About the Author xix

1. New Literacies in a Digital World 1

Literacy 3
Defining Digital Literacies 3
Standards 4
The Digital Literacies 5
Emergent Literacies 7
Computer Literacy 7
Cultural Literacy 8
Game Literacy 8
Media Literacy 8
Multimedia Literacy 9
Network Literacy 9
Social Literacy 10
Visual Literacy 10
Web Literacy 11
Multiliteracies 11
Information Literacy 12
New Literacies 12
Digital Literacy 12
Commonalities Among Emergent Literacies 13
The Five Digital Literacies 14
Locating and Filtering 15
Sharing and Collaborating 16
Organizing and Curating 17

Creating and Generating 18
Reusing and Repurposing 19
Memes 20
Digital Literacies in the Context of Teaching and Learning 20
Questions for Reflection and Discussion 21

2. Professional Development That (Really) Works 23

Standards 23

Part One: Characteristics of Effective Professional Development 24
Job-Embedded 25
Well-Planned 25
Differentiated 26
Cohesive and Ongoing 28
Common Problems and Pitfalls 29
Technical Issues 29
Logistical Issues 30
Affective Issues 30
A Concise, Step-Wise Approach 31
Planning 31
Marketing 31
Implementation 32
Follow-Up 33
Part Two: Professional Development Models, Formats, and Approaches 33
Conferences 33
Virtual Conferences 35
Seminars 37
Workshops 37
Presentations 38
Professional Learning Communities 40
Peer Mentoring 41
Self-Directed Activities 41
Creative Approaches to In-House Professional Development 42
Summer Academy 42
Miniconference 43
Unconference 44
After-School Cohorts 45
Lunch-n-Learn/Prep-Period Tune-Ups 45
Webinars 46
Online/On-Demand (On-Your-Own) 46

Mobile Learning (On-the-Go) 49
Conclusion 50
Questions for Reflection and Discussion 51

3. A Framework for Program Development and Implementation 53

Needs Assessment 55
Creating the Survey 56
Timing Is Key 58
Delivery Method 59
A Modular Approach 59
Faculty Seminars 60
Professional Learning Communities 63
Experimenting: Play Is Okay 63
Collective Knowledge 66
Reflecting 66
Pursuing Results 67
Peer Mentoring 67
Assessment 68
Self-Study 68
Personal Learning Networks 69
Individual Classroom Integration 73
Individual Consultations and Training and Support Resources 74
Program Time Line 74
Program Evaluation 75
Session Evaluations 75
Midpoint and End-of-Year Surveys 76
PLC Share-Out Days 77
Building on the Best 77
Emerging Leaders 77
Questions for Reflection and Discussion 78

4. Teacher Leaders and Support Structures 79

Layers of Support 80
Administrative Support and Resources 81
Program Coordinator 82
Planning 82
Large-Group Training 83
Train the Trainer 83
Participant Leaders 85
Support Site 85
Individualized Support 87
Looking for Leaders 89

Opinion Leaders 90
The Three L's of Leadership 90
80/20 *Principles* 91
Developing a Personal Learning Network (PLN) 92
Questions for Reflection and Discussion 94

5. Promoting Buy-In and Active Participation **95**

Making the Positive Pitch 96
Common Challenges 97
Time and Scheduling *98*
Apathy and Burnout 99
Poor Quality and Lack of Substance 100
Marketing Your Program 101
Creating a Brand for Your Program 102
Advertising 102
Publicity 103
Public Relations 105
Making the Sale 105
The Importance of Relationships 106
Leveraging Intrinsic Motivation 107
Breaking Down Barriers 108
Incentivizing Teacher Participation 109
How to Tank a Teaser 110
Door Prizes 111
Instructional Materials 111
Release Time 112
Salary Schedule Advancement 112
Minigrants 113
Presenter Compensation 114
Making the Connection to the Classroom 115
Questions for Reflection and Discussion 117

6. Long-Term Planning: Ensuring a Lasting Impact **119**

An Embedded Approach 120
Resources and Support 121
Professional Growth Plans 121
Accountability 122
Faculty Turnover, Base Training, and Recalibration 123
Personal Learning Networks 123
The Plan 124

Tracks and Strands 125
Recognition Programs 126
Developing a Digital Literacies Action Plan 128
Questions for Reflection and Discussion 130

7. The Tools of Technology **131**

LOCATING AND FILTERING 133
What Is It? 133
Information and Communication Technologies (ICTs) 133
Related Tools 134
Examples in Teaching and Learning 135
SHARING AND COLLABORATING 137
What Is It? 137
Information and Communication Technologies (ICTs) 137
Related Tools 140
Examples in Teaching and Learning 143
ORGANIZING AND CURATING 146
What Is It? 146
Information and Communication Technologies (ICTs) 146
Related Tools 147
Examples in Teaching and Learning 149
CREATING AND GENERATING 150
What Is It? 150
Information and Communication Technologies (ICTs) 151
Related Tools 152
Examples in Teaching and Learning 154
REUSING AND REPURPOSING 155
What Is It? 155
Information and Communication Technologies (ICTs) 155
Related Tools 156
Examples in Teaching and Learning 157
Mobile Learning 158
Digital Literacies Integration Plan 158
