CONTENTS

Preface xiii

UNIT ONE
FOUNDATIONS OF COMMUNITY AND PUBLIC HEALTH 1

CHAPTER 1 COMMUNITY AND PUBLIC HEALTH: YESTERDAY, TODAY, AND TOMORROW 2

Scenario 3

Introduction 3

Definitions 4

Factors That Affect the Health of a Community 7

A Brief History of Community and Public Health 11

Earliest Civilizations 11

The Eighteenth Century 11

The Nineteenth Century 13

The Twentieth Century 14

The Twenty-First Century 23

Chapter Summary 30

Scenario: Analysis and Response 30

Community and Public Health on the Web 31

CHAPTER 2 ORGANIZATIONS THAT HELP SHAPE COMMUNITY AND PUBLIC HEALTH 35

Scenario 36

Introduction 36

Governmental Health Agencies 37

International Health Agencies 37

National Health Agencies 42

State Health Agencies 52

Local Health Departments 53

Coordinated School Health Programs 55

Quasi-Governmental Health Organizations 56

The American Red Cross 56

Other Quasi-Governmental Organizations 57

Nongovernmental Health Agencies 57

Voluntary Health Agencies 57

Professional Health Organizations/Associations 59

Philanthropic Foundations 61

Service, Social, and Religious Organizations 61
Corporate Involvement in Community and Public Health 62
Chapter Summary 63
Scenario: Analysis and Response 63

Community and Public Health on the Web 64

CHAPTER 3 EPIDEMIOLOGY: THE STUDY OF DISEASE, INJURY, AND DEATH IN THE COMMUNITY 66
Scenario 67
Introduction 68
Definition of Epidemiology 68
History of Epidemiology 71
The Importance of Rates 72
Incidence, Prevalence, and Attack Rates 72
Crude and Age-Adjusted Rates 73
Specific Rates 74
Reporting of Births, Deaths, and Diseases 75
Standardized Measurements of Health Status of Populations 78
Mortality Statistics 78
Life Expectancy 79
Years of Potential Life Lost 83
Disability-Adjusted Life Years 85
Health-Adjusted Life Expectancy 85
Sources of Secondary Data 86
The U.S. Census 87
Statistical Abstract of the United States 87
Vital Statistics Reports 87
Morbidity and Mortality Weekly Report 88
National Health Surveys 88
Epidemiological Studies 90
Descriptive Studies 91
Analytic Studies 93
Criteria of Causation 97
Chapter Summary 98
Scenario: Analysis and Response 98

Community and Public Health on the Web 103

CHAPTER 4 EPIDEMIOLOGY: PREVENTION AND CONTROL OF DISEASES AND HEALTH CONDITIONS 105
Scenario 106
Introduction 106
Classification of Diseases and Health Problems 107
Communicable versus Noncommunicable Diseases 107
Acute versus Chronic Diseases and Illnesses 108

Communicable Diseases 108
Chain of Infection 109
Modes of Transmission 110
Noncommunicable Diseases 111
Diseases of the Heart and Blood Vessels 112
Malignant Neoplasms (Cancer) 113
Other Noncommunicable Disease Problems 115
Prioritizing Prevention and Control Efforts 115
Leading Causes of Death 115
Years of Potential Life Lost 116
Economic Cost to Society 116
Prevention, Intervention, Control, and Eradication of Diseases 116
Levels of Prevention 117
Prevention of Communicable Diseases 117
Prevention of Noncommunicable Diseases 124
Chapter Summary 129
Scenario: Analysis and Response 129

Community and Public Health on the Web 130

CHAPTER 5 COMMUNITY ORGANIZING/BUILDING AND HEALTH PROMOTION PROGRAMMING 132
Scenario 133
Introduction 134
Community Organizing/Building 134
Need for Organizing Communities 135
Assumptions of Community Organizing 136
Community Organizing Methods 137
The Process of Community Organizing/Building 138
Recognizing the Issue 138
Gaining Entry into the Community 139
Organizing the People 140
Assessing the Community 141
Determining the Priorities and Setting Goals 142
Arriving at a Solution and Selecting Intervention Strategies 143
The Final Steps in the Community Organizing/Building Process: Implementing, Evaluating, Maintaining, and Looping Back 144
A Special Note about Community Organizing/Building 144
Health Promotion Programming 144
Basic Understanding of Program Planning 145
Creating a Health Promotion Program 146
Assessing the Needs of the Priority Population 147
Setting Appropriate Goals and Objectives 149

Creating an Intervention That Considers the Peculiarities of the Setting 151
Implementing the Intervention 153
Evaluating the Results 154
Chapter Summary 155
Scenario: Analysis and Response 156

