

Managing Online Instructor Workload

Strategies for Finding
Balance and Success

JOSSEY-BASS GUIDES TO ONLINE TEACHING AND LEARNING

Simone C. O. **CONCEIÇÃO** Rosemary M. **LEHMAN**

CONTENTS

List of Tables and Figures	vii
Preface	ix
About the Authors	xv
ONE Issues and Challenges When Teaching Online	1
Institutional Issues and Challenges	3
Instructional Issues and Challenges	9
Our Study on Instructor Workload When Teaching Online	15
Summary	17
TWO Instructors' Stories for Balancing Workload	19
Co-teaching as a Strategy for Balancing Workload	21
Planning Ahead as a Way to Predict Workload	23
Giving Individual Feedback as a Workload Management Strategy	25
Managing Time, Rather Than Time Managing You	27
Blocking Out Time for the Online Course	28
Teaching Online During Short Terms	30
Using Time Allocation Strategies When Teaching for Multiple Institutions	32
Teaching Online Exclusively from Home	34
Managing Workload Based on Years of Experience	36
Teaching Online for a Variety of Institutions	38
Cohort Program as a Time-Saver	40
Managing Similar Tasks When Designing for Multiple Courses	42

Teaching a Recurring Mixed-Mode Online Course	44
Managing Workload When Current Information Drives Content	45
Summary	48
THREE Looking at Workload from a Design Perspective	49
Identifying Course Tasks	51
Why It Is Important to Use an Instructional Design Process	52
Design Framework for Creating a Sense of Presence	54
Using a Template to Manage Tasks and Prioritize Time	61
Summary	62
FOUR Managing Tasks and Prioritizing Time	63
Creating a New Online Course	64
Converting a Face-to-Face Course	70
Revising an Existing Online Course	74
Summary	79
FIVE Using Workload Strategies for Maintaining Quality of Life	81
Design Strategies	82
Support Strategies	86
Teaching Strategies	87
Time Allocation Strategies	90
Summary	94
SIX Final Thoughts and Practical Implications for Balancing Workload	95
Teaching from an Open Perspective	96
Adapting the Course Design	96
Modifying Workload Strategies	97
Rethinking How to Prioritize Time and Manage Workload	97
Practical Implications for Balancing Workload	99
Glossary	101
References	105
