About the Author	xiv
Acknowledgements	xv
<b>Chapter 1: Introduction to Child Development</b>	<b>1</b>
Why you should read this chapter	1
The nature of development	2
Theories of development	4
Psychodynamic theories	4
Learning theories	7
Cognitive developmental theories	9
Ethology and evolutionary psychology	11
The bioecological model	12
Chapter summary	13
Further reading	14
References	14
<b>Chapter 2: Policy and Early Years Practice</b>	<b>16</b>
Why you should read this chapter	16
Influences on early years policy	17
Social and cultural contexts	17
Political agendas	18
Government bodies and other stakeholders	18
Significant events	19
International influences	19
Devolution	20
Some influential policies	20
<i>Every Child Matters</i>	20
Chapter summary	28
Further reading	29
Useful websites	29
References	29

<b>Chapter 3: Researching Child Development</b>	<b>32</b>
Why you should read this chapter	32
Ethics in research with children	33
The scientific approach	34
Researching child development: Basic concepts and terminology	35
Hypothetico-deductive research	35
Inductive research	36
Samples and populations	36
Operational definitions	37
Qualitative and quantitative research	37
Statistical significance	38
Methods of data collection	38
Interviews	39
Observations	40
Experimental research	41
Correlational studies	43
Case studies	44
Qualitative approaches	45
Methods for studying development	46
Cross-sectional designs	46
Longitudinal studies	46
Chapter summary	48
Further reading	48
Useful websites	48
References	48
 <b>Chapter 4: Cognition and Memory</b>	 <b>50</b>
Why you should read this chapter	50
Piaget's theory	51
Basic concepts	52
Stages of development	52
Evaluation of Piaget's theory	57
Practical applications of Piaget's theory	59
Vygotsky's sociocultural theory of cognitive development	60
Zone of proximal development	61
Private speech	61
Pretend play	62
Evaluation of Vygotsky's theory	62
Practical applications of Vygotsky's theory	63
Information-processing accounts	64
The development of memory	66

Development in infancy	66
Memory in childhood	68
Chapter summary	74
Further reading	74
References	75

## **Chapter 5: Biology and Development** **79**

Why you should read this chapter	79
Prenatal development	80
The germinal stage	80
The embryonic stage	81
The fetal stage	81
Environmental influences on prenatal development	81
Physical development in infancy and childhood	84
The development of motor skills	86
Gross motor skills	87
Fine motor skills	88
Maturation versus experience in motor skill development	88
Brain development	89
The structure of the brain	90
Neurons and glial cells	90
Hemispheric specialisation	91
Brain development and plasticity	91
Chapter summary	94
Further reading	95
References	95

## **Chapter 6: Disorders and Development** **99**

Why you should read this chapter	99
Developmental psychopathology	100
The assessment of psychopathology	101
Some childhood disorders	103
Depression	104
Anxiety	105
Conduct disorder	106
Attention deficit hyperactivity disorder	109
Autism	110
Risk and resilience	114
Chapter summary	116
Further reading	116
Useful website	117
References	117

**Chapter 7: Health and Development 123**

Why you should read this chapter	123
The health of the infant	124
Birth complications and development	124
Anoxia	125
Prematurity and low birth weight	125
Health and illness in childhood	127
Children's definitions of health and illness	128
Development of children's concepts of illness	128
Coping with chronic illness	132
Chronic illness and family functioning	134
Accidents and injuries in childhood	135
Age	135
Sex	135
Social class	136
Individual characteristics of the child	137
Preventing accidents	137
Chapter summary	139
Further reading	139
Useful websites	140
References	140

**Chapter 8: Emotional and Social Development 144**

Why you should read this chapter	144
Development of basic emotions in infancy	145
Emotional development in childhood	147
Emotional understanding	148
Emotional regulation	149
Temperament	150
The development of attachment	151
Development of the attachment relationship	152
Measuring the security of attachment	153
The stability of attachment	154
Consequences of attachment relationships	154
Social development	155
Acquiring a sense of self	156
The development of peer interactions	157
Peer acceptance and its consequences	158
Friendship	159
The development of social cognition	160
Theory of mind	161

Children's understanding of the mind	161
How children acquire a theory of mind	163
Chapter summary	164
Further reading	165
References	165

## **Chapter 9: Language and Literacy 172**

Why you should read this chapter	172
The development of language	173
The course of language development	174
Developments in infancy	174
First words	175
First sentences	177
Development of pragmatic skills	178
Theories of language development	180
Learning theory	180
Nativist theory	181
Interactionist views	182
Other topics in language development	183
Learning disabilities and language development	183
Sign language acquisition	184
Bilingual language development	185
Specific language impairment	186
The development of literacy	186
The course of reading development	187
Ehri's phase theory	187
Phonological awareness and reading development	189
Other topics in literacy development	191
The development of spelling	191
Developmental dyslexia	191
Supporting language and literacy development	192
Chapter summary	193
Further reading	194
Useful website	194
References	194

## **Chapter 10: The Role of Play 200**

Why you should read this chapter	200
Types of play	201
Defining play	204
Theories of play	206

Play and development	207
Play as an educational tool	211
Play therapy	215
Chapter summary	216
Further reading	217
Useful websites	217
References	218
 <b>Chapter 11: The Role of the Adult</b>	 <b>222</b>
Why you should read this chapter	222
Child development theories and the role of the adult	223
The role of the parent	224
Styles of parenting	224
Parenting styles and developmental outcomes	226
The role of the early years practitioner	227
Adult–child interactions	227
Adult–child interactions in the context of play	229
Chapter summary	231
Further reading	232
Useful websites	232
References	232
 Glossary	 235
Index	261
