1—Planning	1
The Differences Between Assessment and Evaluation	2
Assessment	3
Library Assessment Planning	5
Barriers and Benefits to Assessment Planning	10
Evaluation	12
Program Evaluation	13
Planning for Library Evaluation	14
Benefits and Barriers to Library Evaluation	16
Concluding Thoughts	17
Notes	18
2—Relevant Literature	21
Evaluation in Libraries	22
Relevant Databases for Locating Evaluation and Assessment Studies	23
Differentiating Between Evaluation and Assessment.	24
The Assessment Literature	26
Impact Evaluation and Assessment	28
Coping with Change	28
Concluding Thoughts	30
Notes	30
3—The Components of an Evaluation and Assessment Research Study.	33
Reflective Inquiry	34
Problem Statement	34
Literature Review	36
Theoretical Framework	37
Logical Structure	37
Objectives	37
Research Questions	38
Hypotheses	38
Procedures	39
Research Design	39
Methodology	39
Data Quality.	39
Course Evaluation	40

Example of Both Reflective Inquiry and Study Procedures	40
Background	40
Problem Statement	43
Literature Review	44
Theoretical Framework	47
Logical Structure	48
Objectives and Research Questions	49
Hypothetical Hypothesis	51
Research Design	51
Methodology	52
Data Quality	53
Concluding Thoughts	53
Notes	54
 4—Applicable Concepts and Language of Research	 57
Theoretical and Other Conceptual Frameworks	58
Some Relevant Concepts	60
Information-Seeking Behavior	60
Effectiveness	61
Economic Efficiency	62
Service Quality	62
Satisfaction	64
Return on Investment	65
Concluding Thoughts	66
Notes	66
 5—Designing Evaluations and Assessments	 71
Sampling	72
Random Selection	72
Sampling Design	73
Defining the Universe and the Sampling Units	73
Choosing a Sampling Strategy	74
Determining the Sample Size	77
A Cautionary Note About Statistical Sampling	77
Variables	78
Criteria of Relevance	79
Internal Validity	79
External Validity	81
Reliability	82
Summary	83
Case Study	83
Evaluation Designs	85
Experimental Design	85
Quasi-Experimental Design	89
Descriptive Design	92

Examples	92
Concluding Thoughts	94
Notes	94
6—Getting Engaged in Evidence Gathering and Managerial Use	97
Assessment and Evaluation	97
What Is Being Assessed and Evaluated	97
Conducting an Assessment Study	99
Student Learning Outcomes	100
The Use of the Evidence Gathered	105
Evaluation	105
Designing the Evaluation Approach	106
Using the Findings	109
Costs and Values	111
Addressing Problems in Conducting Evaluation Studies	120
Principles of Good Evaluation	121
Concluding Thoughts	121
Notes	123
7—Quantitative Data Collection for Evaluation Research	127
Quantitative Data Collection	128
Measuring Customer Expectations	128
LibQUAL+®	129
Counting Opinions	130
Different Methodologies	130
Administration of Standardized Tests	137
Citation Analysis	137
Content Analysis	137
Observation	138
Surveys	140
Transactional Log Analysis	141
Usability Testing	141
Summary	142
Concluding Thoughts	143
Notes	143
8—Qualitative Study	145
Distinguishing Qualitative Research	146
Type of Research	146
Object of Research	146
Type of Questions	146
Number of Respondents	147
Interviewer Qualifications	147
Analysis	148
Generalizations of Results	148

Data Gathering for Qualitative Research	148
Different Data-Gathering Methodologies	149
Interview Methods	150
Observation Methods	151
Documentation Methods	156
Content Analysis	156
Case Study	158
Data Analysis	160
Qualitative Study in Library and Information Science	161
Concluding Thoughts	162
Notes	163
A Selected Bibliography for Qualitative Research	166
9—Statistics	171
Measurement	172
Frequency Distributions and Percentiles	173
Averages	174
Measures of Variability	174
Graphic Presentation of Data	175
Examples	176
Outcomes Assessment	176
Concluding Thoughts	176
Notes	177
10—Presenting Findings	179
General Types of Reports and Data to Present	179
Content and Format of an Assessment or Evaluation Report	181
Visual Presentations	182
“Mostly” Text	183
Charts and Graphs	184
Choosing an Effective Chart	193
Other Types of Visual Displays for Numbers	194
Visual Display for Text	196
Best Practices	197
Concluding Thoughts	197
Notes	198
11—Creating a Culture of Evidence Gathering and Managerial Use	201
Barriers	203
Attributes of a Culture of Evidence Gathering and Managerial Use	205
Fostering a Culture of Evidence Gathering and Managerial Use	207
Concluding Thoughts	209
Notes	209

12—Reality Evaluation and Assessment	211
