7	November 2011 questions and answers Reproduced with the kind permission of CIMA	

Key features in this edition

In addition to providing a wide ranging bank of real past exam questions, we have also included in this edition:

- Paper specific information and advice on exam technique.
- Guidance to make your revision for this particular subject as effective as possible.
- Enhanced tutorial answers packed with specific key answer tips, technical tutorial notes and exam technique tips from our experienced tutors.
- CIMA post exam guidance which details the syllabus area covered in the question and tips for answering a question well. (Reproduced with the kind permission of CIMA.)
- Examiner's notes which offer an alternative approach to the solution printed. (Reproduced with the kind permission of CIMA.)
