**The Missing Credits. . . . .** **xiii**

**Introduction . . . . .** **1**

***Part One: Getting Started with JavaScript***

**Chapter 1: Writing Your First JavaScript Program . . . . .** **21**

    Introducing Programming . . . . . 22

        What's a Computer Program? . . . . . 24

    How to Add JavaScript to a Page . . . . . 25

        External JavaScript Files . . . . . 27

    Your First JavaScript Program. . . . . 29

    Writing Text on a Web Page. . . . . 31

    Attaching an External JavaScript File . . . . . 33

    Tracking Down Errors . . . . . 34

        The Firefox JavaScript Console. . . . . 35

        Displaying the Internet Explorer 9 Console . . . . . 37

        Opening the Chrome JavaScript Console . . . . . 38

        Accessing the Safari Error Console. . . . . 39

**Chapter 2: The Grammar of JavaScript. . . . .** **41**

    Statements . . . . . 41

    Built-In Functions . . . . . 42

    Types of Data . . . . . 42

        Numbers . . . . . 43

        Strings. . . . . 43

        Booleans . . . . . 44

    Variables. . . . . 45

        Creating a Variable . . . . . 45

        Using Variables . . . . . 48

    Working with Data Types and Variables . . . . . 50

        Basic Math . . . . . 50

        The Order of Operations . . . . . 51

|                                                                       |           |
|-----------------------------------------------------------------------|-----------|
| Combining Strings . . . . .                                           | 51        |
| Combining Numbers and Strings . . . . .                               | 52        |
| Changing the Values in Variables . . . . .                            | 53        |
| Tutorial: Using Variables to Create Messages . . . . .                | 55        |
| Tutorial: Asking for Information . . . . .                            | 57        |
| Arrays . . . . .                                                      | 59        |
| Creating an Array . . . . .                                           | 60        |
| Accessing Items in an Array . . . . .                                 | 62        |
| Adding Items to an Array . . . . .                                    | 63        |
| Deleting Items from an Array . . . . .                                | 66        |
| Tutorial: Writing to a Web Page Using Arrays . . . . .                | 66        |
| A Quick Object Lesson . . . . .                                       | 70        |
| Comments . . . . .                                                    | 72        |
| When to Use Comments . . . . .                                        | 73        |
| Comments in This Book . . . . .                                       | 74        |
| <b>Chapter 3: Adding Logic and Control to Your Programs . . . . .</b> | <b>77</b> |
| Making Programs React Intelligently . . . . .                         | 77        |
| Conditional Statement Basics . . . . .                                | 79        |
| Adding a Backup Plan . . . . .                                        | 82        |
| Testing More Than One Condition . . . . .                             | 83        |
| More Complex Conditions . . . . .                                     | 86        |
| Nesting Conditional Statements . . . . .                              | 88        |
| Tips for Writing Conditional Statements . . . . .                     | 88        |
| Tutorial: Using Conditional Statements . . . . .                      | 89        |
| Handling Repetitive Tasks with Loops . . . . .                        | 93        |
| While Loops . . . . .                                                 | 93        |
| Loops and Arrays . . . . .                                            | 95        |
| For Loops . . . . .                                                   | 97        |
| Do/While Loops . . . . .                                              | 98        |
| Functions: Turn Useful Code Into Reusable Commands . . . . .          | 100       |
| Mini-Tutorial . . . . .                                               | 101       |
| Giving Information to Your Functions . . . . .                        | 102       |
| Retrieving Information from Functions . . . . .                       | 104       |
| Keeping Variables from Colliding . . . . .                            | 105       |
| Tutorial: A Simple Quiz . . . . .                                     | 108       |

## ***Part Two: Getting Started with jQuery***

|                                                   |            |
|---------------------------------------------------|------------|
| <b>Chapter 4: Introducing jQuery . . . . .</b>    | <b>117</b> |
| About JavaScript Libraries . . . . .              | 117        |
| Getting jQuery . . . . .                          | 119        |
| Adding jQuery to a Page . . . . .                 | 122        |
| Modifying Web Pages: An Overview . . . . .        | 124        |
| Understanding the Document Object Model . . . . . | 127        |

