and Concepts

Section 3 Introduction

Making Cases and Seeing with New Eyes

Chapter 7

Five Cases: From Mobile Devices to Interaction Landscaping and the City	142
<i>Case 1. Mobility: Supporting People Moving Around in Places</i>	143
<i>Case 2. Focusing on Places and Public “Input Gates”</i>	145
<i>Case 3. Focusing on Places and Public “Output Gates”</i>	149
<i>Case 4. Totally Interactive Environments</i>	152
<i>Case 5. Everyday City Textures: Times Square, New York</i>	161
<i>Five Different Cases: Some Concluding Remarks</i>	168
<i>References</i>	170

Chapter 8

Interaction through Textures	171
<i>P3-Systems (People-to-People to Geographical Places)</i>	172
<i>Discovering the Interactive Texture</i>	173
<i>Interacting vs. Being (User Vs. Inhabitant)</i>	174
<i>Public Interaction Rituals</i>	174
<i>Conventions for Interaction with and Through Interactive Textures</i>	177
<i>Putting “Interaction Knowledge” into the World</i>	178
<i>The IT- (“Interaction through Textures”) Framework</i>	179
<i>References</i>	182

Section 4:
Exploration: There is No Box

Section 4 Introduction
Getting Real and Realizing Where to Go

Chapter 9

Interactive Architecture and Interaction Landscaping.....	187
<i>IT as Embedded Element.....</i>	<i>188</i>
<i>IT as Infrastructure and Installed Base</i>	<i>189</i>
<i>Lifehacking.....</i>	<i>190</i>
<i>Interaction Landscaping.....</i>	<i>191</i>
<i>References</i>	<i>195</i>

Chapter 10

Conclusions.....	196
<i>A Digital World.....</i>	<i>196</i>
<i>A New Agenda.....</i>	<i>197</i>
<i>Temporal Rooms and New Spatial Engagements</i>	<i>199</i>
<i>References</i>	<i>200</i>
