Contents

UNIT ONE The Adult Learner and the Practical/ Vocational Nursing Program, 1

- 1 The Adult Learner: Hints to Succeed, 1**
 - Diversity of the Adult Learner, 1
 - Formal and Informal Educational Experiences, 3
 - Geared for Success*, 3
 - Liabilities and Hidden Dangers, 3
 - Hidden Danger Shared by all Adult Learners, 4
 - Dangers for the Traditional Adult Learner, 4
 - Dangers for the Returning Adult Learner, 4
 - Dangers for the Recycled Adult Learner, 5
 - Special Challenges for Practical/Vocational Nursing Students, 5
 - Learners have Rights, 6
 - Responsibilities of Learners, 6
 - Teaching Versus Learning, 6
 - Role of Evaluation, 7
 - Dealing with Referrals*, 9
 - Other Responsibilities of Learners, 9
- 2 Time Management: Making Time Work for You, 12**
 - Why can't I get Organized?, 12
 - Self-test of Time Management, 13
 - Benefits of Time Management, 13
 - Review of Personal Goals, 13
 - Getting Organized with the Nursing Process, 14
 - Data Collection, 14
 - Before You Continue, 14
 - Planning, 14
 - Implementation, 18
 - Evaluation, 20
- 3 Learning Methods and Skills: How Do You Learn? 22**
 - Brain Dominance, 22
 - Right and Left Sides of the Cerebrum, 23
 - Right-brain-dominant Individuals, 23
 - Left-brain-dominant Individuals, 23
 - Thinking Style, 23
 - Learning Styles, 23
 - Perceptual Learning Styles, 23
 - Perceptual Learning Style Preference, 24
 - Categories of Multiple Intelligences, 25
 - Identifying and Using the Intelligences, 26
 - Linguistic Learner (The Word Player), 26
 - Logical/Mathematical Learner (The Questioner), 26
 - Spatial Learner (The Visualizer), 26
 - Musical Learner (The Music Lover), 26
 - Bodily/Kinesthetic Learner (The Mover), 26
 - Interpersonal Learner (The Socializer), 26
 - Intrapersonal Learner (The Individual), 26
 - How We Learn, 27
 - Mapping (Concept Map), 27
 - Visual Strategies to Enhance Understanding, 27
 - Undependable Memory and Learning System, 29
 - Possible Behaviors, 29
 - Some Suggestions for the Student with ADHD, 29
 - More Barriers to Learning, 30
 - Racial Bias in Textbooks, 30
 - Inability to Understand (Comprehend) Content, 31
 - Putting it all Together, 31
- 4 Using your Methods and Skills: Studying and Testing, 34**
 - General Hints for Learners*, 34
 - Concentration, 34
 - Listening/Viewing, 36
 - How to Understand (Comprehend) Information, 37
 - Reading Assignments, 37
 - Remembering and Forgetting, 38
 - From Temporary to Permanent Memory By Way of a Neural Trace, 38
 - Memory Aids, 39
 - Successful Test Taking, 39
 - Preparing for the Test, 39
 - Taking the Test, 39
 - Reviewing Your Tests, 40
 - Reducing Anxiety Before Testing, 40
 - Hints for Specific Questions, 41
- 5 Learning During School: Using Available Resources, 44**
 - Your School's Learning Resource Center, 45
 - Different Student Skill Levels and Different Resources of the Learning Resource Center, 45
 - Where to Start, 46
 - Locating In-house Resources, 46
 - Responsible Use of Learning Strategies, 47
 - Technology Use During Learning Activities, 49
 - Other Learning Resources, 49
 - Syllabus and Course Outlines, 49
 - Study Groups, 50
 - Tutoring, 50

