1 HISTORY, METHODS AND APPROACHES **1**

A History **2**

Research Methods **4**

Archival Approaches 5

Correlational Approaches 6

Experimental Approaches 8

Laboratory Experiments 11

Field Experiments 13

Qualitative Approaches 14

Research Ethics **15**

2 ATTRIBUTION **21**

The Naive Scientist **22**

Attribution Theory **23**

Types of Attribution 23

Making Attributions **25**

Correspondent Inference Theory 25

The Co-variation Model 26

Attributional Biases **29**

The Fundamental Attribution Error 30

The Actor–Observer Bias 31

Self-serving Attributions 32

Intergroup Attributions 33

Attribution and Social Processes **35**

Social Representations **37**

3 SOCIAL COGNITION	43
The Cognitive Miser Versus the Naive Scientist	44
Heuristics	45
The Representativeness Heuristic	45
The Availability Heuristic	46
The False Consensus Effect	48
The Anchoring Heuristic	48
The Motivated Tactician	50
Social Categorization	53
Basic Principles	53
Category Content	54
Category Structure	55
Why Do We Categorize?	57
When Do We Categorize?	57
Consequences of Categorization	60
Prejudice	60
Unconscious Behaviour	61
Stereotype Threat	64
Dual Process Theories	70
4 ATTITUDES	77
Attitude Formation	78
Mere Exposure	78
Associative Learning	82
Self-perception	84
Functional Approach	87
Utilitarian Function	87
Knowledge Function	88
Ego-Defensive Function	88
Value-Expressive Function	88
Attitudes and Behaviour	89
Determinants of the Attitude–Behaviour Relationship	90
Specificity	90
Time	91
Self-awareness	91
Attitude Accessibility	91
Attitude Strength	92
The Theory of Planned Behaviour	92
Reasoned Action Versus Spontaneity	96
Attitude Change	98
Cognitive Dissonance	98
Factors Affecting Dissonance	101

Contents

Dissonance or Self-perception	101
Persuasion	102
Dual Process Models of Persuasion	102
Processing Route Determinants	103
Peripheral Cues	107
5 SOCIAL INFLUENCE	115
Social Norms	116
Norm Development	116
Uncertainty and Social Norms	117
Norms as Group Attitudes	120
Conformity	121
Asch's Conformity Experiment	121
Explaining Conformity	123
Factors that Moderate Conformity	125
Moderators of Normative Influence	125
Moderators of Informational Influence	127
Impact of Influence on Social Norms	129
Group Polarization	130
Groupthink	133
Minority Influence	134
Consistency and Confidence	135
How Minorities Exert Influence	137
Obedience	138
Milgram's Study of Obedience	138
Explaining Obedience	140
Determinants of Obedience	141
Social Impact Theory	142
6 GROUP PROCESSES	149
Groups	150
What Is a Group?	150
Entitativity	150
Social Facilitation and Social Inhibition	151
Explanations of Facilitation and Inhibition	152
Drive Theory	152
Evaluation Apprehension	154
Distraction Conflict	155
Social Loafing	156
Diffusion of Responsibility and Complex Tasks	158
Leadership	161

Contents

What Makes a Leader?	162
Personality Determinants	162
Situational Determinants	163
Leadership Style	164
Autocratic, Democratic and Laissez-faire Leadership	164
Task-Focused Versus Socio-emotional Leadership	165
Transformational Leadership	167
Theories of Situation and Style	168
Leader–Situation Interaction	169
Leader–Group Interaction	171
7 SELF AND IDENTITY	179
Self-awareness	180
Development of Self-awareness	180
Neurological Basis of Self-awareness	181
Temporary Differences in Self-awareness	183
Chronic Differences in Self-awareness	185
Organization of Self-knowledge	186
Theories of Self-concept Maintenance	188
Theories of Self-comparison	189
Control Theory of Self-regulation	189
Self-discrepancy Theory	191
Theories of Individual Comparison	193
Social Comparison Theory	193
Self-evaluation Maintenance Model	193
Theories of Group Comparison	197
Social Identity Approach	197
Self-esteem	201
Development of Self-esteem	201
Consequences of Self-esteem	202
Mood Regulation	202
Narcissism	202
Self-motives	205
Self-enhancement	206
Strategies to Enhance the Personal Self	206
Strategies to Enhance the Social Self	207
Cultural Differences in Self and Identity	211
Individualist and Collectivist Cultures	211
Biculturalism	212
8 PREJUDICE	221
Prejudice: Old and New	222
Prejudice, Discrimination and Intergroup Bias	222

