# Contents

Foreword	5
Sir Bob Kerslake, Chief Executive, Homes and Communities Agency	
Planning for quality	7
How to use Qualityreviewer	9

## Part A The Qualityreviewer method

### *Understand the place*

1 Site and context appraisal	12
2 How policy and guidance apply	14

### *Understand the proposal*

3 Concept	16
4 Impact	18
5 Design quality	20
6 Team	22

### *Understand the implementation*

7 Execution	24
8 Management and maintenance	26

### *Make the decision*

9 Information and advice	27
10 A balanced decision	28

Qualityreviewer at a glance	30
-----------------------------	----

## Part B Thinking about design quality

Using diagrams	34
----------------	----

### *Six sets of design qualities*

Movement and legibility	39
Space and enclosure	46
Mixed uses and tenures	54
Adaptability and resilience	56
Resources and efficiency	57
Architecture and townscape	61

## Part C Qualityreviewer in the planning process

Pre-application discussions	96
Effective design and access statements	96
Outline and full planning applications	98
The planning application process	100

## Appendices

1 Complementary methods	103
2 References	104