|                                                                                      |            |
|--------------------------------------------------------------------------------------|------------|
| Selecting Page Elements: The jQuery Way . . . . .                                    | 129        |
| Basic Selectors . . . . .                                                            | 130        |
| Advanced Selectors . . . . .                                                         | 133        |
| jQuery Filters . . . . .                                                             | 135        |
| Understanding jQuery Selections . . . . .                                            | 136        |
| Adding Content to a Page . . . . .                                                   | 138        |
| Replacing and Removing Selections . . . . .                                          | 140        |
| Setting and Reading Tag Attributes . . . . .                                         | 141        |
| Classes . . . . .                                                                    | 142        |
| Reading and Changing CSS Properties . . . . .                                        | 143        |
| Changing Multiple CSS Properties at Once . . . . .                                   | 144        |
| Reading, Setting, and Removing HTML Attributes . . . . .                             | 146        |
| Acting on Each Element in a Selection . . . . .                                      | 147        |
| Anonymous Functions . . . . .                                                        | 148        |
| <i>this</i> and <i>\$(this)</i> . . . . .                                            | 149        |
| Automatic Pull Quotes . . . . .                                                      | 150        |
| Overview . . . . .                                                                   | 151        |
| Programming . . . . .                                                                | 152        |
| <b>Chapter 5: Action/Reaction: Making Pages Come<br/>Alive with Events . . . . .</b> | <b>157</b> |
| What Are Events? . . . . .                                                           | 157        |
| Mouse Events . . . . .                                                               | 159        |
| Document/Window Events . . . . .                                                     | 160        |
| Form Events . . . . .                                                                | 161        |
| Keyboard Events . . . . .                                                            | 162        |
| Using Events the jQuery Way . . . . .                                                | 162        |
| Tutorial: Introducing Events . . . . .                                               | 165        |
| More jQuery Event Concepts . . . . .                                                 | 169        |
| Waiting for the HTML to Load . . . . .                                               | 169        |
| jQuery Events . . . . .                                                              | 171        |
| The Event Object . . . . .                                                           | 173        |
| Stopping an Event's Normal Behavior . . . . .                                        | 175        |
| Removing Events . . . . .                                                            | 175        |
| Advanced Event Management . . . . .                                                  | 177        |
| Other Ways to Use the <i>bind()</i> Function . . . . .                               | 179        |
| Tutorial: A One-Page FAQ . . . . .                                                   | 180        |
| Overview of the Task . . . . .                                                       | 180        |
| The Programming . . . . .                                                            | 180        |
| <b>Chapter 6: Animations and Effects . . . . .</b>                                   | <b>185</b> |
| jQuery Effects . . . . .                                                             | 185        |
| Basic Showing and Hiding . . . . .                                                   | 187        |
| Fading Elements In and Out . . . . .                                                 | 187        |
| Sliding Elements . . . . .                                                           | 188        |

|                                                             |     |

## ***Part Three: Building Web Page Features***

### **Chapter 7: Improving Your Images . . . . . 207**

|                                                 |     |
|-------------------------------------------------|-----|
| Swapping Images . . . . .                       | 207 |
| Changing an Image's src Attribute . . . . .     | 208 |
| Preloading Images . . . . .                     | 209 |
| Rollover Images. . . . .                        | 210 |
| Tutorial: Adding Rollover Images . . . . .      | 211 |
| Overview of the Task . . . . .                  | 212 |
| The Programming . . . . .                       | 213 |
| Tutorial: Photo Gallery with Effects . . . . .  | 216 |
| Overview of Task . . . . .                      | 217 |
| The Programming . . . . .                       | 218 |
| Advanced Gallery with jQuery FancyBox . . . . . | 222 |
| The Basics. . . . .                             | 223 |
| Creating a Gallery of Images . . . . .          | 225 |
| Customizing FancyBox . . . . .                  | 226 |
| Tutorial: FancyBox Photo Gallery . . . . .      | 231 |

### **Chapter 8: Improving Navigation . . . . . 235**

|                                                  |     |
|--------------------------------------------------|-----|
| Some Link Basics . . . . .                       | 235 |
| Selecting Links with JavaScript . . . . .        | 235 |
| Determining a Link's Destination . . . . .       | 236 |
| Don't Follow That Link . . . . .                 | 237 |
| Opening External Links in a New Window . . . . . | 238 |
| Creating New Windows . . . . .                   | 240 |
| Window Properties . . . . .                      | 241 |
| Opening Pages in a Window on the Page . . . . .  | 245 |
| Tutorial: Opening a Page Within a Page . . . . . | 248 |
| Basic, Animated Navigation Bar . . . . .         | 249 |
| The HTML . . . . .                               | 250 |
| The CSS . . . . .                                | 252 |
| The JavaScript . . . . .                         | 253 |
| The Tutorial . . . . .                           | 254 |

## **Chapter 9: Enhancing Web Forms. . . . . 257**

|                                                             |     |
|-------------------------------------------------------------|-----|
| Understanding Forms . . . . .                               | 257 |
| Selecting Form Elements . . . . .                           | 259 |
| Getting and Setting the Value of a Form Element . . . . .   | 261 |
| Determining Whether Buttons and Boxes Are Checked . . . . . | 262 |
| Form Events . . . . .                                       | 263 |
| Adding Smarts to Your Forms . . . . .                       | 268 |
| Focusing the First Field in a Form . . . . .                | 268 |
| Disabling and Enabling Fields . . . . .                     | 269 |
| Hiding and Showing Form Options . . . . .                   | 271 |