Community and Public Health on the Web 157

CHAPTER 6 THE SCHOOL HEALTH PROGRAM: A COMPONENT OF COMMUNITY AND PUBLIC HEALTH 160
Scenario 161
Introduction 162
Coordinated School Health Defined 162
The School Health Advisory Council 163
The School Nurse 163
The Teacher's Role 164
The Need for School Health 165
Foundations of the School Health Program 166
School Health Policies 167
Policy Development 168
Policy Implementation 168
Policy Development Resources 168
Monitoring the Status of School Health Policy in the United States 169
Components of Coordinated School Health 169
Administration and Organization 169
School Health Services 170
Healthy School Environment 172
School Health Education 174
Development of and Sources of Health Education Curricula 175
Counseling, Psychological, and Social Services 176
Physical Education 177
School Nutrition Services 177
Family/Community Involvement for School Health 177
School-Site Health Promotion for Staff 177
Issues and Concerns Facing School Health 177
Lack of Support for Coordinated School Health 177
School Health Curriculum Challenges 178
School-Based Health Centers or School-Linked Health Centers 180
Violence in Schools 182
Chapter Summary 183
Scenario: Analysis and Response 184

Community and Public Health on the Web 185

UNIT TWO
THE NATION'S HEALTH 189

CHAPTER 7 **MATERNAL, INFANT, AND CHILD HEALTH** 190
Scenario 191
Introduction 191
Family and Reproductive Health 195
Teenage Births 198
Family Planning 199
Maternal Health 206
Prenatal Health Care 208
Infant Health 209
Infant Mortality 210
Improving Infant Health 211
Child Health 217
Childhood Mortality 218
Childhood Morbidity 218
Community Programs for Women, Infants, and Children 224
Maternal and Child Health Bureau 224
Women, Infants, and Children Program 226
Providing Health Insurance for Women, Infants, and Children 227
Providing Child Care 228
Other Advocates for Children 230
Chapter Summary 231
Scenario: Analysis and Response 232
Community and Public Health on the Web 233

CHAPTER 8 **ADOLESCENTS, YOUNG ADULTS, AND ADULTS** 238
Scenario 239
Introduction 239
Adolescents and Young Adults 240
Demography 240
A Health Profile 242
Community and Public Health Strategies for Improving the Health of Adolescents and Young Adults 254
Adults 255
A Health Profile 255
Community and Public Health Strategies for Improving the Health of Adults 263
Chapter Summary 266
Scenario: Analysis and Response 266
Community and Public Health on the Web 267

CHAPTER 9 ELDERS 271

Scenario 272

Introduction 273

Definitions 273

Myths Surrounding Aging 274

Demography of Aging 276

Size and Growth of the Elder Population 276

Factors That Affect Population Size and Age 276

Dependency and Labor-Force Ratios 278

Other Demographic Variables Affecting Elders 280

A Health Profile of Elders 282

Mortality 283

Morbidity 283

Health Behaviors and Lifestyle Choices 285

Elder Abuse and Neglect 286

Instrumental Needs of Elders 287

Income 287

Housing 288

Personal Care 290

Health Care 292

Transportation 293

Community Facilities and Services 294

Chapter Summary 297

Scenario: Analysis and Response 298

Community and Public Health on the Web 299

CHAPTER 10 COMMUNITY AND PUBLIC HEALTH AND RACIAL/ETHNIC POPULATIONS 302

Scenario 303

Introduction 303

Racial and Ethnic Classifications 305

Health Data Sources and Their Limitations 307

Americans of Hispanic Origin 308

African Americans 310

Asian Americans and Pacific Islanders 311

American Indians and Alaska Natives 313

U.S. Government, Native Americans, and the Provision of Health Care 314

Indian Health Service 314

Immigrant and Refugee Health 315

Minority Health and Health Disparities 318

Infant Mortality 320

Cancer Screening and Management 320

Cardiovascular Diseases 322

Diabetes 323

HIV Infection/AIDS 324
Child and Adult Immunization Rates 324
Socioeconomic Status and Racial and Ethnic Disparities in Health 325
Equity in Minority Health 329
Cultural Competence 329
Empowering the Self and the Community 331
Chapter Summary 331
Scenario: Analysis and Response 332
Community and Public Health on the Web 333

CHAPTER 11 COMMUNITY MENTAL HEALTH 337
Scenario 338
Introduction 339
Definitions 340
Classification of Mental Disorders 340
Causes of Mental Disorders 343
Mental Illness in the United States 345
History of Mental Health Care in the United States 345
Mental Health Care before World War II 346
Mental Health Care after World War II 347
Mental Health Care Concerns in the United States Today 349
Serious Mental Illness in People Who Are Homeless 349
Mental Illness and Violence 350
The New Asylums: Mental Health Care in Jails and Prisons 351
Meeting the Needs of Those with Mental Illness 352
Government Policies and Mental Health Care 357
The Affordable Care Act of 2010 357
Chapter Summary 359
Scenario: Analysis and Response 359
Community and Public Health on the Web 361