- Nursing Skills Lab, 50
- Study Skills Lab, 50
- Audiovisual Materials, 51
- Internet, 51
- Mobile Devices, 51
- Computer-aided Instruction, 52
- Simulation, 52
- Staying Current in Practical/Vocational Nursing, 53
- Periodicals, 53
- Nursing Organizations, 54
- Community Resources, 54
- Guest Speakers, 54
- Social Media (Electronic Media) and Social Networking, 54
- 6 Personal Health Promotion: A Role Model for Patients, 57**
 - New Look at Nutrition and Health, 57
 - 2010 Dietary Guidelines for Americans, 58
 - Introduction to the MyPlate Icon, 58
 - Making Time for Physical Activity, 58
 - Moderate Physical Activity, 58
 - Start the Day with a Stretch and Flex, 59
 - Making Minimal Effort Pay Off at Work, 59
 - Back Injuries in Nursing: What We did *Not Know*, 60
 - Preventing Injuries, 60
 - Health Care–Associated Infections (HAIs): An Issue of Safety for the Patient, Your Family and You, 61
 - Differentiating Between Burnout and Stress, 62
 - Preventing Burnout, 63
 - Secondary Traumatic Stress, 64
 - Recognizing Signs of Secondary Traumatic Stress, 64
 - Prevention, 64
 - Chemically Dependent Nurses, 65
 - Codependency: A Pathologic Need, 65
 - Dealing with Negative Stress: Some Ideas, 66
 - Relaxation, 67
 - Meditation, 67
 - Imagery, 67
 - Brief Relaxation, 68
 - Sleep, 68
- UNIT TWO Building Blocks for Your Career, 71**
 - 7 How Practical/Vocational Nursing Evolved: 1836 to the Present, 71**
 - Modern Practical Nurses, 71
 - First School of Nursing (1836), 73
 - Florence Nightingale (1820–1910), 73
 - Crimean War 1853–1865, 74
 - Mary Seacole; Honored for Her Work, 74
 - Death Rate Drops; Nightingale Decorated, 74
 - Nightingale Establishes First School of Nursing in England, 75
 - Nightingale’s Core Belief About Nursing, 75
 - Nightingale Museum on the Site of Her School of Nursing, 76
 - Early Training Schools in America, 76
 - Civil War (1861–1865), 76
 - Clara Barton, 77
 - Formal Training: Practical Nursing, 77
 - Nursing in the Home, 77
 - From Home to Public Health Nursing, 77
 - Twentieth Century, 78
 - Mississippi: First to License Practical Nurses, 78
 - World War I Nurses 1914–1918, 78
 - Smith Hughes Act of 1917, 79
 - Nurses Return Home: Acute Nursing Shortage Follows World War I, 79
 - Depression of the 1930s, 79
 - World War II 1939–1945, 79
 - Practical Nursing Responsibilities Increase After World War II, 80
 - Practical Nursing Duties Outlined, 81
 - RN and LPN Tasks Differentiated, 81
 - The Korean Conflict (also known as United Nations Police Action or the Second Indochina War) 1950–1953, 81
 - RNS React, 82
 - Public Law 911, 82
 - The Vietnam War 1961–1973, 82
 - American Nurses Association Movement Toward Two Levels of Nursing, 83
 - Afghan War (also known as Operation Enduring Freedom) 2001–PRESENT and the IRAQ WAR (also known as Operation Iraqi Freedom, Second Gulf War and More Recently Operation New Dawn) 2003–DECEMBER 2011, 83
 - American Medical Association Moves to Ease Nursing Shortage, 84
 - Unlicensed Assistive Personnel, 84
 - First Computerized Testing: NCLEX-PN®, 84
 - Long-term Care Certification, 85
 - Twenty-first Century, 85
 - Important Influences in Nursing History, 85
 - You Have Come a Long Way! 85
 - 8 Critical Thinking: A Lifelong Journey, 89**
 - Overview of Critical Thinking, 89
 - Ways of Thinking, 90
 - Definition of Applied Critical Thinking, 90
 - Critical Thinking and Practical/Vocational Nursing, 91
 - What You Need to Think Critically, 92
 - Factors That Influence Critical Thinking, 92
 - Additional Factors That Influence Critical Thinking, 93
 - Critical Thinking and the NCLEX-PN®, 94
 - Making it Work for You, 94
 - Where to go from Here, 95

