

A GreenSource BOOK

Green Facilities

Industrial and Commercial LEED Certification

Greg Winkler

CONTENTS

Preface	xiii
Acknowledgments	xv
Chapter 1 Green Facilities	1
What Is Sustainability?	2
The Benefits of Sustainability	2
The ICC and Sustainability	4
LEED Certification	6
Other Sustainability Programs	11
Payback and Return on Investment	12
Energy Calculators and Software	14
Endnotes	17
Chapter 2 Indoor Health and Thermal Comfort	19
Heating	20
Cooling	25
Ventilation and Air Movement	26
Indoor Air Quality	28
Air Intake Economizers	34
Systems Control and Monitoring	35
Special Systems and Strategies	36
Waste Heat Recovery Systems	42
Tobacco Smoke Control	42
PCB Removal	43
Endnotes	45
Chapter 3 Utilities	47
Electric Usage	47
Natural Gas Usage	50
Water Usage	55
Renewable Energy	62
On-Site Energy Generation	66
Wastewater	69
Energy Management Systems	71
Endnotes	77
Chapter 4 Operations	79
Indoor Vehicles	79
Indoor Chemicals	81
Water Management and Recycling	84

Equipment Efficiency	89
Lighting	90
Operations and Maintenance	96
Commissioning	96
Cleaning	97
Shifts and Scheduling	99
Carpooling and Transportation	100
Continuous Improvement	105
<i>Construction Activities</i>	107
Endnotes	108

Chapter 5 Building Features

111

Automatic Entry Doors	111
Vestibules and Airlocks	112
Overhead Doors	113
Loading Docks	115
Lighting	116
Daylighting	119
Windows and Glazing	120
Building Insulation	122
Air Infiltration	123
Toilets	126
Coolers and Freezers	126
Space and Capacity Utilization	128
Optimize Energy Performance	129
Endnotes	132

Chapter 6 Equipment

133

Boilers and Pressure Vessels	133
Chillers	133
Motor-Driven Equipment	136
Spray Booths	137
Ovens	139
Conveying Equipment	141
Vacuum Equipment	143
Welding Equipment	144
Grinding Equipment	144
Drying Equipment	145
Computers and Office Equipment	147
Compressed Air	149
Endnotes	151

Chapter 7 Exterior

153

Landscaping	153
Paving and Surfacing	158
<i>Stormwater</i>	160
Shading	163
Cladding and Siding Materials	167
Roofing Materials and Green Roofs	170

Site Lighting	177
Site Design	178
Heat Island Reduction	181
Site Disturbance	183
Endnotes	184

Chapter 8 Resources **187**

Manufacturers	187
Incentives and Resources	188
Software and Calculators	188
Government and Nonprofit Programs	194
Utility Programs	201

Glossary **217**

Index **227**