CHAPTER 12 ALCOHOL, TOBACCO, AND OTHER DRUGS: A COMMUNITY CONCERN 365
Scenario 366
Introduction 366
Scope of the Current Drug Problem in the United States 367
Definitions 370
Factors That Contribute to Alcohol, Tobacco, and Other Drug Abuse 371
Inherited Risk Factors 371
Environmental Risk Factors 371
Types of Drugs Abused and Resulting Problems 373
Legal Drugs 373
Controlled Substances and Illicit (Illegal) Drugs 380

Prevention and Control of Drug Abuse 388
Levels of Prevention 389
Elements of Prevention 389
Governmental Drug Prevention and Control Agencies and Programs 391
Nongovernmental Drug Prevention and Control Agencies and Programs 396
Chapter Summary 399
Scenario: Analysis and Response 400
Community and Public Health on the Web 401

CHAPTER 13 HEALTH CARE DELIVERY IN THE UNITED STATES 407
Scenario 408
Introduction 409
A Brief History of Health Care Delivery in the United States 409
Health Care System: Structure 415
The Spectrum of Health Care Delivery 415
Types of Health Care Providers 418
Health Care Facilities and Their Accreditation 424
Health Care System: Function 430
Understanding the Structure of the Health Care System 430
Health Insurance 439
Managed Care 452
Other Arrangements for Delivering Health Care 456
Health Care Reform in the United States 457
Consumer-Directed Health Plans 457
Affordable Care Act 459
Chapter Summary 463
Scenario: Analysis and Response 464
Community and Public Health on the Web 465

UNIT THREE
ENVIRONMENTAL HEALTH AND SAFETY 469

CHAPTER 14 COMMUNITY AND PUBLIC HEALTH AND THE ENVIRONMENT 470
Scenario 472
Introduction 472
The Air We Breathe 472
Outdoor Air Pollution 472
Regulation of Outdoor Air Quality 473

Indoor Air Pollutants 476
Protecting Indoor Air 479
The Water We Use 480
Sources of Water 480
Sources of Water Pollution 481
Ensuring the Safety of Our Water 486
Regulating Water Quality 489
The Food We Eat 490
Foodborne Disease Outbreaks 490
Growing, Processing, and Distributing Our Food Safely 492
The Place We Live 496
Solid and Hazardous Waste 496
Managing Our Solid Waste 499
Managing Our Hazardous Waste 501
Controlling Vectorborne Diseases 504
Natural Disasters 507
Radiation 507
Natural Environmental Events 510
Psychological and Sociological Hazards 511
Population Growth 511
Terrorism 513
Responding to Environmental Hazards 514
Chapter Summary 516
Scenario: Analysis and Response 517
Community and Public Health on the Web 518

CHAPTER 15 INJURIES AS A COMMUNITY AND PUBLIC HEALTH PROBLEM 522
Scenario 523
Introduction 523
Definitions 523
Cost of Injuries to Society 523
Unintentional Injuries 525
Types of Unintentional Injuries 527
Epidemiology of Unintentional Injuries 528
Prevention through Epidemiology 534
Community Approaches to the Prevention of Unintentional Injuries 537
Intentional Injuries 540
Types of Intentional Injuries 540
Epidemiology of Intentional Injuries 540
Violence in Our Society and Resources for Prevention 543
Chapter Summary 553
Scenario: Analysis and Response 554
Community and Public Health on the Web 556

CHAPTER 16 SAFETY AND HEALTH IN THE WORKPLACE 560

Scenario 561

Introduction 561

Scope of the Problem 562

Importance of Occupational Safety and Health to the Community 562

History of Occupational Safety and Health Problems 563

Occupational Safety and Health in the United States Before 1970 563

Occupational Safety and Health Act of 1970 566

Prevalence of Occupational Injuries, Diseases, and Deaths 566

Overview of Recent Trends in Workplace Injuries and Illnesses 566

Unintentional Injuries in the Workplace 567

Prevention and Control of Unintentional Injuries in the Workplace 580

Workplace Violence: Intentional Workplace Injuries 580

Occupational Illnesses and Disorders 582

Resources for the Prevention of Workplace Injuries and Diseases 586

Occupational Safety and Health Professionals 586

Occupational Safety and Health Programs 588

Chapter Summary 589

Scenario: Analysis and Response 590

Community and Public Health on the Web 591

APPENDIX 1 MEASURES OF IMPACT AND ASSOCIATION 595

APPENDIX 2 OPERATIONAL DEFINITIONS FOR THE 2010 CENSUS 597

GLOSSARY 600