- 9 The Nursing Process: Your Role, 97**
 The Nursing Process: The 1950s, 97
 The Nursing Process: The 1970s to the 1990s, 98
 The Nursing Process: 2000 and Beyond, 98
 What Differentiates Your Role From the RN Role, 98
 Developing Your Plan of Care for Assigned Patients, 99
 Steps of the Nursing Process, 99
 Step 1: Data Collection, 99
 Step 2: Planning, 101
 Step 3: Implementation, 105
 Step 4: Evaluation, 106
 Where Are We Now in the Nursing Process? 107
 Nursing Interventions Classification, 107
 Nursing Outcomes Classification, 107
 Linking North American Nursing Diagnosis Association International, Nursing Interventions Classification, and Nursing Outcomes Classification, 107
- 10 Nursing Theory, Research, and Evidence-Based Practice, 110**
 Nursing Theories, 110
 Rationale for Theories, 110
 Florence Nightingale: The First Nursing Theorist, 110
 Abraham Maslow's Human Needs Theory, 111
 Orem's Self-care Deficit Theory, 111
 Madeline Leininger's Culture Care Theory, 112
 Hildegard Peplau's Interpersonal Relations Theory, 112
 Rosenstock's Health Belief Theory, 112
 Sister Callista Roy's Adaptation Model, 113
 Jean Watson's Theory of Human Care, 113
 Nursing Research, 113
 Evidence-Based Practice, 114
 Background of the Evidence-Based Practice Movement, 114
 How Best Evidence for Practice Guidelines is Determined, 114
 Evidence-Based Practice (EBP) in Nursing, 115
 Elements of Evidence-Based Practice, 115
 The Nurse's Role, 115
- 11 Ethics Applied to Nursing: Personal Versus Professional Ethics, 118**
 Description and Scope of Ethics, 118
 Morals and Values, 119
 Comparison of Legal Aspects of Nursing and Ethics, 119
 Nursing Ethics, 119
 Ethical Codes of the National Association for Practical Nurse Education and the Service and National Federation of Licensed Practical Nurses, 119
 Your Personal Code of Ethics, 120
 Roots of Nursing Ethics, 120
 What Changed? 121
 Ethical Decisions in Health Care, 121
 Ethics Committees, 121
 Western Secular Belief System, 121
 Ethical Responsibilities of Nurses, 122
 Principles of Ethics, 122
 Nonmaleficence (Do No Harm), 122
 Beneficence (Do Good), 123
 Autonomy (Free to Choose), 124
 Fidelity (Be True), 125
 Justice (Fair to All), 125
 Role of Beneficent Paternalism, 126
 Paternalism and Women's Health, 126
- 12 Nursing and the Law: What Are the Rules? 129**
 Nurse Practice Act, 130
 Basic Terminology, 130
 Content of Nurse Practice Acts, 130
 State Board of Nursing, 130
 Functions of the Board, 131
 Disciplinary Responsibility of the Board, 131
 Disciplinary Process and Action, 132
 Nursing Licensure, 132
 Working in Other States, 132
 Verification of Licensure, 132
 Unlicensed Assistive Personnel, 133
 Nursing Standard of Care, 133
 How the Law Affects Licensed Practical Nurses and Licensed Vocational Nurses, 133
 Common Law Versus Statutory Law, 133
 Criminal Versus Civil Action, 133
 Intentional Torts, 134
 Unintentional Torts, 135
 Negligence, 135
 Malpractice (Professional Negligence), 136
 Malpractice Insurance for Nurses, 136
 Four Elements Needed to Prove Negligence, 136
 Steps for Bringing Legal Action, 137
 Depositions, 137
 Attorney Procedures, 137
 Giving Testimony, 137
 Liability, 137
 Kinds of Liability, 137
 Common Causes of Nursing Liability, 138
 Responsibility and Accountability in Nursing, 138
 Liability of Student Nurses and Instructors, 138
 Functioning Beyond the Scope of Practice and Experience, 139
 Specific Patient Situations, 139
 Privacy and Confidentiality, 139
 Information That Must Be Revealed, 139