Contents

Racism	223
Sexism	226
Implicit Prejudice	228
Infrahumanization	230
Social Exclusion	233
Individual Differences in Prejudice	235
The Authoritarian Personality	235
Social Dominance Orientation	236
Prejudice and Self-regulation	237
Regulation of Prejudice Through Socially Interactive Dialogue	237
Reducing Prejudice	238
The Contact Hypothesis	238
Indirect Contact	241
 9 INTERGROUP RELATIONS	 251
Theories of Intergroup Relations	252
Sherif's Summer Camp Studies	252
Realistic Group Conflict Theory	254
The Minimal Group Paradigm	254
The Category Differentiation Model	258
Social Identity Theory	260
Self-categorization Theory	262
Self-anchoring Theory	263
Terror Management Theory	263
Evolutionary Theory	266
Improving Intergroup Relations	267
The Common Ingroup Identity Model	268
Crossed Categorization	273
Multiple Categorization	274
 10 AGGRESSION	 281
Theories of Aggression	283
The Evolutionary Approach	283
The Cathartic Approach	284
The Social Approach	286
Cognitive Neoassociationalist Model	286
Excitation-Transfer Model	287
Learning Theories of Aggression	290
Person-Centred Determinants of Aggression	295
Gender Differences	295
Personality	297
Alcohol	299

Contents

Situation-Centred Determinants of Aggression	304
Physical Environment	304
Temperature	304
Crowding	306
Noise	306
Social Disadvantage	306
Cultural Influences	307
Disinhibition	308
Deindividuation	308
Forms of Aggression in Society	312
Domestic Violence	312
Sexual Harassment	312
Sexual Aggression	314
Terrorism	315
 11 PROSOCIAL BEHAVIOUR	 323
What Is Prosocial Behaviour?	324
Origins of Prosocial Behaviour	325
Evolutionary Perspective	325
Social Norms	326
Modelling	328
Situation-Centred Determinants of Helping	330
Latané and Darley's Cognitive Model	331
The Bystander Apathy Effect	333
Processes Underlying the Bystander Apathy Effect	336
Piliavin's Bystander-Calculus Model	340
Physiological Arousal	340
Labelling the Arousal	340
Calculating the Costs	341
Perceiver-Centred Determinants of Helping	345
Personality	346
Competence	347
Mood	348
Empathy–Altruism	350
Gender Differences in Helping	352
Recipient-Centred Determinants of Helping	354
Similarity	354
Group Membership	355
Attractiveness	355
Responsibility for Misfortune	356
Receiving Help	356

12 AFFILIATION AND ATTRACTION	363
Affiliation	364
When and Why Do We Affiliate?	364
Psychological Determinants of Affiliation	365
Individual Differences in Affiliation	365
Problems with Affiliation and Affiliating	366
Social Anxiety	366
Loneliness	367
Ostracism	368
Interpersonal Attraction	371
Target-Centred Determinants of Attraction	371
Physical Characteristics	372
Consequences of Physical Attractiveness	374
Similarity to the Self	377
Complementary Characteristics	381
Reciprocity	382
Perceiver-Centred Determinants of Attraction	383
Familiarity	384
Anxiety	385
Online Attraction	388
Portraying One's True Self	388
Self-presentation Online	389
13 FRIENDSHIP AND LOVE	397
Friendship	398
Social Penetration Theory	398
Gender Differences in Friendships	400
Intimacy	400
Physical Contact	401
Why Do These Gender Differences Exist?	402
Romantic Relationships	402
Types of Love	403
Passionate Love	403
Companionate Love	406
Development of Cultural Knowledge about Love	408
Relationship Satisfaction and Commitment	411
Relationship Satisfaction	411
Social Exchange and Equity	411
Intimacy	412
Perceived Concealment	413

Contents

Interpretation	413
Social Comparison	413
Social Networks	414
Attachment	414
Interdependence Theory	416
What Determines Whether a Relationship Will Last?	417
The Investment Model	418
Other Models of Commitment	419
Consequences of Commitment	419
The Breakdown of a Relationship	420
14 APPLICATIONS	427
A History of Applying Social Psychology	428
Organizations	429
Job Satisfaction	430
Embodied Cognition	431
The Dark Side of Power Postures	433
Health	435
Theories of Health Behaviour	435
Approaches to Changing Health Behaviour	436
Binge Drinking	437
AIDS and HIV Prevention	440
Tolerance	441
Multicultural Curricula Programmes	442
Anti-racist Programmes	444
Diversity Training	445
Contact-Based Interventions	446
Cooperative Learning	446
Imagined Contact	447
<i>Glossary</i>	455
<i>References</i>	473
<i>Author Index</i>	523
<i>Subject Index</i>	533
