

# HEALTH AND SAFETY, ENVIRONMENT AND QUALITY AUDITS

## **A risk-based approach**

Stephen Asbury and Peter Ashwell

'an excellent read, brilliantly written by two authors who clearly know their subject ... it deserves to become the standard work in this area.'  
Safety and Health Practitioner, July 2007

'an excellent book by two authors who are among the best in the world at both auditing and training auditors.'  
Health and Safety at Work, August 2007
