<i>Foreword by Dick Bate</i>	xv
<i>Foreword by Kevin Thelwell</i>	xvii
<i>Acknowledgements</i>	xix
Chapter One	
<b>Introduction to Soccer Match Analysis</b>	<b>1</b>
Introduction	1
The Nature and Origins of Match Analysis	2
Why Match Analysis is Undertaken	9
When to Analyse	14
Summary	15
Chapter Two	
<b>Developing a Manual Notation System</b>	<b>16</b>
Introduction	16
Deciding What Information is Needed and Why	16
How to Design a Hand-based Notation System	17
Determining the Accuracy and Reliability of the Data	25
Collating and Presenting the Data	25
Summary	27
Chapter Three	
<b>Video and Computerised Match Analysis Technology</b>	<b>28</b>
Introduction	28
Video Technology	28
Why Use Video?	29
Existing Digital Video Systems	32
Computerised Match Analysis Systems	32
The First Systems	33
Modern Systems	34
Database Technology	44
Summary	45

Chapter Four	
<b>General Advice on Analysing Match Performance</b>	<b>47</b>
Introduction	47
Preparation for, and Carrying Out, Match Analysis	47
Advice on Choosing a Personal Computer System	53
Advice on Choosing Audio-visual Equipment	54
Advice on Choosing a Match Analysis System	55
Summary	59
Chapter Five	
<b>Analysis and Presentation of the Results</b>	<b>60</b>
Introduction	60
Looking at the Results	60
Computer Graphics	63
Qualitative Information	73
Using Match Analysis Feedback during Team Talks	77
<i>Team-talk Scenario</i>	81
Avoiding Potential Pitfalls with the Analysis and Evaluation of Results	83
Summary	87
Chapter Six	
<b>Motion Analysis and Consequences for Training</b>	<b>88</b>
Introduction	88
Principles of Motion Analysis	89
Factors Influencing Work-rate Profiles	93
Physiological Considerations	101
Strategies to Reduce Fatigue	103
Summary	105
<i>Motion Analysis Scenario</i>	105
Chapter Seven	
<b>What Match Analysis Tells Us about Successful Strategy and Tactics in Soccer</b>	<b>108</b>
Introduction	108
The Importance of Set Plays: Preparation and Planning	108
Some Observations from Open Play: Creating and Scoring Goals	115
Consecutive Forward Movement	125
Summary	127
Chapter Eight	
<b>From Technical and Tactical Performance Analysis to Training Drills</b>	<b>129</b>
Introduction	129
Strategy, Playing Systems, Tactics and Technique	129
What Technical and Tactical Aspects Can Be Analysed?	131
Coaching Tactics and Technique Using Match Analysis and Feedback	131
Practical Application	135

<i>Crossing Analysis Scenario</i>	136
<i>Shooting Analysis Scenario</i>	140
<i>Goalkeeping Analysis Scenario</i>	144
Summary	147
Chapter Nine	
<b>The Future of Soccer Match Analysis</b>	<b>148</b>
Introduction	148
New Methods of Obtaining Data	148
Data and Results	152
<i>Expert System Scenario</i>	154
New Training Methods	154
Player Detection, Transfers and Performance-related Pay	159
Drug Detection	159
Summary	160
