|   |           |
|---|-----------|
| <b>Chapter 1 Game Stories, Interactivity, and What Players Want.....</b>    | <b>1</b>  |
| The Importance of Stories.....  | 1         |
| Stories in Video Games .....  | 5         |
| Interactive Stories vs. Traditional Stories: The Great Debate .....         | 8         |
| Summary .....   | 11        |
| Things to Consider.....   | 12        |
| <b>Chapter 2 A Brief History of Storytelling in Games .....</b>             | <b>13</b> |
| The Beginnings of Game Stories.....   | 13        |
| Text Adventures and Interactive Fiction.....                                | 16        |
| RPGs, Adventure Games, and the Growing Importance of Stories.....           | 18        |
| The Cinematic Evolution of Game Stories.....                                | 23        |
| Game Stories Today.....   | 26        |
| The Limits of Storytelling in Games.....                                    | 34        |
| Summary .....   | 37        |
| Things to Consider.....   | 38        |
| <b>Chapter 3 The Hero's Journey and the Structure of Game Stories .....</b> | <b>39</b> |
| Types of Stories Best Suited for Games .....                                | 40        |
| The "Best" Story Types .....  | 43        |
| Using Nonideal Stories .....  | 45        |
| The Hero's Journey .....  | 46        |
| What Is the Hero's Journey?.....  | 46        |
| Structure of the Hero's Journey .....                                       | 47        |
| Modifying the Structure.....  | 56        |

|  |            |
|--|------------|
| Common Themes and Clichés in Game Storytelling .....                       | 61         |
| Common Clichés and Themes.....   | 62         |
| Why Clichés Are Used.....  | 65         |
| When to Use and When to Avoid Story Clichés.....                           | 66         |
| Summary .....  | 68         |
| Things to Consider.....  | 69         |
| <b>Chapter 4 The Story and the Characters .....</b>                        | <b>71</b>  |
| Story Flow and Progression .....   | 71         |
| The Importance of Proper Flow and Pacing.....                              | 71         |
| Don't Neglect the Little Things .....                                      | 74         |
| Keeping the Player Engaged.....  | 76         |
| General Pacing Do's and Don'ts.....  | 78         |
| Character Development .....  | 81         |
| Common Character Archetypes.....   | 81         |
| Advantages of Using Archetypes.....  | 84         |
| Disadvantages of Using Archetypes .....                                    | 85         |
| Making Characters Believable.....  | 88         |
| Character Actions and Decisions.....                                       | 89         |
| How Much to Tell and Not Tell Players .....                                | 94         |
| The Importance of Backstory .....  | 95         |
| How to Tell the Backstory.....   | 96         |
| Deciding What to Tell.....   | 98         |
| Sometimes a Mystery Is Best .....  | 101        |
| Summary .....  | 105        |
| Things to Consider.....  | 106        |
| <b>Chapter 5 Making Stories Emotional .....</b>                            | <b>107</b> |
| Connecting with the Characters.....  | 107        |
| The Fine Line Between Drama and Melodrama .....                            | 110        |
| Making the Player Cry.....   | 111        |
| Summary .....  | 115        |
| Things to Consider.....  | 116        |
| <b>Chapter 6 Defining Interactive and Player-Driven Storytelling .....</b> | <b>117</b> |
| What Makes a Story Interactive? .....                                      | 117        |
| What Makes a Story Player-Driven? .....                                    | 119        |
| Interactive Storytelling as a Spectrum.....                                | 119        |

|  |            |