- Patients' Rights, 139
- Health Insurance Portability and Accountability Act, 140
- Patient Competency, 142
- Patient's Right to Consent, 142
- End-of-life Issues, 143
 - Patient Self-determination Act, 143
 - Advance Directives, 143
 - Do-not-resuscitate Order, 144
 - Removal of Life Support Systems, 144
 - Physician-assisted Suicide and Euthanasia, 144
 - Organ Donation, 145
 - End-of-life Care, 146
- Good Samaritan Act, 146

UNIT THREE Patients and Coworkers, 149

13 Straightforward Communication: Instructors, Coworkers, and Patients, 149

- Communication Process, 149
 - One-way Versus Two-way Communication, 150
 - Factors That Affect Communication, 150
- Types of Communication, 150
 - Verbal Communication, 150
 - Nonverbal Communication, 151
 - Affective Communication, 151
- Communication Strategies, 151
 - Active Listening, 151
 - Active Listening Behaviors, 151
 - Types of Questions, 152
 - Nurse-Patient Communication Evaluation, 152
- Blocks to Communication*, 153
 - Avoiding Blocks, 153
- Male/Female Differences, 153
 - Conversation, 153
 - Head Movements, 153
 - Smiling, 154
 - Posture, 154
- Cultural Differences, 154
- Role Changes for the Patient, 154
 - It Begins with "Hello, My Name Is . . .", 154
 - Nursing Jargon, 154
 - Fear of the Unknown, 155
 - Personal Factors, 155
 - Environmental Factors*, 155
- Communicating with Instructors and Staff, 155
 - Respect, 155
 - Trust, 155
 - Honesty, 155
 - Empathy, 155
 - Sensitivity, 155
 - Humor, 155
 - Knowledge, 156
 - Patience, 156

- Commitment, 156
- Self-esteem, Thoughts, and Straightforward Communication, 156
- Situation, Background, Assessment, Recommendation, 156
- SBAR for the Shift Report, 157
- Life Span Communication, 157
 - Infant, 157
 - Preschool, 157
 - School Age, 158
 - Teenage, 158
 - Adult, 158
 - Elderly, 158

Conflict Resolution, 158

Electronic Communication, 159

Cell Phone and Text Messaging, 159

14 Assertiveness: Your Responsibility, 162

Nonassertive (Passive) Behavior, 163

Aggressive Behavior, 163

Assertive Behavior, 164

Negative Interactions: Using Coping

Mechanisms, 165

Gossip Hurts, 167

Guidelines for Moving Toward Assertiveness, 167

Problem-Solving Process, 167

Problem-Solving Steps, 168

Cultural Differences: Manipulation, 171

Negative Manipulative Interactions, 171

Aggressiveness and Work-related Issues, 171

Assault, 171

Contributing Factors, 172

Employee Violence, 173

Sexual Harassment, 174

Counseling and Filing Charges, 175

Lateral Violence, 175

Insidious Aggression, 175

15 The Health Care Team: Where the Practical/Vocational Nurse Fits In, 177

Who is Responsible for Mrs. Brown's Discharge? 177

Mrs. Brown's Emergency Care, 178

The Surgical Experience, 178

Postanesthesia Care Unit, 179

Intensive Care: A Time for Close

Observation, 179

Surgical Floor: An Eye to Discharge, 179

Extended-Care Unit: On the Road to

Rehabilitation, 180

Health Care Team, 180

What is *Nursing*? 181

Nursing's Place on the Health Care Team, 181

Diversity in Educational Preparation of Nurses, 181

Registered Nurses, 181

Practical/Vocational Nurses, 184

Student Nurses, 185

- Nursing Assistants, 186
